Fax : 91-0831-2470759

## Details of ICT enabled tools

### 1. Lecture Capture Technology- Impartus

# 1. Experimental Pharmacology Series [Ex-Pharm series software]

## List of Experiments available are mentioned below:

1. Experiment on effects of various drugs (Mydriatic, Miotic and Local Anaesthetic) on rabbit's eye.
  - Epinephrine
  - Atropine
  - Ephedrine
  - Physostigmine
  - Lignocaine
2. Study of Analgesic activity with the help of "Tail Flick Apparatus" (Analgesiometer).
3. Study of Antihistaminic drugs (Anti allergic drugs) with the help of "Histamin Chamber".
4. Study of Muscle Relaxant activity with the help of "Rota-Rod Apparatus".
5. Study of CNS Depressants & Stimulants Using "Actophotometer".
6. Study of Analgesic activity with the help of "Hot Plate Apparatus" (Analgesiometer).
7. Effect of Different Drugs (Including Saline Purgatives) on Ciliary Motility of Frog Oesophagus.
8. Study of Drugs acting on CNS (Including Anxiolytic Activity) using following modules
  - Elevated Plus Maze Method
  - Pole Climbing Method
9. Study of anticonvulsant activity using "Electro Convulsimeter".
10. Experiment on Effect of various drugs on Isolated Frog's Heart. (DRC- Dose Response Curve)
  - Epinephrine
  - Norepinephrine
  - Isoprenaline
  - Calcium Chloride
  - Propranolol
  - Acetylcholine
  - Potassium chloride
  - Atropine sulphate
11. Experiment on Bioassay of Histamine on the Ileum of Guinea Pig.
12. Simulation of pupil control
  - Simulation of the effects of the physiological stimuli and drugs on the papillary reflexes.
  - Simulation of the control in patient with partial parasympathectomy.
13. Experiments on Legendorff's Apparatus
  - Effect of coronary vasodilators on isolated heart
  - Effect of parasympathomimetics.
14. Test for pyrogens using rabbits.
15. Experiments on effect of different drugs on Dog BP & Heart Rate.
  - The Effect Of Epinephrine, Acetylcholine, Atropine On The Arterial Pressure (Dog-Blood Pressure).
  - Simultaneous analysis of effect of different drugs on Dog Heart Rate and Blood Pressure.
16. Effect of drugs on isolated guinea pig ileum (in-vitro).
17. To Study Respiratory depression effect on rabbit.
18. Experiments on oedema formation in rabbit skin
19. Experiments on colonic motility in rat in vitro.
20. Experiments on thyroid and antithyroid drugs
  - The effect of thyroxine, TSH, propylthiouracil, on metabolism.
21. Experiments on rat blood sugar
  - The effect of insulin and aloxon on blood glucose.
22. Bioassay of Acetylcholine on the isolated rectus abdominis muscle of frog
  - By Matching Method
  - By Interpolation Method
  - By 3 Point Method
  - By 4 Point Method
23. Bioassay of oxytocin on the isolated rat uterine horn by following methods
  - By Matching Method
  - By Interpolation Method
  - By 3 Point Method
  - By 4 Point Method
24. Bioassay of serotonin on the isolated rat fundus strip by following methods
  - By Matching Method
  - By Interpolation Method
  - By 3 Point Method
  - By 4 Point Method
25. To record the dose response curve and to determine the PD2 value for acetylcholine on frog rectus abdominis muscle.
26. Study of anti-inflammatory activity using carrageenan induced paw oedema method
27. To study PTZ induced convulsions in mice
28. Study of diuretic activity using metabolic cage
29. To study analgesic activity by writhing test.
30. Study of anti ulcer activity - using pylorus ligation method.
31. Study of stereotype and anticonvulsant activity on mice.
32. Evaluation of spasmogens on rabbit jejunum.

Subject: Confirmation of subscription

Dear Sir,

In response to subscription request and subscription amount received from you, we are here by sending you the dedicated password of Experimental Pharmacology Series (Ex-Pharm Series) Software and the invoice (attached with letter).

We hereby confirm your subscription of Experimental Pharmacology Series (Ex-Pharm Series) Software from JUL-20 to JUN-23 (3 Years).

To view Experimental Pharmacology Series (Ex-Pharm Series) Software, please enter the password in below mentioned link

Link: <http://heb-nic.in/Ex-Pharm/login.php>  
User ID: klesher  
Password: klesher123

You will be receiving further communications time to time also.

Thanking you

  
Director  
Digital Service Division

Enclosed:  
❖ The Invoice  
❖ User Manual

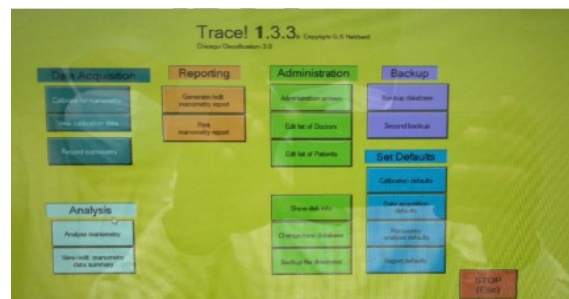

## 2. Clinical Skill Lab-

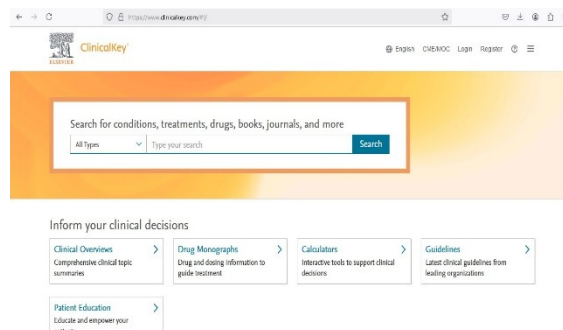

## 14. Scopydoc Version 8.1 – Endoscopy reporting Endoscopy / Laparoscopy Image Management System

## 16. Mano Metry Version 1.0 – Mano Metry test reporting - measurement of pressure within various parts of the gastrointestinal tract

## 17. Clinical Key

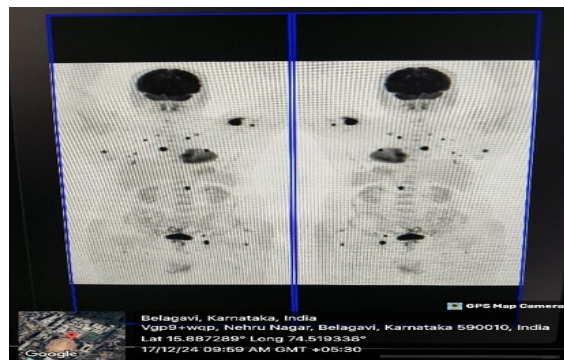

19. PACS – Radiology & CT MRI version 5.7 allows distribution of images within and outside the Hospital using state-of-the-art technology

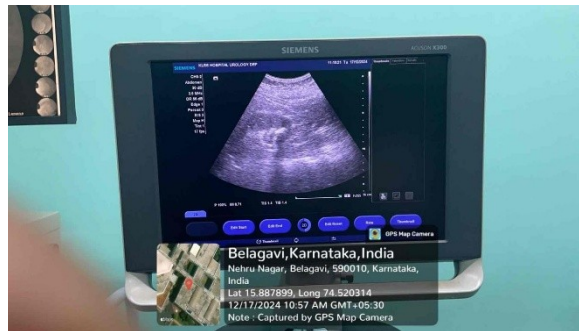

20. Sono Care – for gynac image capturing - ultrasound reporting and imaging software

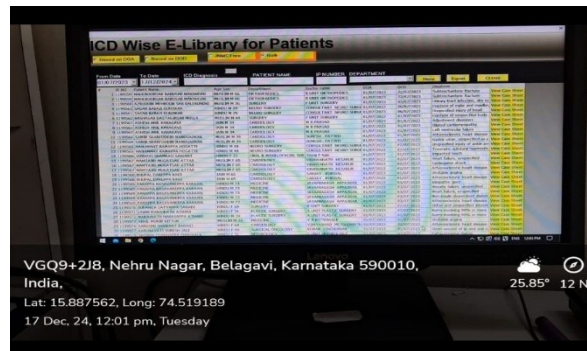

21. PET CT – Symbia EVO Excel scanning software used for oncology

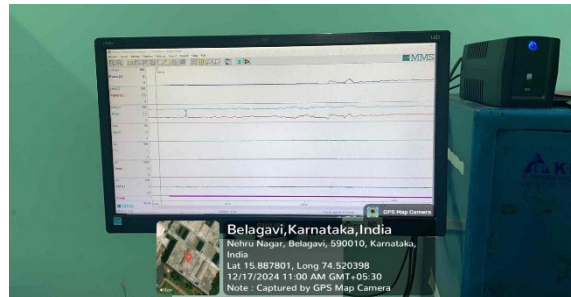

22. Uro – scan

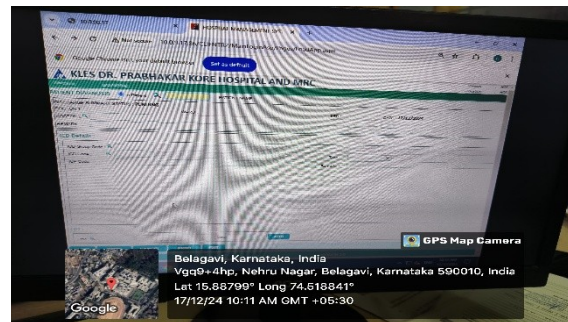

23. Uroflow – Metry

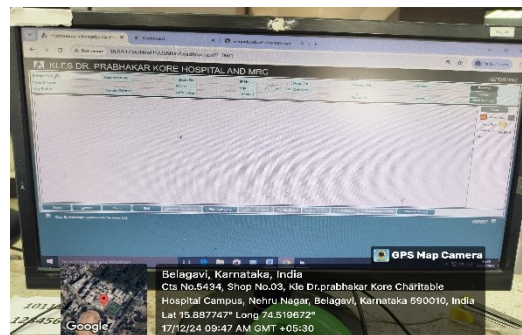

25. EEG for Neuro - is an interactive toolbox for processing continuous and event-related EEG data

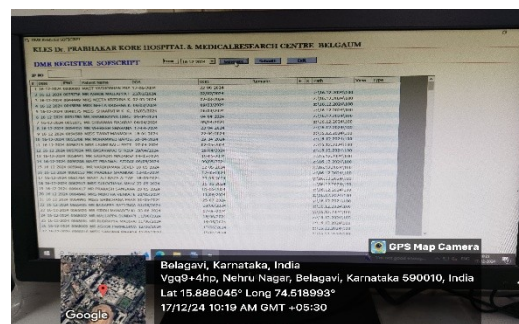

29. ICD ICP- ICD & ICP is a screen where mapping of ICD & ICP is done for all the In Patients.

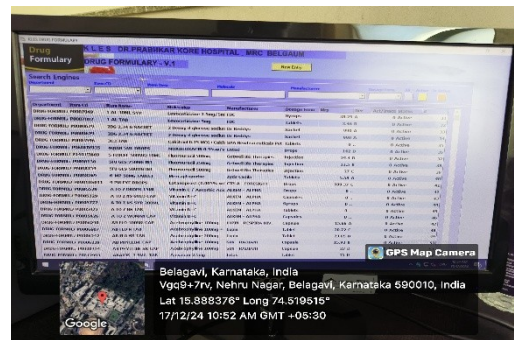

30. Laboratory information system - LIS covers accession, sample handling, interfacing to equipment, departmental working, result reporting and quality control.

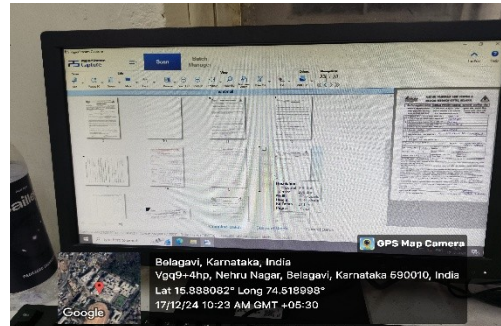

31. Electronic Medical Records- to maintain Out patient Medical records

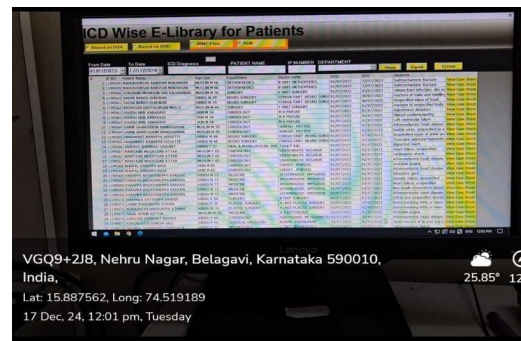

32. Hospital drug formulary - a software designed to define the drug formulary specialty wise with generic and drug strength combination and also integrated with E-Prescription.

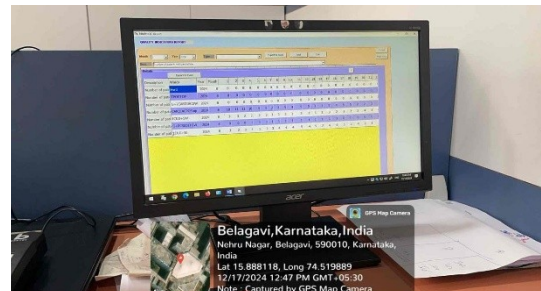

33. Document Management Record System integrated with ICD – ICP Library 10- Digitalization of manual case sheet both IPD and Out-Patient and archival of manual hand written case sheets to patients records in searchable PDF format.

34. Specialized EMR for CVTS- capturing different information -

35. Module for Hospital infection control - control hospital acquired infections by making data entry of the various wards and ICUS

**37. Nasal View / Nasometry:**

**38. Dr. Speech Software (For Speech & Voice Therapy):**

*MH*

**Principal,  
J.N. Medical College, Belgaum.**

The screenshot shows a Google Forms interface for a 'Pre test' form. The title is 'Blended learning - Pre test'. The topic is 'Classification of Malocclusion'. There is an email field with a red asterisk and a 'Valid email' message. Below the email field is a message: 'This form is collecting emails. [Change settings](#)'. There is a 'Name and roll number' field with a red asterisk and a 'Short answer text' message. Below the name field is a question: '1. Skeletal Class II malocclusion can be a result of \*'. There is a radio button option 'a. Maxillary retrognathism'. The form has a 'Send' button in the top right corner. The top bar shows 'Pre test', 'Questions', 'Responses' (64), and 'Settings'. The total points are 10.

The screenshot shows a Google Forms interface for a 'Feedback for Blended learning session' form. The title is 'Feedback for Blended learning session'. The topic is 'Model analysis and classification of malocclusion'. There is an email field with a red asterisk and a 'Valid email' message. Below the email field is a message: 'This form is collecting emails. [Change settings](#)'. There is a question: '1. Did you go through the provided video before coming to the clinical posting \*'. There are three radio button options: 'Yes', 'No', and 'If No, Mention reasons: \_\_\_\_\_'. The form has a 'Send' button in the top right corner. The top bar shows 'feedback form', 'Questions', 'Responses' (135), and 'Settings'. The top bar also shows 'All changes saved in Drive'.

## Lecture Capture System (LCS) Usage Report of KLE Dental Science.

### Objective:

KLE Dental Science was looking for an effective automated solution through which they can capture the sessions happening in the classroom so that they can address the below points.

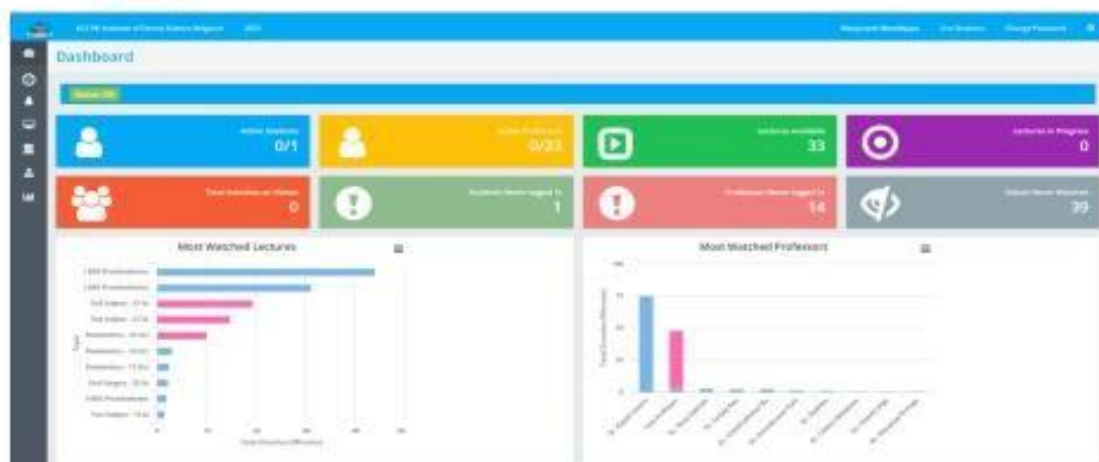

- Access to recorded lectures and other study materials allows students to relive their classroom experience, anytime anywhere virtually.
- Helping the teaching faculties in improving and advancing their Teaching practices
- Having a platform where students and professors are Connected.
- Giving an opportunity to never miss a class to all the students where they can watch the classroom session any number of times from anywhere.
- Content creation and sharing among students.

### Benefits to Institute Professors and Students:

- Automatic lecture capture with HD-quality Audio and Video
- The institute can serve wider audiences and share expertise through lecture-capture classrooms.
- Content creation which can be used as a digital library and Faculty Training
- Instructional feedback to the faculties to improve teaching practices (non-intrusive)
- For Students, improved performance, and deeper subject understanding
- Collaborative learning and increased engagement between students, professors, and management (upGrad Campus platform advantage).

### Background:

- Impartus Lecture Capture System is used for Flipped classrooms and virtual classrooms. The institute has captured 29 lectures through the Lecture Capture System.
- 23 Professors have been registered in the LCS System and recording the lectures as per their schedules.

## Department of oral pathology and microbiology

### ICT based equipment's/software's:

#### 1. ADELTA OPTEC Microscope with TAB

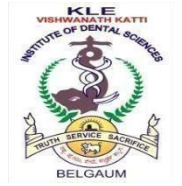

Department has purchased an innovative binocular microscope with docking station for Android Tablet with electronic LED pointer along with dry oil objective indigenously prepared by ADELTA OPTEC. This is a smart LED microscope designed for distance and remote telepathology.

It allows for whole field of view live image streaming, instant image capture and sharing on social media platforms like zoom and google meet for telemicroscopy. It is used for virtual teaching and learning.

Belagavi,

### **GALAXIS GALILEOS Implant software**

GALAXIS is software for dental practices and clinics that enables the preparation of three-dimensional volume reconstructions of the maxillofacial region. Proceed to surgical guide and implant planning with GALILEOS Implant software.

#### **Features:**

Evaluate surgical and prosthetic parameters immediately and simultaneously

Measure gingival line and thickness prior to surgical procedures

Optimize implant alignment and assure correct placement to achieve optimum results:

- Reduced incidence of esthetic complications
- Avoidance of angled abutments – Patient-specific abutments
- Reduced incidence of unfavorable loading, which can shorten Implant life

### **Densply Sirona CBCT machine**

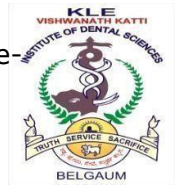

The machine delivers sharper-than-ever 3D imaging. From incredibly sharp 2D panoramic images with its DCS sensor and Sharp Layer Technology, to full 3D volume flexibility due to its selectable fields of view and easier, more secure patient positioning for the perfect image, the Densply Sirona facilitates every practice workflow. Paired with SIDEXIS, it offers you even more options for your practice, allowing you to be more efficient than ever before. The Densply Sirona intuitive user interface and automatic positioner aids can be very easily operated by the office team, which minimizes waiting times, avoids the need for corrections, and guarantees perfect results.

The image shows a Google Forms interface for a V Sem- Assignment 2024, Industrial Pharmacy-I 2024. The form has two questions: 'Registration number' and 'Name of the candidate', both with 'Short answer text' input fields. The 'Responses' tab is selected, showing 60 responses. A table is displayed with columns for 'Assignment Topic' and 'Formulation consideration of liquid orals'. The table has 3 rows of data.

| Assignment Topic | Formulation consideration of liquid orals |
|------------------|-------------------------------------------|
|                  |                                           |

# KLE COLLEGE OF PHARMACY, BELAGAVI

A Constituent Unit of **KLE Academy of Higher Education and Research**

Re-accredited **A<sup>+</sup> Grade** by NAAC (3<sup>rd</sup> Cycle) Placed in **Category 'A'** by MHRD (Gol)

**B. Pharm** program has been accredited by **NBA** (4<sup>th</sup> Cycle) for a period of **6 years** (up to June 2025)

**Dr. Sunil S. Jalalpure,**  
Principal

KLE College of Pharmacy, JNMC Campus, Nehru Nagar, Belagavi Karnataka, India-590 010,

Phone: +91 831-2471399; Web: [www.klepharm.edu](http://www.klepharm.edu); E-mail: [principal@klepharm.edu](mailto:principal@klepharm.edu)

## 1. PPT UPLOADS IN CONTINEO

The institute makes use of a number of technologies to deliver current information, and computer-based wire services can send a steady stream of breaking news into the facility. CONTINEO is the one platform in which the PPT's are uploaded and students can refer from it. Total of 91 PPT's of various subjects are uploaded at contineo portal.

The screenshot displays the Contineo portal interface. At the top, there are navigation tabs for 'INFINIX', 'Inbox - asha@kle...', 'Welcome to Instit...', 'Welcome to Instit...', 'Contineo - Bringin...', and 'Welcome to Instit...'. The main content area shows a list of 14 uploaded PPTs, each with a title, author, upload date, and a 'DELETE' button. The list is as follows:

| S.No. | Title                                                                 | Author                     | Upload Date            | Action |
|-------|-----------------------------------------------------------------------|----------------------------|------------------------|--------|
| 1     | Complete information related to abortion including nursing management | Mrs. Asha Bhat             | 05-06-2019 03:06:53 PM | DELETE |
| 2     | Essential Newborn Care                                                | S.N.Kharade                | 13-06-2019 03:06:16 PM | DELETE |
| 3     | Minor Disorders of Pregnancy and its Management                       | Mrs. Helkham Gineta Channu | 14-06-2019 11:06:50 AM | DELETE |
| 4     | Importance of breast feeding                                          | Mrs. Shweta Dandagi        | 29-01-2021 04:01:13 PM | DELETE |
| 5     | Minor disorders during pregnancy and its management                   | Mrs. Shweta Dandagi        | 29-01-2021 04:01:48 PM | DELETE |
| 6     | Physiological changes during pregnancy.                               | Mrs. Shweta Dandagi        | 29-01-2021 04:01:17 PM | DELETE |
| 7     | Episiotomy                                                            | Mrs. Shweta Dandagi        | 29-01-2021 04:01:40 PM | DELETE |
| 8     | Management of pregnancy                                               | Mrs. Shweta Dandagi        | 29-01-2021 04:01:11 PM | DELETE |
| 9     | Management of II stage of labour                                      | Mrs. Shweta Dandagi        | 29-01-2021 04:01:20 PM | DELETE |
| 10    | Psycho social and cultural aspects of pregnancy.                      | Mrs. Shweta Dandagi        | 29-01-2021 04:01:56 PM | DELETE |
| 11    | Signs and symptoms of pregnancy.                                      | Mrs. Shweta Dandagi        | 29-01-2021 04:01:20 PM | DELETE |
| 12    | Family welfare programs                                               | Mrs. Asha Bhat             | 01-02-2021 07:02:17 PM | DELETE |
| 13    | Normal Labour                                                         | Mrs. Shubharani S. Muragod | 03-02-2021 10:02:16 AM | DELETE |
| 14    | Mechanism of labour                                                   | Mrs. Shubharani S.         | 03-02-2021 10:02:50 AM | DELETE |

At the bottom of the screen, there is a Windows taskbar showing the date and time as 21-12-2023, 12:54. A language selection dropdown is visible, showing 'English (India)' and 'English (India)' with the instruction 'To switch input methods, press Windows key + space.'
