

Ref: KAHER/BOS/10-11/D-280821011

Date : 25.09.2021

Minutes of the Meeting of BOS for Allied Courses UG & PG (Faculty of Sciences)

As per the calendar of events, the meeting of the Board of Studies (BOS) for the year 2021 in the Allied courses (UG & PG) Faculty of Sciences (FOS) was held on Thursday 23rd September 2021 at 10.30am in Biostatistics Department, Seminar room. External members, Dr(Mrs)Vidisha Athanikar, Professor and Head of Pathology, SDM Medical College, Dharwad and Dr(Mrs)Vinutha Shankar, Professor and Head of Physiology, Sri Devaraj Urs Medical College, Kolar, attended virtually. Dr.Shweta Shenoy , Assistant Professor of Pathology has resigned and Dr Madhumati Patil had University Exam duty. Rest of the internal members were present. Chairperson welcomed all the members.

The agenda was taken up for discussion.

ITEM 1: Minutes of the meeting previous meeting held on 19th February 2021 were read and discussed. Issues resolved following post Academic council meeting mentioned. Duration of BSc Course and internship and CGPA grading for 2023-24 revision and all the new courses introduced from 2021-22 batch. Minimum eligibility criteria for BSc Allied admission. List of courses discontinued

ITEM 2: Three new courses to be started (Been approved in the 47th Academic Council meeting) syllabus was presented by the course coordinators, were asked to submit the same after the suggested correction to Academic affairs
B.Sc. Critical Care Technology
B.Sc. Emergency Medicine Technology
B.Sc. Endoscopy Technology

ITEM 3: M.Sc syllabus in all courses is due for revision 2021-22 , the course coordinators and the members were asked to fill the summary sheet for the same and submit.
Echocardiography and Perfusion technology are courses involving clinical subjects and hence it is not possible to have a semester system. Semester system would result in piece meal learning and not continuous learning. These subjects require case discussion and dissertation and hence semester system is not feasible. Course coordinators of M.Sc. (Medical) subjects and B.Sc. Allied Courses said that they will be prepared to implement CGPA system during the next revision in 2023-24 and 2024 -25. Implementation of CGPA would require a lot of work and effort on the part of the faculty members and they would have to be properly trained in the same before it can be implemented

ITEM 4: Results of B.Sc and M.Sc in all courses was satisfactory.

ITEM 5: The members were asked to give updated the panel of examiners as per the new format as a soft copy.

KLE ACADEMY OF HIGHER EDUCATION AND RESEARCH

(Formerly known as KLE University)

(Deemed-to-be-University established u/s 3 of the UGC Act, 1956)

Dr Urmila Kagal I/c Principal mentioned the paper setters for allied subjects should be faculty involved in teaching.

Coordinators wanted Spoken English class for the allied students in all semesters

Dr Sanjay Mishra suggested MSc dissertation: One topic for 2-3 students, as the number of students are more

As there were no other matters to be discussed meeting was ended with thanks by chairperson to all the attendees.

AC/XXXIX-12/18 *Consideration of equivalence of foreign Ph.D. degree with Indian Ph.D. degree as provided in the University Grants Commission (Minimum Standards and Procedure for Award of M.Phil. / Ph.D) Regulations, 2016.*

The Academic Council considered and approved adoption of equivalence of foreign Ph.D. degree with Indian Ph.D. degree as provided in the University Grants Commission (Minimum Standards and Procedure for Award of M.Phil. / Ph.D) Regulations, 2016, as detailed in the Agenda.

Resolution:

The Academic Council considered equivalence of foreign Ph.D. degree with Indian Ph.D. degree as provided in the University Grants Commission (Minimum Standards and Procedure for Award of M.Phil. / Ph.D) Regulations, 2016, as detailed in the Agenda.

AC/XXXIX-13/18 *Consideration and adoption of seven '7' good practices in education so as to enhance teaching-learning process and make it a shared responsibility. All the constituent units to adopt these guidelines, display them boldly at all the prominent places in college and ensure its implementation.*

The Chairman made presentation of the details of seven '7' good practices to be adopted in education so as to enhance teaching-learning process and make it a shared responsibility. All the constituent units shall adopt these guidelines, display them boldly at all the prominent places in college and ensure its implementation.

Resolution:

The Academic Council resolved to adopt '7' good practices as per the presentation made by the Chairman.

AC/XXXIX-14/18 *Consideration of starting of elective courses (4-6 weeks) duration by various Faculties.*

The Academic Council considered the proposal of starting of elective courses (4-6 weeks) duration by various Faculties, as detailed in the Agenda.

Resolution:

The Academic Council resolved to approve starting of elective courses (4-6 weeks) duration by various Faculties. A Committee consisting of the following members will discuss and recommend elective courses in each of the faculties:

1. Dr. (Mrs.) N.S.Mahantashetti, Principal, JNMC, Belagavi.
2. Dr. B.Srinivas Prasad, Principal, KLE Shri B.M.K.Ayurveda Mahavidyalaya, Belagavi
3. Dr. (Mrs) Alka D.Kale, Principal, KLE VK Institute of Dental Sciences, Belagavi

Any other faculty member may be co-opted in the Committee.

Members present:

1. Dr.M.B.Nagmoti, Professor of Microbiology, JNMC, Belagavi.
2. Dr.Shaila Kothiwale, Professor of Periodontics, KLE VK IDS, Belagavi.
3. Dr.Sunil Jalalpure, Professor of Pharmaceutics, KLE CoP, Belagavi
4. Dr.Mubashir Angolkar, Professor & HoD of Public Health, Belagavi
6. Dr.Manjunath Somannavar, Associate Professor of Biochemistry, JNMC, Belagavi.
7. Ashwini Narasannavar, Assistant Professor of Public Health, Belagavi.
8. Sanjay Mishra, Scientist Grade-II, KLE PK Basic Science Research Centre, Belagavi.
9. Shri. Sanjeev Chougula, Assistant Professor, of Hospital Administration, JNMC Belagavi.
- 10. Dr.Sonali H. Palkar, Associate Professor of Community Medicine, Bharati Vidyapeeth Medical College and Hospital, Pune. Attended online**
- 12. Dr.Ibrahim Nagnoor, Professor & HoD of Public Health, Yenepoya Medical College, Mangaluru. Attended online**
13. Dr.Kalpana C.J., Former Nutrition Co-ordinator, IGNOU, House No.129, BUDA Scheme No.40, Kuvempu Nagar, Belagavi.

Dr. Appajigol did not attend the meeting as he was on Casual Leave

Dr. Padmaja Walvekar, Chairperson welcomed the members. Agenda was taken up for discussion.

Agenda 1. Confirmation of the minutes held on 14.3.2020 was done & Action taken report was done

Action taken report based on resolutions made in the last meeting was discussed

Sl. No	Agenda	Action taken report
1	MPH – As per the feedback from external examiners MHA	Included Advanced epidemiology for 4 th semester Could not collect feedback due to COVID
2	MPH (Epidemiology students), Curriculum is also ready, it will be implemented for new batch.	In the next meeting they will present the curriculum **

	Nutrition and Dietetics – Nutritional Biochemistry laboratory to be planned in Biochemistry PG laboratory,	where M.Sc Nutrition and Dietetics students can perform their practicals.
4	No new courses suggested	NIL
3	Updating examiner list – All the members are asked to update the examiner list (up to 70 years is the eligibility) and send the soft as well as hard copy to the Chairperson.	Received the list only from Department of Public Health Hospital Administration Department to send the list
4	Innovative activities	Online platform was used for T-L, assessment and also for competition (google forms)
5	Good practices – It was suggested to develop collaboration with institutes / organizations of National and International repute. Exposing M.Sc. Nutrition students to Consumer Forum to study cases related to food adulteration etc. Carry survey on how people sanitize food items of daily consumption during COVID	Action not yet taken due to COVID
	Extension of date for data collection – PGS. All members agreed either to extend the dates or to reduce the sample size, without affecting the result	Decision awaited
	ONLINE Evaluation of PG dissertation	Decision awaited

	PG question paper pattern – 10 marks 10 questions	Decision awaited
	Fixed number of pages UG & PG answer sheet – Only UGs not PGs	Decision awaited
	Biomedical Research By NPTEL	All the PGs under took
	Excerpts from National Education policy to be included to BPH & MPH programme	Decision awaited

MPH – PG students who had their dissertation topic based on school or Anganwadi, were changed after due permission from the Principal. New proposals also got ethical clearance. They are collecting data using google forms.

Agenda 2. Curricular changes to be done for UG & PG – as per guidelines of Regulatory authorities or can go for Competency curriculum if no guidelines from regulatory authorities.

Dr. Padmaja Walvekar explained David Kern's 6 step approach in designing the curriculum with example for each step. Also discussed how to report the reforms in the given format.

Department of Public Health and Hospital administration agreed to implement Hybrid curriculum which includes 25% Competency based curriculum. So that if it works they can plan 100% Competency Curriculum during next revision of curriculum.

Dr. Kalpana CJ, external member suggested that, Nutraceuticals and Functional foods only theory is taught, practical sessions of demonstration of preparation of immune boosters, Iron rich food etc can be planned in collaboration with Ayurvedic College.

Dr. Morkar, Dr. Sonali Palkar suggested that ward rounds with Dietician would help students understand practical application.

Dr. Shaila Kothiwale, said to include some topics related to Nutrition and dental health. Dr. Mubashir asked her to provide the details of the same. Dr Ashwini said, it can be included in Community Nutrition topic.

Agenda 3. Strengthening of curriculum by effective implementation of the changes made in the curriculum and feedback of students regarding the changes.

Agenda 4. Innovative / Best practices. Involvement of students in project work, Electives for students to work in some centres for practical exposure (industrial exposure)

Dr. Nagnoor suggested while planning the curriculum, employability after the course should be kept in mind, hence student's feedback is needed while planning posting to some centres of excellence.

Agenda. 5. Preparation of comprehensive sheet of panel of examiners as per the format of KAHAR, to modify the existing.

Agenda 6. UG/ PG examination results

Agenda 7. New courses and Collaboration – No New courses/ Collaborations

Dr. Mubashir presented the syllabus of – Epidemiology, Health economics

Agenda 8. Any other matter to improve growth & development of the department

- a) Planned structured internship programme Nutrition & Dietetics
- b) Human physiology & Nutrition science – One paper
- c) More applied aspects to be included than theory
- d) Public health & M.Sc nutrition students can be posted to BSRC
- e) Departments can write proposals to UNIVERSITY for grant to conduct studies at BSRC

Meeting ended with thanks to chair

Risaleka
(Dr. P.R. Walvekar)

9. Dr.Sonali H. Palkar, Associate Professor of Community Medicine, Bharati Vidyapeeth Medical College and Hospital, Pune. Attended online
10. Dr.Ibrahim Nagnoor, Professor & HoD of Public Health, Yenepoya Medical College, Mangaluru. Attended online
11. Dr.Kalpana C.J., Former Nutrition Co-ordinator, IGNOU, House No.129, BUDA Scheme No.40, Kuvempu Nagar, Belagavi.

Dr. Appajigol did not attend the meeting

Dr. Padmaja Walvekar, Chairperson welcomed the members. Agenda was taken up for discussion.

Agenda 1. Confirmation of the minutes held on 14.2.2021 was done & Action taken report based on resolutions made in the last meeting was discussed

Agenda –

1. Confirmation of the minutes held on 14.2.2021 was done.

Action taken report based on resolutions made in the last meeting was discussed

Sl. No	Agenda	Action taken report
1	MPH (Epidemiology students), Curriculum is also ready, it will be implemented for new batch.	Print version has been submitted

2	Updating examiner list – All the members are asked to update the examiner list (up to 70 years is the eligibility) and send the soft as well as hard copy to the Chairperson.	Hospital Administration Department to prepare the list
3	Good practices – It was suggested to develop collaboration with institutes / organizations of National and International repute. Exposing M.Sc. Nutrition students to Consumer Forum to study cases related to food adulteration etc. Carry survey on how people sanitize food items of daily consumption during COVID	Case study regarding food adulteration in collaboration with Consumer forum is under progress Survey on nutrition related topics during COVID has been given as PG dissertation
3	PG question paper pattern – 10 marks 10 questions	Approved (Notification awaited)
4	Fixed number of pages UG & PG answer sheet – Only UGs not PGs	Not approved
5	Competency based curriculum for 25% of syllabus	Few topics competency & objectives will be developed, taught and assessed
	M.Sc Nutrition Students posting Ayurved College to learn preparation of Immune boosters	No notification – If approved will be included in next revision of syllabus
	M.Sc. Nutrition students posting for ward rounds	No notification - If approved will be included in next revision of syllabus
	Inclusion of Topic – Nutrition and Dental health	No notification - If approved will be included in next

		revision of syllabus
	Elective posting for students for industry exposure	Before implementation - feedback from students, alumni, external members needed

2. Discussion regarding developing the competency based Curricular changes for 25% of the curriculum

As BPH curriculum is due for revision, they have decided to go for Choice Based Credit System (CBCS), accordingly detailed curriculum was discussed, with difference between old and new curriculum in the form of summary sheet (Annexure)

For few topics Competencies will be identified, objectives will be developed, based on objectives T_L and assessment will be planned. Student's & faculty feedback will be collected to sustain the implementation.

Any change in the curriculum – Done using Kern's 6 step approach and same has to be presented as summary sheet as per the format given.

Those courses which are due for curriculum changes in next BoS meeting (MHA etc) to come prepared for the BoS to present the changes as per the format
3. Strengthening the curriculum by effective implementation of curricular changes It was discussed to implement the curricular changes effectively through periodic review and also by incorporating feedback mechanism.
4. Innovative / Best practices to be incorporated in the curriculum also taking inputs from external members External member Dr. Kalpana C.J opined that Diet & Nutrition department can contribute to all the clinical departments in planning the diet for inpatients. So that hands on training will be given to the students and all the departments will be benefited by getting expert guidance to improve nutritional status of patients.
5. Preparation of comprehensive panel of examiners for UG, PG and PhD guides as per University norms.

All the departments were sensitized to update the examiner list as per University guidelines. External members opined that a list of eligible examiners could be collected at the departmental level with all the details and renewed every 6 months. All the members felt that, it is difficult to get bank details of all the examiners, as some times there may be merger of banks or change of bank by the examiners etc. It can be procured along with acceptance letter.

6. Discussion regarding feedback mechanism

MHA – Exit feedback was taken – accordingly students expressed lack of infrastructure made it difficult for the students to study properly Also students expressed hands on training in NABH very essential – This has been incorporated and training has been provided at KLE Hospital by Dr. Somanatti.

Department of Public Health – Collected student's feedback – Deficiency of classroom as they are starting with Bachelor degree in nutrition and dietetics, BPH honours etc along with BPH and MPH and common room where students can carryout cocurricular activities/ Study purpose

Dr. Mubashir opined that Hospital Administration and Public Health Department can share common room

7. Any other matter to improve the growth and development of the department

Dr. Nagnoor opined that MPH students to be involved in practical work in the field than in the classroom 60:40 ratio. MHA students already 60% Hospital and 40 % classroom is been practiced.

Dr. Sonali Palkar opined that MPH/ BPH students can mobilise / motivate public to attend camp or vaccination, not to involve them to give vaccination even though their basic degree being BAMS, BHMS. Because designated nurses who are expert to carry vaccination in the field can handle situation better in case of any AEFI (adverse events)

- Dr. Shaila Kothiwale opined that MHA students could be posted to Dental College Hospital also to Dental College Hospital – To study the management of Hospitals on OPD basis and to study the Inventory of Drugs / Dental materials

BPH – Eligibility Criteria for lateral entry could be extended to those who complete 10 + 2 ANM course

Results of previous exams were discussed.

Dr. Padmaja Walvekar, Chairperson, Thanked Hon. Vice Chancellor, Registrar, Dean Faculty of medicine for their support, thanked both external and Internal members for attending the meeting and providing valuable inputs to strengthen the curriculum Meeting ended with thanks to the chair

Dr. Ibrahim Nagnoor – External member did not attend the meeting

Dr. Appajigol did not attend the meeting

Dr. Padmaja Walvekar, Chairperson welcomed the members. Agenda was taken up for discussion.

Agenda 1. Confirmation of the minutes held on 20.9.2021 was done & Action taken report based on resolutions made in the last meeting was discussed

Sl. No	Agenda	Action taken report
1	MPH (Epidemiology students), Curriculum is also ready, it will be implemented for new batch.	It was presented/ Print version is also prepared
2	Updating examiner list – All the members are asked to update the examiner list (up to 70 years is the eligibility) and send the soft as well as hard	Examiner list in soft and hard copy has been submitted

	copy to the Chairperson.	
3	Discussion regarding developing the competency based Curricular changes for 25% of the curriculum	As BPH curriculum is due for revision, they have decided to go for Choice Based Credit System (CBCS), accordingly detailed curriculum was discussed, with difference between old and new curriculum in the form of summary sheet
4	Those courses which are due for curriculum changes in next BoS meeting (MPH & MHA) to come prepared for the BoS to present the changes as per the format	David Kern's 6 step approach – to be used for curriculum change
5	Diet & Nutrition department can contribute to all the clinical departments in planning the diet for inpatients.	This point was not discussed in detail, as it was considered as new method of T-L
6	Competency based curriculum for 25% of syllabus	As of now they are having CBCS and continue with it
7	M.Sc Nutrition Students posting Ayurved College to learn preparation of Immune boosters	No notification
8	M.Sc. Nutrition students posting for - ward rounds	Considered as part of training
9	Inclusion of Topic – Nutrition and Dental health for M.Sc Nutrition	No notification, can be done whenever syllabus is due for revision
10	Elective posting for students for industry exposure	Should be based on the feedback from students/Alumni for its justification
11	MHA & Department of Public Health – Feedback was taken from students	Presented in the Dean faculty

	– accordingly students expressed lack of infrastructure made it difficult for the students to study properly MHA students expressed hands on training in NABH very essential	meeting This has been incorporated and training has been provided at KLE Hospital by Dr. Somanatti.
12	BPH – Eligibility Criteria for lateral entry for BPH - could be extended to those who complete (10 + 3) any diploma-course, health worker Male and Female, Diploma in - sanitary inspector, food inspector, drug inspector and laboratory technician courses	To review UGC criteria for lateral entry – By dean and coordinator, to be resubmitted next meeting

Agenda 2 : Discussion regarding choice based credit system of BPH- It was discussed to look into inclusion of outcome based education during next revision, as most of the institutes under KAHER are either following OBE or CBME

Agenda 3 : Strengthening of curriculum – It was discussed to strengthen the curriculum by following regulatory councils/ bodies and to collect feedback from stake holders to enrich the curriculum

MHA: To take feedback from Alumni

Feedback from the faculty also needs to be taken regarding curriculum and infrastructure, the feedback collected needs to be analysed and presented during faculty meeting and included in the minutes. These points are to be proposed during BoS meeting for further action.

Agenda 4: Validation of the curriculum, it was discussed that after discussion regarding revision of the curriculum in the department faculty meeting, same can be validated by taking opinion from external peers.

Agenda 5: Revision of MPH & MHA syllabus: As it was due Changes made were presented in the meeting. (Annexure attached)

MHA included NABH training in the curriculum (Annexure attached)

Agenda 6 : Inclusion of new courses : Nil

Agenda 7 : Preparation of comprehensive examiner list : Discussion was done to include examiners for UG, PG and PhD examination and to revise the list as per University guidelines and submit the soft and hard copy.

Agenda 8: UG/ PG results: MPH, BPH, MHA – results are 100%

Agenda 9: Any other matter: Infrastructure is not sufficient for Department of Public health as they are having semester system, at a given time 9 batches will be having teaching programmes. They need more classrooms. (Time table attached)

Nutrition laboratory is required for students to perform practical.

As per UGC guidelines lateral entry will be for 10% of the students, but there are many aspirants who wants to pursue BPH (degree course) after diploma. Members opined to find out, whether the vacant seats which remain if 12th passed students don't take BPH seats, can be converted for lateral entry students?

As there were no points for discussion, chairperson thanked the external members for attending the meeting and providing valuable inputs to strengthen the curriculum

Meeting ended with thanks to the chair

Date: 2.6.2015

Minutes of the meeting of the Grade Point Assessment (GPA)

Two Meeting were held in the Academic Affairs of the University on 11th May 2015 & 15th May 2015 to finalize the implementation of GPA System in MPH Programme. The meeting was chaired by Dr. S. G. Kardesai, Director Academic Affairs.

MEMBERS PRESENT:

S. No.	Name
1	Dr. S. G. Karadesai Director, Academic Affairs, KLE University
2	Dr. M. S. Ganachari, Deputy Registrar, KLE University
3	Dr. G. A. Kalyani, Deputy Controller of Examinations, KLE University
4	Dr. Mubashir Angolkar HOD I/c, Dept. of Public Health

Guide lines from UGC on Semester System, Choice Base Credit System (CBCS) Curriculum Development, Examination Reforms and Grade Point Assessment were studied. The need of the hour is to change from traditional information based knowledge to a more holistic approach providing value based education integrating with special skills and training. MPH program at KLEU has already initiated semester system since 2013. Now MPH program needs to implement Grade Point Assessment System and Choice Base Credit System (CBCS) in its curricula from the academic Year 2015-16. Various Marks Cards from Manipal University, Pune University, SRM

University, Datta Meghe University and Swami Ramanand Teerth Marathwada University were studied.

WHO Manual for Teaching Guidelines for Public Health Schools in South East Asia Region was also referred to revise the subjects being offered in MPH Program.

After elaborate discussion and deliberations, the following was Proposed:

1. Each semester shall be of **25 credits**. Therefore MPH will have a total of 100 credits. One credit is equivalent to 15 clock hours of teacher-student contact in a semester (*as per UGC norms*).
2. To have each semester of 25 credits, subjects will be reshuffled in 4 semesters according to the number of teaching hours and credits assigned to each subject (**WHO Mannual**).
3. **Accordingly the following curricula is proposed:**

MPH Semester I

S. No.	Subject Title	Credit
1	Basic Epidemiology	4
2	Biostatistics part I	3
3	Health Care Delivery System	3
4	Public Health Nutrition & Health Education	3
5	Research Methods (Qualitative & Quantitative) & Bio - Ethics	4
8	Under Five Clinic posting & Community Project	2
9	Synopsis Development (Practical)	2
10	Bio statistics Practical (Practical)	2
11	Computer Classes	1
12	Language: Kannada / English	1
TOTAL :		25

KLE UNIVERSITY

MPH Semester II

S. No.	Subject Title	Credit
1	Advanced Epidemiology	2
2	Biostatistics part II	2
3	Health Behavior and Sociology	4
	Demography & Public Health Information Systems	4
5	Principles of Communication	2
6	Critical Appraisal (Practical)	2
7	Field Visit - Community Activities	3
8	Writing skills	2
9	Data Collection & analysis (SPSS) - Biostatistics Practical	4
TOTAL :		25

MPH Semester III

S. No.	Subject Title	Credit
1	Infectious Diseases	4
2	Chronic Diseases	4
2	Planning & Management and Health Economics	3
3	Occupational and Environmental Health Sciences	4
4	Disaster Management (project work)	2
5	Data Collection & analysis (SPSS) - Biostatistics Practical	4
6	Protocol & policy Writing	2
7	Library Dissertation	2
TOTAL :		25

J N Medical College Department Of Public Health

Office of the Institute of Public Health, KLE University

☎ 0831-2472777/2493779 FAX: 0831-2493777 Web: <http://www.kleuniversity.edu.in> E-mail: info@kleuniversity.edu.in

MPH Semester IV

S. No.	Subject Title	Credit
1	Maternal and Child Health & Family Planning	4
2	Public Health Legislation & policies	4
3	Dissertation writing & submission	5
4	Internship	12
TOTAL :		25

4. GPA will be on a 10 point scale as Below:

10 Point Grade Scale

Grade	A+	A	B	C	D	E	F (Fail)	I (incomplete)
Grade Points	10	9	8	7	6	5	0	0

5. Grades will be calculated as Below:

100 = 10 = 9.1 to 10	A+
90 = 9 = 8.1 to 9	A
80 = 8 = 7.1 to 8	B
70 = 7 = 6.1 to 7	C
60 = 6 = 5.1 to 6	D
50 = 5 = 4.1 to 5	E

6. **Conversion of Grades in to GPA:**

GPA = Credits X Grade Points / Total Credits

7. **Cumulative Grade Point Average (CGPA)** of all 4 Semester will be calculated as: **Total No. GPA / No. of Semester**

8. Dissertation will be assessed on a Rejected / Accepted (as in Practice)

J N Medical College
Department Of Public Health

Office of the Institute of Public Health, KLE University
JNMC Campus, Nehru Nagar, Belgaum-590 010, Karnataka State, India

☎: 0831-2472777/2493779 FAX: 0831-2493777 Web: <http://www.kleuniversity.edu.in> E-mail: info@kleuniversity.edu.in

Example
MPH Semester I

S. No.	Subject Title	Credit	Grade	Calculation
1	Basic Epidemiology	4	B	4x8=32
2	Biostatistics part I	3	C	3x7=21
3	Health Care Delivery System	3	C	4x7=28
4	Public Health Nutrition & Health Education	3	A	3x9=27
5	Research Methods (Qualitative & Quantitative) & Bio - Ethics	4	B	3X8=24
8	Under Five Clinic posting & Community Project	2	B	2X8=16
9	Synopsis Development (Practical)	2	B	2X8=16
10	Bio statistics Practical (Practical)	2	B	2X8=16
11	Computer Classes	1	A	1X9=9
12	Language: Kannada / English	1	C	1X7=7
TOTAL :		25		196
				196 X 25 = GPA : 7.84

E.g:

Semester I GPA=7.84
Semester II GPA=8.8
Semester III GPA=8.0
Semester IV GPA=7.0

Cumulative GPA= Total No. GPA / No. of Semester
 $7.8+8.8+8.0+7.0/4=7.9$

The meeting ended with a vote of thanks by the chairperson.

Item No. 3: Discussion on Challenges and Strengths of syllabus of MPH

In-depth detailed discussion on MPH syllabus was reviewed.

- Based on the feedback of student the subject Health Behavior and Sociology needs to be made a core subject rather than an elective subject. Therefore it was decided that it can be removed from list of elective subjects and made a core subject in semester IV. However this can be done only in 2019. When the syllabus will be revised (after 2 years)
- Dr. Mubashir Angolkar informed to improve teaching & learning methods we have introduced pretest and post-test in seminars with the concept of moving from unknown to known.

New innovative programs / courses to be proposed: NIL

As last year Department of Public Health introduced BPH and 3 specializations in MPH - Epidemiology, Health Economics, Health care quality & safety. These courses need to be stabilized.

Suggestions by Board Members:

- As BPH and two additional specialization courses have started. Shortage of teaching staff needs to be addressed immediately.
- MPH in Epidemiology to be in collaboration with Thomas Jefferson University.
- Dr. Amy Szajna, Dr. Patricia Kelly, Dr. Luic Hunter and Mr. Parth Lalakia from Thomas Jefferson University to be included as dissertation advisors for MPH students
- MPH Students to be allowed to do shadow / observation work at TJU during internship period if they can bear the expenses themselves.
- Feedback from students has to be standardized. Students should be oriented to the feedback.
- More books for Departmental Library
- Departmental Subscription for Public Health Journals

AC/XXXIX-12/18

Consideration of equivalence of foreign Ph.D. degree with Indian Ph.D. degree as provided in the University Grants Commission (Minimum Standards and Procedure for Award of M.Phil. / Ph.D) Regulations, 2016.

The Academic Council considered and approved adoption of equivalence of foreign Ph.D. degree with Indian Ph.D. degree as provided in the University Grants Commission (Minimum Standards and Procedure for Award of M.Phil. / Ph.D) Regulations, 2016, as detailed in the Agenda.

Resolution:

The Academic Council considered equivalence of foreign Ph.D. degree with Indian Ph.D. degree as provided in the University Grants Commission (Minimum Standards and Procedure for Award of M.Phil. / Ph.D) Regulations, 2016, as detailed in the Agenda.

AC/XXXIX-13/18

Consideration and adoption of seven '7' good practices in education so as to enhance teaching-learning process and make it a shared responsibility. All the constituent units to adopt these guidelines, display them boldly at all the prominent places in college and ensure its implementation.

The Chairman made presentation of the details of seven '7' good practices to be adopted in education so as to enhance teaching-learning process and make it a shared responsibility. All the constituent units shall adopt these guidelines, display them boldly at all the prominent places in college and ensure its implementation.

Resolution:

The Academic Council resolved to adopt '7' good practices as per the presentation made by the Chairman.

AC/XXXIX-14/18

Consideration of starting of elective courses (4-6 weeks) duration by various Faculties.

The Academic Council considered the proposal of starting of elective courses (4-6 weeks) duration by various Faculties, as detailed in the Agenda.

Resolution:

The Academic Council resolved to approve starting of elective courses (4-6 weeks) duration by various Faculties. A Committee consisting of the following members will discuss and recommend elective courses in each of the faculties:

1. Dr. (Mrs.) N.S.Mahantashetti, Principal, JNMC, Belagavi.
2. Dr. B.Srinivas Prasad, Principal, KLE Shri B.M.K.Ayurveda Mahavidyalaya, Belagavi
3. Dr. (Mrs) Alka D.Kale, Principal, KLE VK Institute of Dental Sciences, Belagavi

Any other faculty member may be co-opted in the Committee.

**Proceedings of the Board of Studies Meeting
(PG, Pharm.D. & Research)**

The 14th Board of Studies Meeting (PG, Pharm.D. & Research) was held on 21st September, 2016 from 10.30 AM to 4.30 PM at BOS Meeting Hall of KLE University, Belagavi.

Following members attended the Meeting:

(1)	Dr.Purnima Ashok	Chair person,
(2)	Dr.B.M.Patil	Dean, Faculty of Pharmacy
(3)	Dr.V.G.Jamakandi	Member
(4)	Dr.V.P.Rasal	Member
(5)	Dr.M.S.Ganachari	Member
(6)	Dr.S.S.Karki	Member
(7)	Dr.Sunil Jalalpure	Member

Dr.A.P.Pawar, Dr..V.P.Sawant and Dr.S.M.Hippargi have informed their inability to attend the meeting.

Mr.Deepak N.Gaikwad, Deputy Drug Controller of Belagavi was a special invitee for the BOS.

The Agenda was taken up for discussion and consideration.

I) Subject: Discussion on PCI draft of M.Pharm. syllabus

Discussion / Briefing: The PCI proposed syllabus has credit based semester system. This was discussed and all the members agreed for this proposal. The details syllabus contents scrutiny will be taken up as a separate workshop of 2 days in the month of January 2017. This was agreed by all the members.

II) Subject: M.Pharm results May 2016

Discussion: M.Pharm. results of May 2016 was discussed in detail and was found to be satisfactory.

III) Subject: List of National scientific journals.

Discussion: Members reviewed the list of National journals (Pharmaceutical Science) and agreed for the same journals listed of the previous meeting.

IV) Subject: Thrust Areas of Research.

Discussion: Various research projects undertaken by research scholars and faculty members were discussed and taken into consideration while finalizing thrust areas. The same list of thrust areas was approved with an addition of a new heading called Synthetic Medicinal Chemistry.

V) Subject: Experts from Industry as examiners for Ph.D. and M. Pharm.

Discussion: All the members agreed to include a few industry experts in the panel as examiners for Ph.D. dissertation work and it was also proposed to start a Industry – Institution interaction cell to strengthen the industry interaction with faculty and students.

VI) Subject: Panel of Examiners for Pharm. D. and PG

Discussion: New panel for III Year and V Year Pharm.D. was finalized and approved by the members.

VII) Subject: Outcome base curriculum

Discussion: This was discussed and deferred till March 2017 since PCI proposed new syllabus will be implemented from May 2017.

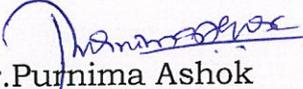

VIII) Fundamentals of Research Module

Discussion: : Members opinioned that it is appropriate for the faculty members involved in research and research guides to take up this course.

IX) Subject: Progress made in thrust area of research

Discussion: Trust areas identified in last BOS meeting has been taken forward as project work for M.Pharm. and Ph.D. students. The progress of work was discussed and was approved by members.

The Chairperson thanked the members for attending the Meeting.

Date : 25.09.2021

Minutes of the Meeting of BOS for Allied Courses UG & PG (Faculty of Sciences)

As per the calendar of events, the meeting of the Board of Studies (BOS) for the year 2021 in the Allied courses (UG & PG) Faculty of Sciences (FOS) was held on Thursday 23rd September 2021 at 10.30am in Biostatistics Department, Seminar room. External members, Dr(Mrs)Vidisha Athanikar, Professor and Head of Pathology, SDM Medical College, Dharwad and Dr(Mrs)Vinutha Shankar, Professor and Head of Physiology, Sri Devaraj Urs Medical College, Kolar, attended virtually. Dr.Shweta Shenoy , Assistant Professor of Pathology has resigned and Dr Madhumati Patil had University Exam duty. Rest of the internal members were present. Chairperson welcomed all the members.

The agenda was taken up for discussion.

ITEM 1: Minutes of the meeting previous meeting held on 19th February 2021 were read and discussed. Issues resolved following post Academic council meeting mentioned. **Duration of BSc Course and internship and CGPA grading for 2023-24 revision and all the new courses introduced from 2021-22 batch.** Minimum eligibility criteria for BSc Allied admission. List of courses discontinued

ITEM 2: Three new courses to be started (Been approved in the 47th Academic Council meeting) syllabus was presented by the course coordinators, were asked to submit the same after the suggested correction to Academic affairs

B.Sc. Critical Care Technology

B.Sc. Emergency Medicine Technology

B.Sc. Endoscopy Technology

ITEM 3: **M.Sc syllabus in all courses is due for revision 2021-22**, the course coordinators and the members were asked to fill the summary sheet for the same and submit.

Echocardiography and Perfusion technology are courses involving clinical subjects and hence it is not possible to have a semester system. Semester system would result in piece meal learning and not continuous learning. These subjects require case discussion and dissertation and hence semester system is not feasible. Course coordinators of M.Sc. (Medical) subjects and B.Sc. Allied Courses said that they will be prepared to implement CGPA system during the next revision in 2023-24 and 2024 -25. Implementation of CGPA would require a lot of work and effort on the part of the faculty members and they would have to be properly trained in the same before it can be implemented

ITEM 4: Results of B.Sc and M.Sc in all courses was satisfactory.

ITEM 5: The members were asked to give updated the panel of examiners as per the new format as a soft copy.

KLE ACADEMY OF HIGHER EDUCATION AND RESEARCH

(Formerly known as KLE University)
