3. Dr.Renuka metagund professor Department of periodontics, , KLE VK IDS, Belagavi

Agenda for Consideration

1. To discuss the implementation of electives for undergraduate students. In-charges of respective departments to submit details as mentioned in the circulated template/format.

In charges of the respective departments informed to implement electives selected for the current academic year 2024-25, BDS 1st year and 2nd year students using hybrid mode or online mode based on requirement. However members staged their query regarding use of online platform. Dr.Sonal Joshi and Dr.Anandkumar Patil suggested to use online platforms like Impartus, Astrica, Google classroom for the same Dr.Neeraj Gokhale informed that Google classroom can't be used as an online platform for electives as it can't generate certificate of completion and suggested to use Moodle software for the same. Until online platform finalised, members were informed to be ready with E-CONTENT.

2. To discuss newer interactive teaching and learning methods for students

The following newer interactive teaching methods were suggested by respective departments

- | | |
|-----------------------------------|--|
| a. Department of Anatomy – | Virtual dissection using Anatomage |
| b. Department of Oral Pathology – | Use of microscope with Audio Visual screen |
| c. Department of Biochemistry – | Use of flipped classroom through impartus |
| d. Department of Conservative – | Use of Kahoot software |
| e. Department of Prosthodontics – | Vertical integration for the topic crown and bridge and dental anatomy |

Dr. Malathi advised to sensitize the students regarding the newer teaching methods and use coding system for the same. She suggested to start using online platforms like Kahoot and Google classroom as newer teaching methods and also informed regarding the concept of “THINK, PAIR AND SHARE (TPS)”. Dr.Kamal Shigli suggested to introduce basic Dental related Pharmacology lectures for the final year BDS students and use of Puzzles as newer teaching method.

3. To discuss about addition of topics for ITL, Blended learning/Flip class etc.

Dr. Anand kumar Patil informed all the in-charges to go through the syllabus and suggest for addition newer methodology for topics in the syllabus at the earliest and submit the same. Dr. Malathi and Dr.Kamal seconded the move.

Agenda for Information

1. Reporting of early clinical exposure implemented for the batch 2022-2023 BDS II year in the subjects of Oral Surgery, Pedodontics, Orthodontics, Periodontics, Oral Medicine and Radiology

Resolution / Discussion: Dr. Anand P atil reported conduct of early clinical informed that the format / template for conduct of early clinical exposure for the batch 2022-23, records of same have been submitted and feedback received from the department of Periodontics, Pedodontics, Oral

Medicine and Radiology and Oral Surgery showed overall satisfaction by students and they also suggested to add more clinical cases by all respective departments

2. Members to come prepare with feedback for ITL classes.

Resolution / Discussion: Dr.Sunita Shivanand read and submitted the report on conduct of ITL classes of Conservative Dept. along with Prosthodontics dept. and Oral Pathology departments The Medical subjects in-charges informed that no ITL classes were conducted and will be done in the 2nd term and report will be submitted accordingly.

3. Report on utilization of cadaveric lab and time table schedule of same.

Resolution / Discussion: Dr. Sheetal Pattanshetty read report on utilisation of the cadaveric lab by Department of Oral Surgery for Postgraduate students and their feedback analysis was satisfactory and submitted the same.

4. Members should submit report of POCO matrices with question paper and analysis of scores achieved there off.

Resolution / Discussion: All the representative of Medical subject were informed to prepare and submit report of POCO matrices with question paper and analysis of scores achieved there off. Dr.Veena Benakatti Prosthodontics Department presented the sample copy of prepared POCO matrices for the subject Dental Materials of 2nd internal assessment for 2nd BDS students.

5. Discuss remedial measures for slow learners and fast learners and its outcome.

Resolution / Discussion: List of slow learners and fast learners as per checklist and remedial measures for slow learners and fast learners of new batches was not submitted by representatives of Medical and Dental subjects as only first internal assessment was conducted.

6. Members to report with one sample of DOPS implementation for student's assessment.

Resolution / Discussion: As DOPS method of assessment implemented at the institute compulsorily, in-charges of the Medical and Dental subjects have to prepare and implement the

same for assessment of students. Subsequent new log books will be included with these checklists. A sample checklist was displayed and representatives were asked to do follow the same. Medical in-charges were instructed to prepare and implement the same and submit the report the earliest. Dr.Kamal suggested for use of the term “Tooth preparation” instead of “Crown preparartion” and the same was noted.

7. Reporting of methods of assessing practical /Clinical work quota as given by DCI.

Resolution / Discussion: Dr.Anandkumar G Patil informed all the in-charges to go through the present syllabus copy and suggest, if any changes required in the syllabus copy and submit at the earliest. Department of Pharmacology informed about the suggested curricular changes and submit a report of the same.

8. Submit an UPDATED comprehensive panel of examiners UG, PG for pre-clinical subjects approved and signed by respective dept. HOD and BOS members.

All the members were informed to update the list of panel of examiners UG, PG for pre-clinical subjects according to the new format sent by controller of examination, duly signed by the BOS Chairman and Head of department. List should be verified and include eligible faculty within university, within state, outside state categories and submit at the earliest.

9. Any other matter with permission of the Chair

Others:

Resolution/Discussion:

- Dr. Neeraj Gokhale suggested to add the action taken report for all the feedback analysis done.
- Dr. Swapnil Shankargouda read and submitted feedback report on conduct of Crown preparation classes for 2nd BDS students and feedback collected from students showed overall satisfactory results .students suggested to add crown preparation theory topics

- Dr. Malathi suggested to retake the student's feedback as not all participants had filled up the feedback. She also emphasized again regarding the introduction of the "Students teaching forum".
- Dr. Anandkumar Patil informed the members regarding the introduction of "Alternative medicine & research collaborations with KLE Ayurvedic College".
- The meeting was concluded with vote of thanks.

Dr. Anandkumar G Patil

Conveyed their leave of absence

- Dr. Mateen Peerzade, Lecturer, Department of Conservative Dentistry, KLEVKIDS, Belagavi
- Dr Simranjeet Kaur Deol, Ranibennur, Karnataka

Agenda for consideration

1. To discuss Revision of course curriculum:-

Department of Physiology

- Minor adjustments in teaching and assessment methods will be implemented starting this academic year.

Department of Microbiology

- No syllabus or assessment revisions were made. Dr. Sheetal highlighted the need for better integration of microbiology with oral pathology to boost student interest. Dr. Deepa agreed on the importance of integration and requested submission of relevant topics at the earliest.

Department of Pharmacology

- Dr. Torgal reported the commencement of integrated teaching on topics such as diabetes mellitus and hypertension. He also mentioned plans to cover dental emergencies and adverse drug reactions through hands-on experiences via cinemeducation and subsequent debriefing. Dr. Anand Patil suggested that these topics could be offered as electives.

Department of Biochemistry

- Dr. Anil proposed replacing spotters with clinical scenarios to enhance integrated teaching.

Department of Oral Pathology

- Dr. Deepa indicated that existing ITL modules already incorporate General Anatomy, Conservative Dentistry, Pedodontics, and Prosthodontics. They plan to implement rubrics for practical assessments and will add topics for the second year, including mucormycosis (as emphasized by DCI) and the influence of hormones on the developmental disturbances of Oral & Paraoral structures.

Department of Conservative Dentistry

- Dr. Anand Patil announced the introduction of composite restoration techniques in the preclinical second year, addressing patient preferences against amalgam fillings. External member Dr. Sumita supported this initiative and recommended including rubber placement training for second-year students using typhodont teeth.

Additional Suggestions

- Dr. Vidhi remarked that students often view Dental Materials as a dry subject. She emphasized the need for exposure to industry practices in the second year. She also suggested incorporating public health education from the first year to enhance students' understanding of marketing and financial management in the dental field. She emphasized the use of AI tools like ScanO for real time oral health screening and diagnostics.

2. To discuss the progress on the implementation of Electives for 1st and 2nd BDS students. Members to report on the E Content and mode of teaching

- Dr. Padmashri reported that Basic Life Support was conducted for first BDS students in the skills lab last year. Since this course serves as a value-added component for interns, department was advised to propose alternative elective topics.

Histology Elective

- Dr. Shilpa mentioned that electives were not conducted last year but plans are underway to offer one on histology. Given its significance for dental students, they were urged to consider additional elective options.
- Dr. Sheetal noted that third-year MBBS students have a dedicated one-month period to complete electives in pre-paraclinical and clinical subjects, allowing the entire cohort to focus on electives simultaneously.

Dental Materials Elective

- A suggestion was made to revise and reframe the topic “Advances in Dental Biomaterials” to make it more specific. Dr. Santosh proposed an online teaching module followed by demonstrations when students visit the department, culminating in an MCQ assessment.

Dental Ergonomics Elective

- Dr. Anand Patil outlined plans for the elective topic “Dental Ergonomics,” developed in collaboration with the physiotherapy department. This will be delivered in a hybrid format, with online lectures and demonstrations conducted during practical sessions.

Proposed Topics for Pharmacology Electives

- Dr. Anand Patil suggested “Prescription Writing” as an elective; however, Dr. Torgal noted that this is already covered in routine teaching. Members recommended including electives on “E-Prescription” and “Adverse Drug Reactions.”
- Miss Siddhi, the student representative, noted that students find integrated teaching engaging and that it helps them better understand course material.

Additional Elective Suggestions

- Dr. Vidhi proposed the inclusion of various topics such as Geriatric Dentistry, Digital Dentistry, Tele Dentistry, and Sports Dentistry as electives. She also recommended incorporating Dental Law and Ethics, as well as Yoga for Dentists, into the curriculum.

Value-Added Courses

- Dr. Sumita suggested that basic self-defense training could be offered as a value-added course specifically for female students.

Agenda for information (implementation of previous resolutions, progress report, feedbacks):

1. Minutes of previous BOS meeting held on 16th Feb 2024 were read and confirmed.
2. **Discussion of UG results of university exams of August 2024**

The examination results for first BDS and second BDS students were reviewed:

- **Anatomy:** 04 students failed
- **Physiology and Biochemistry:** 09 students failed
- **Pharmacology:** 16 students failed
- **Dental Materials:** 07 students failed
- **Dental Anatomy, Pathology and Microbiology, Preclinical Prosthodontics and Operative Dentistry:** 100% pass rate

Remedial Teaching

Subject coordinators for first and second year were instructed to implement remedial teaching for the students who failed.

3. **Members to prepare topics to be included for ITL/Blended learning**

Dr Padmashri informed that they will be conducting integrated teaching with Pathology on the topic Bleeding disorders.

Dr Shilpa informed that they will be conducting modified blended learning on the topics Muscular System with Physiology & Biochemistry and General Embryology with Development of face Integrated with Oral Pathology

4. Submit an Updated comprehensive panel of examiners UG, PG for Preclinical subjects approved and signed by the respective department heads and BOS members

Dr Chandra requested that departments to submit a panel of examiners, including a minimum of 30 names from both within and outside the state. Each submission should be accompanied by the signatures of the BOS member, the head of the department, the chairperson, the dean, and the director of academic affairs.

Additionally, Dr. Chandra suggested including examiners from distant locations to facilitate their use for dissertation purposes and question paper setting.

5. Any other matter with permission of the chair

Dr. Vidhi Bhanushali, CEO of ScanO, made a presentation emphasizing the importance of integrating early public health education into the curriculum. She highlighted that such education is crucial for understanding the oral health challenges and needs of the community.

The external members expressed their satisfaction with the conduct of BOS meeting, noting that it was meticulously organized and that input was gathered from all participants.

Format I

Minutes of BOS Meeting

BOS: Clinical Subjects faculty of Dentistry

Date 22/02/2024

Venue Room no.18

Members Attended:

Internal

1. Dr. S M Kotrashetti Professor Department of Oral and Maxillofacial surgery, KLE VKIDS
2. Dr. Tejashri Pradhan, Professor and Head of Orthodontics, KLE VKIDS
3. Dr. Ramesh Nayakar Professor, Department of Prosthodontics, KLE VKIDS
4. Dr. Niraj Gokhale Professor, Department of Pedodontics and Preventive Dentistry, KLE VKIDS
5. Dr. Neha Dhaded Professor, Department of Conservative Dentistry, KLE VKIDS
6. Dr. Aditi Rao Lecturer, Department of Orthodontics, KLE VKIDS
7. Dr. Roopali Sankeshwari, professor, Department of public Health Dentistry KLE VKIDS
8. Dr. Manjula M Reader, Department of Oral Pathology and Microbiology, KLE VKIDS

External

1. Dr. Vasudev Ballal, Professor, Department of Conservative dentistry & Endodontics, MCODS, Manipal.
2. Dr. Suresh, Professor, Department of Prosthodontics, Saveetha Dental College, Chennai.

Agenda for consideration (Starting of new courses, revision of course material, change in format of execution):

1. The members discussed newer teaching methodologies with a focused emphasis on clinical skills. Dr.Ramesh informed that department of Prosthodontics has planned for introduction of Role play for undergraduates that would enhance their communication skills. Dr.Vinayak informed that department of Periodontics would be introducing clinical tutorials with the focus on small group chairside demonstrations for undergraduates and table clinics for postgraduates. Dr.Manjula informed that department of Oral Pathology will be introducing the undergraduates with the application of binocular microscope. Dr.Aditi informed that Department of orthodontics shall be introducing flip class teaching and cephalometric analysis for undergraduates and dolphin software analysis for surgical cases, mini implant placement in the cadaveric lab and typhodont exercises for postgraduate students. Dr.Neha informed that the department of Conservative dentistry would be introducing table microscope in the preclinical exercises and table clinics for postgraduates. Dr.Kotrashetti informed that the department of OMFS would be using cadaveric lab for procedural demonstration and introduction of WhatsApp group for case discussion for the postgraduates. Dr.Roopali informed that the department of public health dentistry plans to introduce making of public awareness videos by the undergraduates and “read to lead” concept for the postgraduates. All the members were informed to make these changes as per curricular change guidelines and adept them into the time table planning of their respective departments.
2. The members discussed the current quota system for undergraduates and postgraduates in-force as per the DCI and KAHER guidelines and their stringent implementation. Dr.Sonal suggested if the ORION software could be used to quantify and match the patient quota completion with the revenue generated. Dr.Alka Kale suggested that there should be a significant weightage of marks given to the log book documentation of cases done by the students. Dr.Aditi informed that department of orthodontics intends to reduce the time required for completion of preclinical exercises for postgraduates from the existing 6 months to 3 months. Dr.Suresh suggested that monthly review meetings on quantum of work done should be conducted and those failing to meet the mandatory amount of clinical work to be done for the academic year should be detained from appearing for the university exams. Dr.Ballal suggested that guides should review the work done by their postgraduates and onward the same to the dean for

necessary action in case any non-compliance is observed. It was also suggested that department of conservative dentistry set up an extraction protocol for teeth with a poor prognosis owing to cariogenic involvement.

3. POCO mapping presentation for the batch of undergraduates that appeared in July 2023 was done by Dr. Niraj. The attainment level set for the graduate attributes was achieved and was found to be satisfactory.
4. The members from department of Periodontics, prosthodontics and OMFS suggested that the certificate course in Oral implantology should be offered to external doctors other than those from the three constituent departments.
5. The members from all the streams of dentistry presented the electives in their specialties. The same was approved by the board and they have been asked to submit a hard copy of the same in the prescribed format within the next two days.
6. The proposal of dual degree program viz MDS along with PhD in the respective streams of dentistry was accepted by the board. Dr.Suresh informed the board that the same can be decided upon by the student within six months of admission to the Master of Dental Surgery. The dissertation topic select for MDS can be furthered into detail towards the PhD program. The other norms as per the KAHER guidelines towards admission in the PhD program shall be mandatory and binding on the candidate. No dilution in this regard shall be permitted. The board also resolved to further a requisition in this regard to the department of academic affairs for guidance in execution and implementation of the said program.
7. Dr.Badiger updated the board with regard to the current teaching program and evaluation protocols for undergraduate students in the discipline of General Medicine. The members suggested that a log book for documentation of case history recorded and there by evaluated should be maintained.
8. The members notified the board that there are no new proposals to start any new value added courses in their specialties.
9. The board took up for consideration the approval of one application received for recognition as Ph.D. guide/teacher. However since the applicant isn't a

PhD further clarification has been sought prior to approval from the department of academic affairs with regards to the existing UGC guidelines in this regard.

(**Application enclosed**)

Agenda for information (implementation of previous resolutions, progress report, feedbacks):

1. BOS members Dr.Abhishek Motimath and Dr.Vaishali Keluskar and invitees Dr.Rekha Patil and Dr.Shrishail Metgud expressed their inability to attend the meeting. They have communicated their inability via email to the competent authority through proper channel.
2. The minutes of the previous BOS meeting held on 08/09/2023 were read out and confirmed by the members present.
3. Results of under-graduate part one examinations held in January 2024 were 100%.
4. The panel of examiners shall be updated as per the guidelines of the examination section of KAHER and submitted within 4 working days after this BOS meet. The board also requested the chairman to write to the university exam section to depute a member from their section to attend the BOS meeting and verify as well as ratify the same.

3. Dr. Veena Naik, Professor, Department of Oral Pathology and Microbiology, KLE VKIDS
4. Dr. Menaka K.B, Professor & Head, Department of Periodontics, KLE VKIDS
5. Dr.Chandrashekhar M. Badkar, Professor & Head, Department of Pedodontics and Preventive Dentistry, KLE VKIDS
6. Dr. Suresh Shenvi, Reader, Department of Conservative Dentistry, KLE VKIDS
7. Dr.Aditya Acharya, Reader, Department of Prosthodontics, KLE VKIDS
8. Dr.Daneshwari Koshti, Lecturer, Department of Oral Medicine and Radiology, KLE VKIDS
9. Dr. Snehalata Narvekar, Lecturer, Department of Oral & maxillofacial Surgery, KLE VKIDS

External members:

1. Dr.Nandini K, Professor & Head, Department of Periodontology, A.J Institute of Dental Sciences – Mangalore (**ONLINE**)

Invitees

1. Dr Vinayak Kumbhojkar, Dean, Faculty of Dentistry, KLE VK IDS, Belagavi.
2. Dr.Rekha Patil, Professor & Head, Department of General Medicine, JNMC, Belagavi
3. Dr.Shrishail Metgud, Professor & Head, Department of General Surgery, JNMC, Belagavi
4. Dr.Renuka Metgud, **IQAC Co-ordinator** KLE VKIDS, Belagavi (**ONLINE**)
5. Dr Sounyala R, **Criteria I In-charge**, KLE VKIDS, Belagavi
6. Dr Rajeev Chitguppi (**Entrepreneur Representative**)
7. Dr Ritul Sadawarte (**Alumni Representative**)
8. Ms Divya Chandiwalwa (**Student Representative**)

Agenda for consideration (Starting of new courses, revision of course material, change in format of execution):

1. The board took up for consideration the approval of one application received for recognition as Pg guide/teacher. The applicant had fulfilled all the necessary requirement along with the documentation. The board members approved the application and the same is forwarded to the office of director, academic affairs.
2. Department of prosthodontics, orthodontics, periodontics and implantology, informed that they employ DOPS as a method of assessment for the students. (PG) Dept of pedodontics uses clinical case presentation as a method of teaching. Dept of oral surgery informed that they use case-based learning as a method of teaching. Dept of public health dentistry informed that they use field visits and research grant writing as newer methods of teaching. All the departments use flipped classroom and integrated teaching as a method of teaching.
3. It was informed by the director, academic affairs and Dr Vinayak Kumbhojkar, to update the question banks in the respective subjects according to the blueprint. Moderation of the question bank has to be done periodically by the subject experts.
4. The members discussed newer teaching methodologies with a focused emphasis on clinical skills. Dr Rajeev suggested use of smile designing technique to be incorporated as a method of teaching the undergraduates starting from 3rd BDS. Miss Divya suggested case-based learning exercise can be taught immediately after didactic lectures for the benefit of the students.
5. Dr Vinayak suggested to include composite restorations on the patients and amalgam restorations on typhodont teeth for training of students.

6. Curriculum revision for PG & UG

i. Oral Medicine and radiology –

Making CBCT scans and reporting of 10 cases for 2nd and 3rd MDS students

ii. **Public health dentistry –**

Introduction to AI for III BDS students

Inclusion of ICDAS index for I MDS students in clinical teaching

iii. **Prosthodontics-**

Introduction to digital dentistry for IV BDS students

Implant stent fabrication for I MDS in preclinicals

iv. **Oral pathology-**

Addition of new topics for II BDS, I MDS, II MDS- enclosed in the hard copy

v. **Oral surgery-**

OT tutorial to be added in the curriculum, which would include the various demonstrations through clinical simulators - UG

vi. **Pedodontics-**

Didactic lecture on pulpotomy to be replaced by flipped classroom teaching.

2 cases have to be performed using lasers for II MDS and III MDS students.

vii. **Conservative dentistry-**

Pin retained amalgam restorations exercise – reclassified as complex amalgam restorations for I MDS preclinical curriculum.

viii. **Orthodontics-**

Post graduate preclinical quota to be completed in three months from the date of joining.

Training for in-house aligners to be added - PG

ix. **Periodontics-**

Preclinical exercises on cast for II BDS for practice of principles of instrumentation

2 cases of ultrasonic scaling for IV BDS after completion of quota of 10 hand scaling cases

Topic of Aids & periodontium to be added as flipped class for IV BDS

Cases of lasers and implants for post graduates – mandatory – (list enclosed)

7. Dr Renuka informed about new binary manual of NAAC and various newer methods of teaching and assessment, out of which, problem-based learning and game-based learning would be taken up initially. The university would be conducting training programs for the teachers for these newer methods. The other methods of teaching and assessment would be taken up subsequently.
8. Dr Nandini informed about portfolio and open book exams as methods of assessment that can be employed for the students.
9. The members were informed to conduct interdisciplinary activities with various health and technology domains. Dr Renuka suggested to incorporate Indian knowledge system, mainly Ayurveda and Homeopathy, as a part of interdisciplinary activities to be conducted by all the departments with an emphasis on research for UG and PG
10. The program specific outcomes (PSO) were submitted by all the departments
11. Dr Renuka informed that the undergraduates would have to register on SWAYAM platform and take up one course per year till their final year. The postgraduates would have to take up the course on “fundamentals in biomedical research”. Additionally, the undergraduates would have to take any four electives out of the nine provided by all the departments.
12. All the members were informed to engage the students through studio lectures, which would be a part of E-content. The IMPARTUS lectures also would be part of E-content.
13. Dr Shrishail and Dr Rekha suggested to have a log book for the undergraduate students for Gen. Medicine and Gen. Surgery, which would have a structured format for recording case history and the required quota of cases to be taken. Dr Suresh suggested to video record a few standard case history discussions in Gen medicine and Gen. surgery, which can be shared with the students for reference.
14. Dr Daneshwari informed, the dept of Oral Medicine and radiology, would be stopping the value-added course “Extra oral radiographic techniques”. The dept intends to start a new value-added course on “TENS therapy.” It was informed to the concerned dept to give a

structured format of the said program for further discussion and approval.

15. Dr Rohan asked for suggestions to incorporate a training module for the BDS students in the area of entrepreneurship. Dr Rajeev suggested, a short-structured module can be made as a part of the BDS curriculum, where the students would learn about management, Finance, marketing, communication aspects of entrepreneurship.

Agenda for information (implementation of previous resolutions, progress report, feedbacks):

1. BOS external member Dr Francis Akkara and internal member Dr Alka Kale expressed their inability to attend the meeting. They have communicated their inability via email to the competent authority through proper channel.
2. The minutes of the previous BOS meeting held on 22/02/2024 were read out and confirmed by the members present.
3. All the departments submitted the students and examiners feedback. Most of the departments had a satisfactory examiners feedback.
4. The panel of examiners shall be updated as per the guidelines of the examination section of KAHER and submitted within after this BOS meet. It was informed to all the members to update the examiners list as per the google form created by the examination section

Ref. No. KAHER/MF-2/24-25/D-04052404

2nd May, 2024

To

The Members,
Academic Council,
KAHER.
Belagavi.

Dear Sir / Madam,

Sub: Minutes of the 55th meeting of the Academic Council of the KAHER, Deemed-to-be-University, Belagavi.

Kindly find enclosed the minutes of the **55th** meeting of the **Academic Council** of the KAHER, Deemed-to-be-University, Belagavi held on **26th March, 2024.**

We request you to kindly go through the same and inform the undersigned regarding modifications/corrections, if any, to be made in the same, within two weeks from the date of this letter. If no communication is received from your end, it will be presumed that you have approved the same.

Thanking you,

With kind regards,

Yours faithfully,

Prof. Dr. M.S. GANACHARI
Registrar

Encl: As above.

- CC to: 1. The PA to Hon. Chancellor, KAHER, Belagavi.
2. The Special Officer to Hon. Vice-Chancellor, KAHER, Belagavi

KLE ACADEMY OF HIGHER EDUCATION AND RESEARCH

(Deemed-to-be-University established u/s 3 & 12B of the UGC Act, 1956)

Accredited A⁺ Grade by NAAC (3rd Cycle)

Placed in Category A by MoE (GoI)

***PROCEEDINGS OF THE 55th MEETING OF THE ACADEMIC COUNCIL HELD
IN THE ACADEMIC COUNCIL HALL OF THE KAHER ON 26-03-2024***

MEMBERS PRESENT:

(As per the Attendance Sheet)

Dr. M.S.Ganachari, Registrar and Member-Secretary welcomed the distinguished members and informed that the external members Dr. Sharath Kumar Rao K, Dr. Alladi Mohan, Dr. (Mrs.) Anura Bale and Dr. Shohan Chitlange have joined the meeting On-line. He informed that some of the members have sought leave of absence due to prescheduled engagements and the same was approved.

Dr. M.S.Ganachari informed about the sad demise of Dr. B. S. Kodkany, Former Professor of OBG and Former Director of KAHER Research Foundation on 22nd February 2024. He informed that he has rendered 60 years of selfless services to KLE, he was an inspiring Educator, Emeritus Professor, Teacher of Teachers, a great researcher and a distinguished academician with many awards of national and international repute including Dr. B. C. Roy award. The Members of the Academic Council observed one-minute silence as a mark of respect to the departed soul.

He requested the Chairman to chair and conduct the meeting as per the Agenda.

Hon. Vice-Chancellor welcomed and thanked the distinguished members for attending the meeting. He informed that Academic Council meeting was earlier scheduled on 21st March 2024. But as the UGC had called urgent meeting at New Delhi on 20-03-2024 to make presentation with regard to implementation of UGC Institutions Deemed-to-be-Universities Regulations, 2023 and NEP Policy-2020, the aforesaid meeting was rescheduled on 26th March 2024.

- The KAHER has appointed various statutory posts viz., Registrar, Deputy Registrars, Joint Controller of Examinations, Administrator and General Manager (KIIC). The services of the Finance Officer have been extended for one more year w.e.f. 1st January 2024. Dr. Pramod H. has been redesignated as Special Officer to Vice-Chancellor in cadre of Deputy Registrar.
- The KAHER has been recognized as Scientific and Industrial Research Organisation (SIRO) by Ministry of Science and Technology, Government of India on 4th December 2023. The institution can now avail custom duty exemption on the equipments procured for research activities.

- Dr. Richard Derman, Associate Provost for Global Affairs, Director of Global Health Researcher & Professor of OBG, Thomas Jefferson University, Philadelphia, USA is being conferred with Honorary Doctorate (D.Sc.) (Honoris Causa) by KAHER and the same will be awarded in the forthcoming 14th Convocation of KAHER.
- The KAHER has established the Department of Evidence Based Health Sciences and Dr. Mubhashir Angolkar, Professor & Head of Department of Public Health has been nominated as In-charge for the aforesaid department w.e.f. 1st March 2024. Hon. Vice-Chancellor requested Dr. Mubhashir Angolkar to brief about the same.

Dr. Mubhashir Angolkar briefed about the establishment of the Department of Evidence Based Health Sciences and its long term and short term strategies that have been made. She informed that Hon. Vice-Chancellor has set a task of publishing 50 research papers per institute per year. For short term, it is decided to buy nested knowledge paid software and appoint four full-time staff which include two statisticians. These staff members will dedicatedly work towards writing research papers with all the constituent units. There will be KAHER Core Committee in which faculty from each constituent unit will be nominated as a Member, in turn a similar Committee at College level is to be constituted by the respective Principals.

She informed that the long term plan is to focus on training all staff members of constituent units in conducting systematic reviews. She informed that a network is being established with the Faculty from PGI Chandigarh, AFMC, Umea University and Thomas Jefferson University. India Cochrane is also collaborating with us for capacity building and hand holding activities for systematic reviews. In addition, mining of the hospital data for publications will also be undertaken. 15 faculty members of JNMC and KLE Homoeopathic Medical College and Ph.D. Scholars of KAHER are already getting trained with Umea University, Sweden for 'R' analysis and three students on qualitative research. These workshops will be repeatedly conducted to train more number of staff.

- Hon. Vice-Chancellor informed that KAHER has established Department of Digital Health and we plan to start Health Information Management Course. This course will be introduced from the academic year 2024-25. This is very unique course and run by only few institutions across the country and the people work

on digitalized health data. This course will be under Allied Health Sciences, and will be conducted in collaboration with Department of Master of Public Health and Master of Hospital Administration.

The Agenda was taken up for discussion and consideration:

AC/LV-01/24 Confirmation of the minutes of the 54th meeting of the Academic Council of KAHER held on 24th November 2023

- **Confirmed.**

AC/LV-02/24 Action taken on various decisions of the 54th meeting of the Academic Council of KAHER held on 24th November 2023

- **Noted and taken on records.**

AC/LV-03/24 **Agenda for ratification:**

Ratification of the action taken by the competent authority of the Deemed-to-be-University with regard to award of Doctor of Philosophy (Ph.D.) Degree for the period from 24th November 2023 to 25th March 2024.

The Academic Council considered the proposal for ratification of the action taken by the competent authority of the Deemed-to-be-University with regard to award of Doctor of Philosophy (Ph.D.) Degree for the period from 24th November 2023 to 25th March 2024, as detailed in the Agenda.

Resolution:

Resolved to ratify the action taken by the competent authority of the Deemed-to-be-University with regard to award of Doctor of Philosophy (Ph.D.) Degree for the period from 24th November 2023 to 25th March 2024, as detailed in the Agenda.

Ratification of action taken for revision of curriculum for M.Sc. (Nutrition).

The Dean, Faculty of Medicine made presentation with regard to revision in the course curriculum of M.Sc. (Nutrition). In order to increase the number of practical teaching and include some topics in the 4th semester which will help in specialization – eg. Sports Nutrition, Paediatric Nutrition, Geriatric Nutrition, etc. The same was discussed and recommended in the Faculty of Medicine meeting held on 1st March, 2024.

Resolution:

Resolved to ratify the action taken by the competent authority for revision in the course curriculum of M.Sc. (Nutrition). The same will be applicable to the students admitted from the academic year 2023-24.

Ratification of the action taken by the competent authority for conferment of Honorary Doctorate (D.Sc.) (Honoris Causa) to Dr. Richard Derman, Associate Provost for Global Affairs, Director of Global Health Research and Professor of Obstetrics and Gynecology, Thomas Jefferson University, Philadelphia, USA.

The Academic Council considered the proposal for ratification of the action taken by the competent authority for conferment of Honorary Doctorate (D.Sc.) (Honoris Causa) to Dr. Richard Derman, Associate Provost for Global Affairs, Director of Global Health Research and Professor of Obstetrics and Gynecology, Thomas Jefferson University, Philadelphia, USA, as detailed in the Agenda.

Resolution:

Resolved to ratify the action taken by the competent authority for conferment of Honorary Doctorate (D.Sc.) (Honoris Causa) to Dr. Richard Derman, Associate Provost for Global Affairs, Director of Global Health Research and Professor of Obstetrics and Gynaecology, Thomas Jefferson University, Philadelphia, USA, in the forthcoming 14th Convocation of KAHER, as detailed in the Agenda. The Academic Council noted that the aforesaid proposal has been approved by the members of the Board of Management through circulation.

AC/LV-04/24

Agenda for information:

Reporting of appointments of:

- Registrar
- Joint Controller of Examinations
- Deputy Registrars
- Administrator
- General Manager-KIIC.

Dr. M.S. Ganachari, Registrar made presentation with regard to appointments of:

- Registrar
- Joint Controller of Examinations
- Deputy Registrars
- Administrator
- General Manager-KIIC.

Resolution:

Resolved to take note of the same.

Reporting of the important events and activities conducted by KAHER for the period from 25th November 2023 to 25th March 2024.

Dr. M.S.Ganachari, Registrar made presentation with regard to the important events and activities conducted by KAHER for the period from 25th November 2023 to 25th March 2024.

Resolution:

Resolved to take note of the same.

Reporting of establishment and inauguration of KAHER's Incubation and Innovation Centre, based on the guidelines issued by UGC.

Dr. M.S.Ganachari, Registrar made presentation with regard to establishment and inauguration of KAHER's Incubation and Innovation Centre (KIIC). He informed that a Press Meet was organized for the same. The KIIC will closely collaborate with Institutions of global repute to develop indigenous medical devices and technologies. The Center also endeavors to collaborate with leading incubators in the country such as SIIC, IIT-Kanpur and others to create a thriving environment for start-ups leveraging on joint strengths of the center and such incubators. Shri. Ritesh Deshpande has been appointed as General Manager for the KIIC and has assumed charge.

Resolution:

Resolved to take note of the same.

Renaming of KAHER Research Foundation as **KLE Dr. B.S. Kodkany Memorial Research Foundation.**

Dr. M.S.Ganachari, Registrar made presentation with regard to renaming of KAHER Research Foundation as **KLE Dr.B.S.Kodkany Memorial Research Foundation.**

Resolution:

Resolved to approve change renaming KAHER Research Foundation to **KLE Dr. B. S. Kodkany Memorial Research Foundation** in recognition of his significant contribution to the field of teaching and research not only nationally but also internationally **w.e.f. 1st April 2024.**

AC/LV-05/24

Consideration of approval of starting of new academic programs / courses / curriculum:

Faculty of Medicine:

- Consideration for starting of MD (Radiation Oncology)

Dr. Rajesh Powar, officiating Principal on behalf of Dean, Faculty of Medicine made presentation with regard to approval of starting of MD (Radiation Oncology) at J.N.Medical College, Belagavi. He informed that the required facilities in terms of patient IPD, equipments and human resource are available.

The same was discussed and approved in the Faculty of Medicine Meeting held on 1st March 2024 and recommended for the same.

Resolution:

Resolved to approve starting of MD (Radiation Oncology) course for the academic year 2024-2025 at J.N.Medical College, Belagavi with annual intake of 03 students, subject to approval of NMC.

AC/LV-05/24

Consideration of approval of starting of new academic programs / courses / curriculum:

Faculty of Ayurveda:

- Consideration for starting of new PG course in the subject of Shareera Rachana from the academic year 2025-2026

Dr. P. G. Jadar, Dean, Faculty of Ayurveda made presentation with regard to approval of starting of PG course in the subject of Shareera Rachana. He informed that the Department of Shareera Rachana has infrastructure and teaching faculty and only a few of the colleges are running this course in Karnataka. Hence, there is a need to start the aforesaid PG Course in the Shareera Rachana.

The same was discussed and approved in the Faculty of Ayurveda Meeting held on 5th March 2024 and recommended for the same.

Resolution:

Resolved to approve starting of PG course in the subject of Shareera Rachana [MD-Shareera Rachana] from the academic year 2025-2026 with annual intake of 06 students subject to approval of NCISM.

AC/LV-06/24 Consideration of revision of curriculum of the following courses:

Faculty of Medicine:

- Consideration of revision of Curriculum for the 2nd Professional year of MBBS Curriculum as per the NMC guidelines 2023-24.
- Consideration of revision of Curriculum for the Post-graduate subjects as per the new PGMER 2023 NMC Guidelines 2023-24.

Dr. Rajesh Powar, officiating Principal on behalf of Dean, Faculty of Medicine made presentation with regard to the revision of curriculum of the following:

- **Consideration of revision of Curriculum for the 2nd Professional year of MBBS Curriculum as per the NMC guidelines 2023-24.**

He informed that as per NMC Revised Guidelines issued on 1st August 2023, there have been major changes in CBME UG Curriculum in the subjects of Pathology, Microbiology, Pharmacology and Forensic Medicine. The changes have been mainly in the number of teaching hours for theory and practicals. The departments have presented the changes recommended by NMC and decided to implement for 2023 batch onwards.

- **Consideration of revision of Curriculum for the Post-graduate subjects as per the new PGMER -2023, NMC Guidelines 2023-24.**

He informed that there have been major changes in CBME PG Curriculum viz., changes in teaching and training program, course in research methodology, ethics, course in ACLS and BLCS for eligibility and in assessment methods including implementation of e-logbook and OSCE / OSPE for summative examination. The departments have decided to implement the changes from 2023 batch onwards.

The same was discussed and approved in the Faculty of Medicine Meeting held on 1st March 2024 and recommended for the same.

Resolution:

Resolved to approve the revision of Curriculum of the following courses as per NMC guidelines:

- Resolved to approve revision in the curriculum for the 2nd Professional year of MBBS Curriculum as per the NMC guidelines 2023-24.
- Resolved to approve revision in the curriculum for the Post-graduate subjects as per the new PGMER 2023 NMC as per the NMC guidelines 2023-24.

Hon. Vice-Chancellor informed that it has been made mandatory for all Post-graduate students to publish one research article during the entire course before they appear for the final examination. Hon.Vice-Chancellor suggested Dr. S.S.Goudar, Director-Research to constitute a Committee with senior faculty members to discuss and recommend the pattern of marks to be allotted under 'Research'.

AC/LV-06/24

Consideration of revision of Curriculum of the following courses:

Faculty of Ayurveda:

- Consideration of revision of Curriculum of BHMS course as per the amendments by National Commission for Homoeopathy (NCH) to CBDC – Competency Based Dynamic Curriculum from the academic year 2022-23

Dr. P. G. Jadar, Dean, Faculty of Ayurveda made presentation with regard to the revision of curriculum of BHMS course as per the amendments by National Commission for Homoeopathy (NCH) to CBDC – Competency Based Dynamic Curriculum from the academic year 2022-23.

The same was discussed and approved in the Faculty of Ayurveda Meeting held on 1st March 2024 and recommended for the same.

Resolution:

Resolved to approve the revision of Curriculum of BHMS course as per NCH guidelines. The same shall be applicable to the students admitted / to be admitted from the academic year 2022-23.

AC/LV-06/24

Consideration of revision of Curriculum of the following courses:

Faculty of Interdisciplinary Studies:

- Consideration of revision of Curricula of all the M.Sc courses as per Choice Based Credit System (CBCS)
 - M. Sc. Anatomy (Medical)
 - M. Sc. Physiology (Medical)
 - M.Sc. Biochemistry (Medical)
 - M. Sc. Microbiology (Medical)
 - M. Sc. Echocardiography
 - M. Sc. Perfusion Technology
 - M. Sc. Biotechnology

Dr. R. B. Nerli, Dean, Faculty of Interdisciplinary Science and Allied made presentation with regard to the revision of curriculum by implementing Choice Based Credit System (CBCS) for the M. Sc. Allied Programs in order to provide wider options and seamless mobility across the students, from the academic year 2024-25 as per the guidelines issued by UGC and MoE (MHRD).

The same was discussed and approved in the Faculty of Interdisciplinary Science and Allied Meeting held on 7th March 2024 and recommended for the same.

Resolution:

Resolved to approve revision in the course curricula of M.Sc. Allied Courses / Programs from the academic year 2024-25 so as to meet the requirements of CBCS:

- M. Sc. Anatomy (Medical)
- M. Sc. Physiology (Medical)
- M.Sc. Biochemistry (Medical)
- M. Sc. Microbiology (Medical)
- M. Sc. Echocardiography
- M. Sc. Perfusion Technology
- M. Sc. Biotechnology

AC/LV-06/24

Consideration of revision of Curriculum of the following courses:

Faculty of Nursing Sciences:

- Consideration of revision of curriculum for B. Sc. Nursing (1st to 5th Semester)
- Consideration of revision of curriculum for Nurse Practitioner in Critical Care Post-graduate Residency Program (NPCC)

Dr. Preeti Bhupalli, Dean, Faculty of Nursing made presentation with regard to the following:

- Revision in the curriculum of B.Sc. Nursing (1st to 5th) in the subjects of Applied Anatomy, Applied Physiology, Applied Sociology, Adult Health Nursing-II, Community Health Nursing -I and Child Health Nursing-I.
- Revision of curriculum of NPCC course by adding content to the existing syllabus for 1st year viz. Research application and evidence based practice in critical care, advanced Pathophysiology applied to Critical Care Nursing-I, Advanced pathophysiology applied to Critical Care Nursing - II.

The same was discussed and approved in the Board of Studies for Nursing Science subjects (UG & PG) (FoNs) meeting held on 21st February 2024 and recommended for the same.

Resolution:

Resolved to approve revision in the course curricula of:

- a) B.Sc. (Nursing) (1st to 5th Semester)
- b) Nurse Practitioner in Critical Care Post-graduate Residency Program (NPCC)

The same shall be applicable to the students admitted / to be admitted from the academic year 2024-25.

AC/LV-07/24

Consideration for Approval of New Value Added Courses:

Faculty of Medicine:

- Beyond the Books: Essential Life Skills for Medical Students.
- Good Laboratory Practices for Medical Undergraduate (JJMMMC, Hubballi)
- Legal aspects of safe practice in current scenario (JJMMMC, Hubballi)
- Biomedical Communication.
- Research Methodology.
- Management of Health & Wealth for budding Doctors.
- Medicolegal aspects of Obstetrics & Gynaecology .
- Art of Insulin Therapy.
- Strike out stroke

Dr. Rajesh Powar, officiating Principal on behalf of Dean, Faculty of Medicine made presentation with regard to approval of New Value Added Courses, based on the recommendations of the Faculty of Medicine meeting held on 01-03-2024.

Resolution:

Resolved to approve starting of the aforesaid value added courses from the academic year 2024-25.

AC/LV-07/24

Consideration for approval of multi-disciplinary pain science in clinical practice a new Value Added Course by KLE College of Physiotherapy under the Faculty of Physiotherapy.

Dr. Deepa Metgud, Dean, Faculty of Physiotherapy made presentation with regard to approval of the **Multi-disciplinary pain science in clinical practice**, a new Value Added Course by KLE College of Physiotherapy, Hubballi under the Faculty of Physiotherapy, based on the recommendations of BoS for Physiotherapy Subjects (UG&PG) meeting held on 21-02-2024 and to meet the requirements of NAAC.

Resolution:

Resolved to approve starting the **multi-disciplinary pain science in clinical practice**, a new Value Added Course by KLE College of Physiotherapy under the Faculty of Physiotherapy, Hubballi from the academic year 2024-25.

AC/LV-08/24

Dual Degree program viz. MDS along-with Ph.D. in the respective streams of Dentistry.

The Dean, Faculty of Dentistry presented a proposal for starting of Dual Degree program viz. MDS along-with Ph.D. in the respective streams of Dentistry.

Resolution:

Resolved to not consider the proposal as it does not satisfy the norms of UGC (Minimum Standards and Procedures for Award of Ph.D. Degree) Regulations, 2022.

AC/LV-09/24

To provide transcript to the students for completing Value Added Courses.

Dr. M. S. Ganachari, Registrar informed that the KAHER intends to issue transcript for the Value Added Courses (VAC), NSS activities, constitution of India and Environment Sciences to the students. He informed that at present, the Marks Card issued by the University does not include the value added courses, extra-curricular and co-curricular activities.

In response to the same, Hon. Vice-Chancellor suggested the following:

- The students may be issued transcript including VAC, NSS, Constitution of India and Environmental Sciences, which can add credits to their academics, if they apply for employment / higher studies anywhere abroad.
- The transcript can only be issued by University not at College level.

- Respective colleges can provide the information and forward the application of the students to the University for issue of transcript.
- Necessary charges may be collected for the issue of transcript.
- Testimonials can be issued at respective colleges, if requested by the students.

The distinguished member Dr. B.V. Sreenivas Murthy suggested that it is a good practice to issue transcript having extra-curricular, co-curricular activities and soft skills including Research if any done by the students along with the consolidated marks of the course / program. It will add credits to their academics if they apply abroad.

The distinguished member Dr. Anura P. Bale informed that NCISM has provided guidelines for the curriculum transcript. They have given the format for official transcript certificate including electives which shall be submitted.

Resolution:

Resolved to approve issue of transcript to the students. Hon. Vice-Chancellor suggested that a Committee to be constituted in this regard so as to discuss the modalities for designing the format, guidelines for transcripts and the charges to be collected.

AC/LV-10/24 Consideration of change in nomenclature of the following programs from the academic year 2024-25:

Faculty of Interdisciplinary Science:

Sl.No.	Existing program name	Changes suggested
01.	B.Sc Radiography	B.Sc Medical Imaging Technology
02.	B.Sc Anaesthesia Technology	B.Sc Operation Theatre and Anaesthesia Technology

The Academic Council considered the proposal for change in nomenclature of the following programs from the academic year 2024-25:

Sl.No.	Existing program name	Changes suggested
01.	B.Sc Radiography	B.Sc Medical Imaging Technology
02.	B.Sc Anaesthesia Technology	B.Sc Operation Theatre and Anaesthesia Technology

Resolution:

Resolved to approve change in the nomenclature of the aforesaid programs from the academic year 2024-25.

AC/LV-11/24

Consideration of starting of admissions through lateral entry for the following programs from the academic year 2024-25:

1. B.Sc Medical Imaging Technology
2. B.Sc Operation Theatre and Anaesthesia Technology

The Dean, Faculty of Inter-disciplinary Science made presentation with regard to admission through lateral entry for the following programs from the academic year 2024-25 after taking into consideration the change in the nomenclature of the aforesaid courses as per the previous Item of the Agenda, based on the recommendations of the Faculty of Inter-disciplinary Science and Allied meeting held on 07-03-2024:

1. B.Sc Medical Imaging Technology
2. B.Sc Operation Theatre and Anaesthesia Technology

Resolution:

Resolved to approve admission of students through lateral entry for the following programs from the academic year 2024-25:

1. B.Sc. Medical Imaging Technology
2. B.Sc. Operation Theatre and Anaesthesia Technology

AC/LV-12/24

Consideration of discontinuation of following programs:

1. Certificate Course in Bioethics.
2. Certificate Course in Health Economics.

The Dean, Faculty of Medicine made presentation with regard to discontinuation of following programs as there are no takers for the aforesaid courses, based on the recommendations of the Faculty of Medicine meeting held on 01-03-2024:

1. Certificate Course in Bioethics.
2. Certificate Course in Health Economics.

Resolution:

Resolved to approve discontinuation of the aforesaid courses from the academic year 2024-25.

AC/LV-13/24

Consideration of seat enhancement of PG in the subject of Dravyaguna with an intake from 5 to 6 seats.

The Dean, Faculty of Ayurveda made presentation with regard to seat enhancement of PG in the subject of Dravyaguna with an intake from 5 to 6 seats, based on the recommendations of the Faculty of Ayurveda meeting held on 05-03-2024 and availability of the required infrastructure both in terms of human resource and equipments.

Resolution:

AC/LVII-04/24

Agenda for information:

- **Reporting of the important events and activities conducted by KAHER for the period from 27th May to 17th October, 2024.**

Dr. M.S. Ganachari, Registrar made presentation with regard to the important events and activities conducted by KAHER for the period from 27th May to 17th October, 2024. He reported on the new appointments of Deans, BoS Chairpersons and Teaching faculties at KAHER and its constituent units. He reported on the work done for compliance of UGC initiatives like UTSAH Portal (Undertaking Transformative Strategies and Actions in Higher Education), NEP SAARTHI (Student Ambassador for Academic Reforms in Transforming Higher Education in India) etc., He informed that KAHER has been graded A++ and has been placed in 'Platinum Band' by Green Rankings 2024 for the 3rd consecutive year in pursuit of excellence towards practicing sustainable education. He reported the Re-accreditation of Ethics Committee of KAHER for 3rd Cycle by NABH and also the Accreditation of Dr. S. G. Desai Central Library of KAHER with ISO 9001:2015 and establishment of AIU Academic and Administrative Development Centre (AADDC) at KAHER. The KLE JNMC campus has been awarded Certificate by the City Corporation, Belagavi for the successful conduct of campaign under the theme "Swabhav Swachhata Sanskaar Swachhata" from 17th September to 2nd October 2024. He reported that Dr. Richard Derman, Associate Provost for Global Affairs, Director of Global Health Research and Professor of Obstetrics and Gynaecology, Thomas Jefferson University, Philadelphia, USA has been conferred with Honorary Degree of Doctor of Science. The Registrar mentioned about the collaboration with Business Promotion Start - up Incubation and Innovation Centre, IIT, Kanpur from June 2024. Fifth Kannada Vaidya Barahagaarara Rajya Sammelana (5th Kannada Medical Writers State Conference) organised by KAHER's Kannada Balaga on 24th & 25th August 2024. He reported on the conduct of MEDTECH HACKATHON by KAHER Incubation & Innovation Centre 30th August 2024. KAHER has signed MOU with Indian Institute of Technology (IIT), Dharwad on 3rd July 2024 and with Central Council for Research in Homoeopathy (CCRH) Ministry of AYUSH, Government of India New Delhi on 3rd July 2024. KLE Shri BMK Ayurveda has signed MoU with Southern California University, CA, USA on 5th September 2024.

Resolution:

Resolved to take note of the same.

- **Reporting of admission process initiated for Doctor of Philosophy (Ph.D) Program for the academic year 2024-25.**

Director, Academic Affairs made presentation on the admission process initiated for Doctor of Philosophy (Ph.D) Program for the academic year 2024-25

Resolution:

Resolved to take note of the same.

- **Revision of the curriculum of the following courses under the Faculty of Pharmacy:**

- B.Pharm.
- M.Pharm.
- D.Pharm.
- Pharm.D.

Faculty of Ayurveda:

- Third Professional BAMS

Faculty of Nursing:

- B.Sc. Nursing curriculum as per revised INC guidelines

Faculty of Physiotherapy, Occupational Therapy, Prosthetics & Orthotics :

- Master of Physiotherapy (MPT)

The Director, Academic Affairs made presentation and sought approval for revision of the curricula of the aforesaid courses during the year 2025-26. These course curricula were actually due for revision in 2024-25, but as the above Councils are coming up with the revised guidelines in the year 2025, the respective Board of Studies proposed to consider the council guidelines during next curricular revisions.

Resolution:

Resolved to approve the same.

Agenda for Consideration:

AC/LVII-05/24

Consideration of approval for starting of new academic programs / courses / curriculum.

Faculty of Medicine:

- M.Ch. Reproductive Surgery and Medicine
- DM Paediatric Nephrology
- DM Paediatric Cardiology

Faculty of Inter-disciplinary Science:

- B.Sc. in Health Information Management

Faculty of Homoeopathy:

- Post-Graduate courses in Homoeopathy subjects

The following Deans of concerned Faculties made presentations with regard to starting of new academic programs / courses / curricula as per scope and demand. The same was discussed and approved in the respective faculty meetings

Resolution:

Resolved to approve starting of the aforesaid courses along with their respective course curricula from the academic year 2025-26 onwards, after seeking necessary approval from respective Governing Councils.

AC/LVII-06/24

Consideration of revision of course curricula of the following courses:

Faculty of Medicine:

1. First Professional Year of MBBS CBME Curriculum as per the NMC Guidelines 2024.
2. Final Professional Year of MBBS (Part I & II) CBME Curriculum as per the NMC Guidelines 2023.
3. B.Sc Operation Theatre and Anaesthesia Technology as per the changed nomenclature.
4. Bachelor of Public Health.

Fellowship Courses:

5. Cleft and Craniofacial Surgery
6. Micro Ear Surgery
7. Non-invasive Cardiology
8. Vitreoretinal Surgery
9. Head and Neck Surgical Oncology

Faculty of Dentistry:

10. Bachelor of Dental Surgery (BDS)
11. Master of Dental Surgery (MDS)

Faculty of Interdisciplinary Science as per NEP:

12. B.Sc Hotel Management and Catering Technology
13. B.Sc Nutrition & Dietetics
14. M.Sc Nutrition & Dietetics
15. B.Sc Biostatistics

Faculty of Physiotherapy:

16. Bachelor of Prosthetics & Orthotics.

Faculty of Homoeopathy:

17. Revised Competency Based Dynamic Curriculum (CBDC) for 2nd BHMS Course

The Deans of concerned Faculties made detailed presentation with respect to revision of aforesaid curricula based on the guidelines laid down by the respective governing councils

and National Education Policy 2020 including multiple entry / exit. The same was discussed and approved in the concerned Faculty meetings.

Resolution:

Resolved to approve revision in the course curricula of the following courses from the academic year as indicated against the courses listed below.

Faculty of Medicine:

01. First Professional Year of MBBS CBME Curriculum as per the NMC Guidelines 2024; from 2024 admission batch onwards.
02. Final Professional Year of MBBS (Part I & II) CBME Curriculum as per the NMC Guidelines 2023; from 2023 admission batch onwards.
03. B.Sc Operation Theatre and Anaesthesia Technology from the academic year 2024-25 onwards as per the changed nomenclature.
04. Bachelor of Public Health; from the academic year 2024-25 onwards.

Fellowship Courses –

- | | |
|-------------------------------------|---|
| 05. Cleft and Craniofacial Surgery | } from the academic year
2024-25 onwards |
| 06. Micro Ear Surgery | |
| 07. Non-invasive Cardiology | |

| 13. B.Sc Nutrition & Dietetics | |
| 14. M.Sc Nutrition & Dietetics | |
| 15. B.Sc Biostatistics | |

Faculty of Physiotherapy:

16. Bachelor of Prosthetics & Orthotics ; from the academic
year 2025-26 onwards

Faculty of Homoeopathy:

17. Revised Competency Based Dynamic Curriculum (CBDC)
for 2nd BHMS Course ; from academic year 2022-23 onwards

The Dean, Faculty of Medicine made presentation with regard to approval of new Value-Added Courses for Under-Graduate and Post-Graduate (UG & PG) students.

The same was discussed and approved in the Faculty of Medicine Meeting held on 8th October, 2024.

Resolution:

Resolved to approve starting of the aforesaid courses from the academic year 2025-26 onwards.

AC/LVII-07/24 Consideration of approval of new Value Added Courses:

Faculty of Medicine:

- Early orientation of MBBS Undergraduate students to minimally invasive surgical techniques, for integrating clinically relevant Anatomy with conventional gross Anatomy.
- Physiological Intercepts of Yoga.
- Role of consent in Medical Practice.
- Research Primer – Essentials of protocol development and analysis.
- Medical Law and Communication Skills.

The Dean, Faculty of Medicine made presentation with regard to approval of new Value-Added Courses for Under-Graduate and Post-Graduate (UG & PG) students.

The same was discussed and approved in the Faculty of Medicine Meeting held on 8th October, 2024.

Resolution:

Resolved to approve starting of the aforesaid courses from the academic year 2025-26 onwards

AC/LVII-08/24 Consideration of approval for discontinuation of Value Added Courses:

Faculty of Medicine:

- Management of Health and Wealth for Budding Doctors.

Faculty of Dentistry:

- Extra Oral Radiographic Techniques

Faculty of Ayurveda:

- Samsiddha level 4
- Medical Tourism
- Medical Ethics

CBCS Courses:

- Marma Chikitsa
- Integrated Pain Management
- Ayurvedic Cosmetology and Cosmetics
- Physiotherapy
- Ayurvedic Dentistry

The respective Deans made presentations with regards to discontinuation of some Value Added Courses and CBCS courses as many of these topics are being part of respective course curricula. The same was presented and approved in the concerned Faculty meetings.

Resolution:

Resolved to approve discontinuation of the following UG & PG Value Added and CBCC Courses from the academic year 2024-25 onwards.

Faculty of Medicine:

- Management of Health and Wealth for Budding Doctors.

Faculty of Dentistry:

- Extra Oral Radiographic Techniques

Faculty of Ayurveda:

Value Added Courses:

- Samsiddha level 4
- Medical Tourism
- Medical Ethics

CBCC courses:

- Marma Chikitsa
- Integrated Pain Management
- Ayurvedic Cosmetology and Cosmetics
- Physiotherapy
- Ayurvedic Dentistry

AC/LV II-09/24

Consideration of approval of new courses under SWAYAM portal for UG courses:

Faculty of Medicine:

- Developing Soft Skills and Personality
- Body Language: Key to Professional Success
- Yoga and Positive Psychology for Managing Career and Life
- Adolescent Health and Well-being: A Holistic Approach
- Fundamentals of Artificial Intelligence
- Basics of Health Promotion and Education Intervention
- Moral Thinking: An introduction to Values and Ethics

Faculty of Ayurveda:

- Stress Management

Faculty of Physiotherapy:

- Adolescent Health a well-being: A Holistic Approach
- Introduction to Exercise Physiology and Sports Performance.

Faculty of Nursing:

- Stress Management

The respective Deans of Faculties made the presentations with regards to introduction of courses under SWAYAM portal into undergraduate course curricula. The same was discussed and approved in the respective BoS / Faculty meetings.

Resolution:

Resolved to approve introduction of new courses under SWAYAM portal into Undergraduate courses from the academic year 2024-25 onwards.

AC/LVII-10/24

Consideration of approval of new courses under SWAYAM portal for PG courses:

- Basic course in Bio-medical Research
- Health Research Fundamentals (HRF)

The Director, Academic Affairs made presentation with regards to introduction of Basic course in Biomedical Research (BCBR) / Health Research Fundamentals (HRF) into all the post-graduate courses under various faculties. She mentioned that, presently Basic course in Bio-medical Research course in made mandatory for all the medical

post-graduates as per NMC guidelines. The same was discussed and approved in all the other faculties (Dentistry, Ayurveda, Pharmacy, Nursing and Physiotherapy) meetings.

Resolution:

Resolved to approve introduction of Basic course in Biomedical Research (BCBR) / Health Research Fundamentals (HRF) as it is mandatory for the post-graduate courses of Dental, Ayurveda, Pharmacy, Physiotherapy and Nursing courses from the academic year 2024-25 onwards.

AC/LVII-11/24

Consideration of discontinuation of following programs / courses:

Faculty of Medicine:

- M.Sc. Echocardiography (Perfusion Technology & Cardiac Anaesthesia) – Three year program
- Bachelor of Public Health (Honors).

The Dean, Faculty of Medicine made presentation with respect to the three year program started by the University at a time when there were no enough applications for the regular two year program from B.Sc Cardiac Care Technology degree holders. But for over last five years there is a huge demand for the regular two year program with B.Sc Cardiac Care Technology and hence the three year program (eligibility; B.Sc Perfusion Technology and Cardiac Anaesthesia) has been placed for discontinuation.

Resolution:

Resolved to discontinue three year M.Sc Echocardiography program since there is a huge demand for the regular two year M.Sc Echocardiography and Bachelor of Public Health (Honors) program with B.Sc Cardiac Care Technology from the academic year 2025-26 onwards.

However, it was suggested by Hon. Vice-Chancellor to propose a new course in place of Bachelor of Public Health (Honours) as per guidelines of NEP, 2020.

AC/LVII-12/24

Consideration of change in the nomenclature:

Faculty of Medicine:

- B.Sc. Biostatistics and Population Science to B.Sc. Biostatistics and Demography course from the academic year 2024-25

Faculty of Ayurveda:

- Diploma in Ayurveda Pharmacy to Diploma in Pharmacy – Ayurveda course from the academic year 2024-25

The respective Deans of Faculties made presentation as regards to change in the nomenclature. Due to the decline in the admissions in past few years for B.Sc Biostatistics in Population Sciences, it was discussed to change its nomenclature to B.Sc. Biostatistics and Demography, which is expected to widen the scope for Public Health / MPH students / Demographers.

In accordance with the Gazette dated: 29-04-2024 D.Pharm regulations, the proposal was presented for change of nomenclature from Diploma in Ayurveda– Pharmacy course to Diploma in Pharmacy – Ayurveda. The matter was discussed and approved in the respective Faculty meetings. In this context, Hon. Vice-Chancellor suggested to start a new course in B.Sc in Life Sciences.

Resolution:

Resolved to approve change in the nomenclature of B.Sc. Biostatistics and Population Science to 'B.Sc. Biostatistics and Demography' course from the academic year 2024-25 onwards and Diploma in Ayurveda Pharmacy to Diploma in Pharmacy – Ayurveda course from the academic year 2024-25 onwards.

AC/LVII-13/24

Consideration of starting of the following Dual Degree programs:

- Bachelor of Public Health and B.Sc. Biostatistics
- Bachelor of Public Health and B.Sc. Health Informatics

The Dean, Faculty of Medicine made presentation with regards to starting of Dual Degree programs, as per NEP 2020 requirements. The students admitted to BPH program will be allowed to pursue B.Sc in Biostatistics or B.Sc in Health Informatics in order to get Dual Degree. The matter was discussed and approved in the Faculty of Medicine meeting.

Resolution:

Resolved to approve starting of the following Dual Degree programs from the academic year 2025-26 onwards.

1. Bachelor of Public Health and B.Sc. Biostatistics and
2. Bachelor of Public Health and B.Sc. Health Informatics

AC/LVII-14/24 Consideration of revision in the eligibility criteria of Bachelor of Public Health (Lateral Entry)

The Dean, Faculty of Medicine made presentation as the revision of eligibility criteria for Bachelor of Public Health (Lateral Entry), the student who completes an UG Diploma in Life Sciences, are eligible for admission to BPH through Lateral Entry. The matter was discussed and approved in the Faculty of Medicine meeting.

Resolution:

Resolved to approve the revision in the eligibility criteria of Bachelor of Public Health (Lateral Entry) from the academic year 2025-26 onwards.

AC/LVII-15/24 Consideration of Multiple Entry and Exit options for the following Programs:

Faculty of Medicine:

- Bachelor of Public Health (BPH) program.

Faculty of Interdisciplinary Science:

- B.Sc Hotel Management and Catering Technology
- B.Sc Nutrition & Dietetics
- M.Sc Nutrition & Dietetics
- B.Sc Biostatistics

The Dean, Faculty of Medicine and Dean, Faculty of Interdisciplinary Science made presentation as regards to proposal to start multiple Entry and Exit facility for Bachelor of Public Health, B.Sc Hotel Management and Catering Technology, B.Sc Nutrition & Dietetics, M.Sc Nutrition & Dietetics and B.Sc Biostatistics courses from the academic year 2025-26. [Example: Certificate will be awarded when a student exits at the end of year one (Level 5)]. The matter was discussed and approved in the respective Faculty meetings.

Resolution:

Resolved to approve the proposal for considering Multiple Entry and Exit options for Bachelor of Public Health, B.Sc Hotel Management and Catering Technology, B.Sc Nutrition & Dietetics, M.Sc Nutrition & Dietetics and B.Sc Biostatistics students from the academic year 2025-26 onwards.

AC/LVII-16/24 Consideration of revised / modified eligibility criteria for PG Allied Programs.

The Dean, Faculty of Medicine proposed revised / modified eligibility criteria with a minimum of 50% marks in aggregate at the UG Degree level to be eligible for admission to PG Allied degree programs from the academic year 2025-26 onwards. The same matter was discussed and approved in the Faculty of Medicine meeting.

Resolution:

Resolved to approve the eligibility criteria with a minimum of 50% marks in aggregate at the UG Degree level to be eligible for admission to PG Allied Degree program from the academic year 2025-26 onwards.

AC/LVII-17/24 Inclusion of Certificate Course in Indian Knowledge System (IKS) in the curriculum for various Health Science Faculties

The Director, Academic Affairs presented on the importance and incorporation of Indian Knowledge System (IKS) into the curriculum at all levels of education. Indian Knowledge System encompasses all the systematized disciplines of Knowledge which were developed to a high degree of sophistication in India from ancient times and all of the traditions and practises that the various communities of India including how the tribal communities have evolved, refined and preserved over generations.

Resolution:

Resolved to approve the same from the academic year 2025-26 onwards.

AC/LVII-18/24 Consideration of approval of starting short-term On-line Certificate Courses :

- Pharmacovigilance and Safety Monitoring
- Site Auditing in Clinical Trials
- Hospital Infection, Prevention and Control

- Mental Health Counselling
- Paediatric Palliative Care Nursing
- Clinical Midwifery Leadership
- First Aid Training for Health Professionals
- Hospital Accreditation
- Paediatric Nutrition
- Fundamentals of Biostatistics using R- Software
- SPSS Training Program for Health Care and Social Science Professionals

The Registrar made presentation and explained the importance of starting of short-term online courses to enhance the professional skills. KAHER also made mandatory for the Ph.D Research Scholars and PG Guides to enroll for the Certificate Course in SPSS Software (Statistical Package for Social Science), which helps in quantitative data analysis that assists the researchers in statistical analysis of collected data.

Resolution:

Resolved to approve the same, taking into consideration the need and importance of starting of short-term online certificate courses from the academic year 2025-26 onwards.

In this regard, Hon. Vice-Chancellor suggested to revise these syllabi once in three years.

AC/LVII-19/24

Introduction of Instantaneous Examination for BPT, BOT and BPO courses.

The Controller of Examinations made presentation as regards to introduction of instantaneous examination, which will mainly avoid having odd batches. The entire process of instantaneous examination shall be a maximum of 60 days duration from the date of result declaration of the main examination.

Resolution:

Resolved to approve the same, considering the benefits for the students admitted in the year 2024 onwards.

AC/LVII-20/24

On-line evaluation during Internship for Hotel Management and Catering Technology students:

The Dean, Faculty of Interdisciplinary Science made presentation and informed that the students who have been posted outside the

country, it would be difficult for them to give exams at the home University during their internship.

Resolution:

It was approved to conduct the examination at the end of Internship when they come back to the campus (i.e., VII & VIII semester) for those students who complete their internship within and outside the country. However such students shall be regularly submitting the course assignments. The same shall be applicable to the students admitted for the 2023 batch onwards.

AC/LVII-21/24

Consideration of approval of requirement of dissertation submission and evaluation.

The Controller of Examinations made presentation on the approval of requirement of dissertation submission and evaluation as per mandatory requirement from NMC.

Resolution:

After discussion by the members, Hon. Vice-Chancellor directed that, submission of dissertation should be done six months prior to the examination and evaluation by external examiner at the time of practical examination. The same shall be applicable with immediate effect.

AC/LVII-22/24

Consideration of approval of implementation of new NMC CBME eligibility and assessment guidelines for MBBS course.

The Controller of Examinations made presentation on implementation of new NMC CBME eligibility and assessment guidelines for MBBS course.

1. ELIGIBILITY CRITERIA:

Particular	Guidelines
Foundation Course (mandatorily)	75% attendance
Electives	75% attendance and submission of log book
AETCOM Module	75% attendance

Attendance	75% attendance in theory and 80% attendance in practical /clinical
FAP	80% attendance
Competencies	completed the required certifiable competencies for that phase of training and completed the log book appropriate for that phase of training

2. INTERNAL ASSESSMENT:

- Theory & Practical – 100 / 200* (*Med, Surg & OBG)
- Weightage – phase wise
- Log book – marks given from 10-20% in internal assessment.
- For attendance, she / he will be allowed remedial measures ONLY IF attendance is more than 60% for each component.

3. EXAMINATION PATTERN:

- MCQ – 20 questions, 1 mark each
- LAQ – 1 question, 10 marks
- SAQ – 11 questions, 5 marks (AETCOM)
- RQ – 5 questions, 3 marks
- Blueprint may be used for theory question papers.
- Practical / clinical examinations – blueprint must be used
- Senior-most internal examiner shall act as the Chairman and coordinator of the whole examination program
- Otorhinolaryngology & Ophthalmology – MBBS Phase III / part I
- Forensic Medicine and Toxicology – Practical 100 marks
- **Medicine & Surgery – Practical 100 marks**
- Medicine & allied Paper 2 – Medicine 50%, Psychiatry 25% and Dermatology 25% questions.
- Surgery & allied Paper 2 – General Surgery 40%, Orthopedics 40%, Anesthesia 10% and Radiodiagnosis 10%.

4. ATTEMPTS :

- Partial attendance in examination (only theory or only practical) in any subject shall be counted as an attempt.
- No more than four attempts shall be allowed for a candidate to pass the Phase I examination.
- The total period for successful completion of phase I course shall not exceed four years.
- A learner shall not be entitled to graduate later than ten years of her/his joining the first MBBS course (including internship).

5. SUPPLEMENTARY EXAM: within 6 - 8 weeks from the date of declaration of the results of the main examination for every professional year.

Resolution:

Resolved to approve the implementation of new NMC CBME eligibility and assessment guidelines for MBBS course. Hon. Vice-Chancellor suggested that the Principals should take an undertaking from students' stating that there will only four attempts to clear the MBBS Phase I. The supplementary exams should be conducted at 6 weeks. The same shall be applicable from 2024 admission batch onwards.

AC/LVII-23/24

Consideration of approval of merging of Non-CBME Supplementary University Examination with CBME Supplementary University Examination:

The Controller of Examinations made presentation for considering merging of Non-CBME Supplementary University Examination with CBME Supplementary University Examinations, as the number of students appearing for examination will be less than five.

Resolution:

Resolved to approve the same considering that, less than five students appearing from each phase of University Examination for Non-CBME batch. The same shall be applicable from the academic year 2024-25 onwards.

AC/LVII-24/24

Consideration of approval of Double valuation system in under-graduate examination of BHMS:

The Controller of Examinations made presentation regarding release of new National Commission for Homoeopathy Regulations-2022 for double valuation system in Under-graduate examination of BHMS.

Resolution:

Resolved to approve the same and suggested to follow the new National Commission for Homoeopathy Regulations-2022. The same shall be applicable with immediate effect.

AC/LVII-25/24

Consideration of approval to appear for practical sessional examination for D. Pharm, B. Pharm, M. Pharm. and Pharm. D courses

The Controller of Examinations made presentation and explained that for the betterment of practical Internal Assessment marks the student who is absent due to unavoidable reasons during regular practical sessional exam, then the student should be allowed to write the practical re-sessional examination. So that the re-sessional exam will be considered as sessional exam for internal assessment marks calculation.

Resolution:

Resolved to approve the same and in case the student is absent for genuine reason during regular practical sessional exam, then re-sessional exam will be considered as the sessional exam. The same shall be applicable from the academic year 2024-25 onwards.

AC/LVII-26/24

Consideration of approval of passing criteria for university examination of B. Sc, (N) CBCS Scheme students as per INC (Regulations 2022) guidelines.

The Controller of Examinations made presentation and suggested to implement the passing criteria, which will be applicable for 2022-2023 onwards admission batches for all the semester exams conducted prospectively from September-2024 onwards.

Resolution:

Resolved to approve the same and consider to implement the passing criteria as per the new Indian Nursing Council guidelines for CBCS curriculum. The same shall be applicable from the academic year 2024-25 onwards.

A/LVII-27/24

Consideration of approval of having Two sets of Examiners for B. Sc Nursing practical exams (UG) :

The Controller of Examinations made presentation requesting to approve two sets of Examiners for B. Sc Nursing practical exams (UG).

Resolution:

Resolved to approve two sets of Examiners for B. Sc Nursing practical exams. The same shall be applicable from the academic year 2024-25 onwards.

AC/LVII-28/24

Revision of criteria for Allied Examinership (UG & PG)

The Controller of Examinations made presentation and expressed about the non-availability of Examiners for the Allied courses.

- B Sc courses – M Sc qualification with one year of teaching experience.
- M Sc courses – M Sc + Ph D qualification with one year of teaching experience or M Sc qualification with 3 years of teaching experience.

Resolution:

Resolved to approve the revision of criteria for Allied Examinership (UG & PG) as per UGC guidelines. The same shall be applicable from the academic year 2024-25 onwards.

AC/LVII-29/24

Implementation of various Pedagogical Methods and Differential Learning Methods as per Binary Accreditation Manual by NAAC.

The Director, Academic Affairs made presentation as per the new Binary Accreditation Manual by NAAC wherein various Pedagogical and Differential Learning Methods for effective learning.

Resolution:

The Director, IQAC clarified that two Pedagogical Methods need to be adopted by each department and ten from each college, from the academic year 2024-25 onwards.

AC/LVII-30/24

Application for establishment of FAIMER Regional Institute at KAHER

The Director, Academic Affairs made presentation and conveyed that KAHER has applied for opening for FAIMER Regional Centre at our University in order to advance Health Professions Education and workforce development and the same is under process.

Resolution:

Resolved to take note of the same.

Signing of MoU with AIU for establishment of Academic and Administrative Development Centre (AADC).

The Director, Academic Affairs made presentation regarding signing of MoU with AIU for establishment of Academic and Administrative Development Centre (AADC) in collaboration with Universities across India.

Resolution:

Resolved to take note of the same.

AC/LVII-32/24

To discourage the students for availing migration (transfer) from one College to another College.

The Registrar made presentation as regards to request received for migration from one constituent unit to another constituent unit of KAHER.

Resolution:

Resolved to take note of the same and it was directed not to encourage the students for migration from one constituent unit to another constituent unit of KAHER.

AC/LVII-33/24

Consideration of Recognition of Post-Graduate Teachers (Guides) / Ph.D. Research Supervisors (Guides) to guide the dissertation work of the Post-Graduate students /Ph.D. Research Scholars in the respective Departments / Specialties.

The Director, Academic Affairs made presentation with regards to consideration of Recognition of Post-Graduate Teachers (Guides) / Ph.D. Research Supervisors (Guides) to guide the dissertation work of Post-Graduate students /Ph.D. Research Scholars in the respective Departments / Specialties.

Resolution:

Resolved to approve Recognition of Post-Graduate Teachers (Guides) / Ph.D. Research Supervisors (Guides) to guide the dissertation works of the Post-Graduate students and Ph.D. Research Scholars in the respective Department / Specialties as detailed in the **Annexure - I** enclosed.

AC/LVII-34/24

Consideration of Extension / Re-registration / Cancellation of Registration for Doctor of Philosophy (Ph.D.) programs.

The Director, Academic Affairs made presentation with regards to consideration of Extension / Re-registration / Cancellation of Registration for Doctor of Philosophy (Ph.D.) programs.

Resolution:

Resolved to approve consideration of Extension / Re-registration / Cancellation of Registration for Doctor of Philosophy (Ph.D.) programs as detailed in **Annexure - II**. Hon. Vice-Chancellor suggested that the extension of registration for Ph.D program by the students will be considered only for valid reasons.

AC/LVII-35/24

Any other subject with the permission of the Chair:

Resolution:

Following are some of the other points that were discussed:

- 1) Hon. Vice-Chancellor informed that a separate Faculty of “Allied Health Sciences” need to be constituted and to award the degrees under the same faculty i.e., Faculty of Allied Health Sciences.
- 2) Dr. Sreenivas Murthy, External Member expressed some of his opinions:
 - a) He suggested to have a separate Research Council at the University level.
 - b) He also expressed that there were no much interdisciplinary activities happening. Thus it was suggested to conduct Intercollegiate Council meetings three times in a year.
 - c) Value Added course curriculum should include the learning outcomes.
- 3) Dr. Anura Bale, External Member expressed that the University should improve in the field of Publications.

The meeting concluded with a vote of thanks to the Chair.

DIRECTOR, ACADEMIC AFFAIRS

REGISTRAR

VICE-CHANCELLOR

ANNEXURE-I

List of PG Teachers for Approval in Academic Council Meeting on 18.10.2024

Sl No.	Name of the Faculty	Institution name
1.	Dr. Shruthi Andola, Assistant of Obstetrics & Gynaecology	J.N. Medical College, Belagavi
2.	Dr. Vijanand B. Metgudmath, Associate Professor of Cardiology	J.N. Medical College, Belagavi
3.	Dr. Manjunath Hukkeri, Assistant Professor of Obst. & Gynaecology	J.N. Medical College, Belagavi
4.	Dr. Imtiaz Ahmed, Associate Professor & In-charge Head of Radiation Oncology	J.N. Medical College, Belagavi
5.	Dr. Chetan Belalldavar, Reader of Oral Pathology	KLE VK Institute of Dental Sciences
6.	Dr. Mahantesh B. Ramannavar, Professor of Sharira Rachana	KLE Shri. BMK Ayurveda Mahavidyalaya, Belagavi
7.	Dr. Smitaraje Wadar, Associate Professor of Sharira Rachana	KLE Shri. BMK Ayurveda Mahavidyalaya, Belagavi
8.	Dr. Kadambari. S, Associate Professor of Sharira kriya	KLE Shri. BMK Ayurveda Mahavidyalaya, Belagavi
9.	Dr. Namrata Bhagoji, Associate Professor of Rasayan and Vajikaran	KLE Shri. BMK Ayurveda Mahavidyalaya, Belagavi
10.	Dr. R Sunil Kumar Devaki, Associate Professor of Kayachikitsa	KLE Shri. BMK Ayurveda Mahavidyalaya, Belagavi
11.	Dr. Rajimunnisa Begum Sahik, Associate Professor of Kayachikitsa - Manasa roga.	KLE Shri. BMK Ayurveda Mahavidyalaya, Belagavi
12.	Mr. RevanaSiddappa D, Assistant Professor of Pharmacy Practice	KLE College of Pharmacy, Belagavi
13.	Mr. Veerakumar P.Japati, Assistant Professor of Pharmaceutical Quality Assurance	KLE College of Pharmacy, Belagavi
14.	Mr. Sujay Hulyalkar, Assistant Professor of Pharmaceutics	KLE College of Pharmacy, Belagavi
15.	Ms. Umashri Kokatnur, Assistant Professor of Pharmaceutics	KLE College of Pharmacy, Belagavi
16.	Dr. Ramesh Bhandari, Assistant Professor of Pharmacy Practice	KLE College of Pharmacy, Belagavi
17.	Mr. Pankaj J Patil, Assistant Professor of Pharmaceutics	KLE College of Pharmacy, Belagavi
18.	Dr. Priyanka Patil, Assistant Professor of Pharmacology & Toxicology	KLE College of Pharmacy, Belagavi
19.	Mr. Arjun Arear, Senior Tutor of Child Health Nursing	KLE Institute of Nursing Sciences, Belagavi
20.	Mr. Sanjay Alagundi, Senior Tutor of Child Health Nursing	KLE Institute of Nursing Sciences, Belagavi
21.	Ms. Tenzin Norzin, Senior Tutor of Medical Surgical Nursing	KLE Institute of Nursing Sciences, Belagavi
22.	Mr. Bhairegouda Patil, Senior Tutor of Community Health Nursing	KLE Institute of Nursing Sciences, Belagavi

Sl No.	Name of the Faculty	Institution name
23.	Dr. Shraddha Rangadal, Assistant Professor of Pediatric Physiotherapy	KLE Institute of Physiotherapy, Belagavi
24.	Dr. Priya Mohite, Assistant Professor of Neuro Physiotherapy w.e.f Nov 2024	KLE Institute of Physiotherapy, Belagavi
25.	Dr. Nikita Pawar, Assistant Professor of Oncology Physiotherapy w.e.f January 2025	KLE Institute of Physiotherapy, Belagavi
26.	Dr. Indira Kulkarni, Professor of Homoeopathic Repertory & Case taking	KLE Homoeopathic Medical College and Hospital
27.	Dr. Chetan Kamble , Associate Professor of Homoeopathic Repertory & Case taking	KLE Homoeopathic Medical College and Hospital
28.	Dr. Supriya. Kulkarni, Professor of Homoeopathic Materia Medica	KLE Homoeopathic Medical College and Hospital
