Dr. Nirmala S. Anand	FALAQ FIROZ PALOJI	AA0121056	Year 3	16-05-2024	The first meeting was conducted and Falaq was asked to fill the mentorship format and come up with difficulties that she faced and we mutually decided on a date to meet up. A convenient date will be reached on consensus and all of us will meet again for discussing issues related to students.	04-09-2024	Falaq is an obedient student, she has very good attendance in all the clinical subjects. Her concern should be theory marks in forensic medicine for which she should meet the subject experts and solve question papers.	27-11-2024	Falaq has good attendance in her subjects as well as clinical postings but needs to focus on FMT, GEN MEDICINE and allied and Gen surgery theory marks. She needs to plan studying these subjects and use the question paper bank to solve them.

DIVYAM KANUNGO	AA0121051	Year 3	16-05-2024	The first meeting was conducted and Divyam was asked to fill the mentorship format and come up with difficulties that he faced and we mutually decided on a date to meet up. Divyam was asked inform regarding any academic and social problems he encountered	04-09-2024	Divyam has good attendance in most clinical subjects with the exception of psychiatry where his attendance is 64 %. His performance in Community medicine theory is very poor, similarly his forensic medicine theory marks are just average which he needs improvement. He needs to meet the subject experts and focus on reading and solving more Question papers.	27-11-2024	Divyam has good attendance in his subjects as well as his clinical postings. He has scored well in PSM but needs to prepare for FMT where he has scored 48 %. He needs to solve more FMT papers and consult the faculty for guidance.
----------------	-----------	--------	------------	--	------------	--	------------	---

DURGAA DIVATE	AA0121055	Year 3	16-05-2024	The first meeting was conducted and Durgaa was asked to fill the mentorship format and come up with difficulties that she faced and we mutually decided on a date to meet up. Since they are in a new environment we will discuss the common issues and difficulties faced by them	04-09-2024	Durgaa has very good attendance in all her clinical theory as well as postings. Her concerns are theory marks of community medicine and forensic medicine .She should devote more time to study these subjects and solve more question papers from banks.	27-11-2024	Durga has good attendance for he subjects but needs to improve her Gen medicine theory classes attendance. She has been absent for PSM, FMT, Gen Surgery theory exams as well as orthopaedic practicals . This will reflect in her marks. she needs to be pre empt in attending all her exams
DSOUZA HAYDEN SUNIL	AA0121054	Year 3	16-05-2024	The first meeting was conducted and Hayden was asked to fill the mentorship format and come up with difficulties that he faced and we mutually decided on a date to meet up. Hayden was asked to notify if he had any academic or social issues faced by them.	04-09-2024	Hayden has very good attendance in all the clinical theory as well as postings. His performance in 3- year part 1 subjects is also good.He attends mentorship meetings regularly.	27-11-2024	Hayden has good attendance in his subjects as well as clinical postings, he has been absent for PSM , FMT and Gen Surgery theory exams and Orthopaedic practicals.He needs to avoid being absent as it can reflect on his scores.

DIVYANI M	AA0121052	Year 3	16-05-2024	The first meeting was conducted and Divyani was asked to fill the mentorship format and come up with difficulties that she faced and we mutually decided on a date to meet up. Divyani was asked to inform me regarding any problems faced last year	04-09-2024	Divyani has very good attendance in all her clinical subjects both for theory and clinical postings. Where i see an issue is Forensic medicine theory marks where she has scored average marks,she needs to focus on forensic medicine by time management by allocating more time towards forensic medicine	27-11-2024	Divyani has very good attendance in all her subjects and clinical postings , she has scored 78% in PSM which is commendable but needs to improve her theory performance in medicine and general surgery. She needs to make a time table and plan the subjects accordingly.
Divya Parvatrao	AA0121050	Year 3	18-06-2024	The first meeting was conducted and Divya was asked to fill the mentorship format and come up with difficulties that she faced and we mutually decided on a date to meet up	04-09-2024	Divya has good attendance in all her phase 3 part 1 subjects as well as clinical subjects. She needs to focus on improving her Forensic medicine marks. She needs to solve more question banks. She is an obedient child. she attends mentorship meetings regularly.	27-11-2024	Divya has good attendance but needs to manage her theory marks in PSM, FMT namely. she should focus reading and revising these subjects by making a time table for them.

	DIVYANSH SINGH	AA0121053	Year 3	16-05-2024	The first meeting was conducted and Divyansh was asked to fill the mentorship format and come up with difficulties that he faced and we mutually decided on a date to meet up. Divyansh was specially asked to decide the academic issues he faced and come to me	04-09-2024	divyansh has been very inconsistent in his attendance for all clinical subjects especially OBGY,Ortho and Psychiatry the attendance is 0 and 1 % respectively. He does not attend mentorship meetings and seems callous in his attitude.He needs to refocus and star studying	27-11-2024	Divyansh has to improve his Gen medicine, Surgery and psychiatry attendance which is very poor. His theory performance in PSM and FMT is also below average. His theory marks in dermatology and OBGY is 0 , he is absolutely inconsistent. He has newer turned up for a mentorship meeting. In case he has issues he should meet the subject experts. He should attempt to understand the subject with their help and try and solve question banks.

Dr Sheethal u. Harakuni	KHUSHI RAKESH SHAH	AA0122092	Year 2	20-02-2024	Doing great. I have given tips on learning pharmacology.	07-05-2024	Khushi has performed very well in all the subjects. I appreciate her dedication to her academic as well as extracurricular activities. She knows her responsibilities and time management.	10-09-2024	Good performance. Keep it up! Always there is a scope to improve.

KINSHUK MALHOTRA	AA0122093	Year 2	20-02-2024	I have asked him to improve his handwriting. He is working.	07-05-2024	KINSHUK has done well in all the subjects. He realizes that there is a scope to improve. He is sincere and obedient student.	10-09-2024	Always there is a scope to improve. Identify your weak topics. Revise repeatedly, make notes.
KRATI KATARE	AA0122094	Year 2	20-02-2024	She is doing well.	07-05-2024	KRATI KATARE is performing well in all the subjects. However, she is not happy with her performance in pharmacology. She is advised to discuss various groups of drugs with her friends so that she remembers the pharmacology portion in a better manner. She agreed to the suggestion.	10-09-2024	Good performance. Keep it up! Always there is a scope to improve.
KRISH TRIPATHY	AA0122097	Year 2	20-02-2024	Microbiology is a bit tough for him. I have asked him to make his basics strong. Then we can discuss how to study microbiology.	07-05-2024	KRISH TRIPATHY could not make it to the meeting. However, as I can see, scores need to be improved. The attendance for clinical subjects needs to be taken care of.	10-09-2024	The student did not attend the mentor meeting. The reason for pharmacology marks being withheld is due to mobile being carried by Krish during exam. Similar complaint was noted from Gen. Medicine department. It is advised to Krish to be sincere in his attendance.
KSHITIZ CHOPRA	AA0122098	Year 2	20-02-2024	he has almost revised pharmacology and Pathology. He will start working on microbiology.	07-05-2024	KSHITIZ CHOPRA could not make it to the meeting. I can see there is scope to improve in all the subjects. However the scores in Pathology theory are good, keep it up.	10-09-2024	Good performance. Keep it up! Always there is a scope to improve.

	KRISH JIGNESH JAIN	AA0122096	Year 2	20-02-2024	Collected Email ID and phone number for record.	07-05-2024	KRISH JAIN is studying hard by making notes and reading the topics. However, he agreed that his work is not reflecting in his exam score. He positively agreed to work still hard and get good scores in next IA.	10-09-2024	Good performance. Keep it up! Always there is a scope to improve
	KRISH BHAMBHANI	AA0122095	Year 2	20-02-2024	He is working on subjects. He is following the timetable.	07-05-2024	KRISH BHAMBHANI has performed well in II PY subjects. He is regular to all the classes.	10-09-2024	Good performance. Keep it up! Always there is a scope to improve.

Dr. Atteequeurrehman Harlapur	AYUSHMAAN SINGH	AA0122039	Year 2	29-02-2024	The concerns with regard to the subject was addressed. Keep in mind all subjects are equally important, though i suggest you read more for the subjects for upcoming annual examination more than the subjects which are for next year. however its important to score 40% marks in all internals	04-05-2024	Work hard on microbiology and continue to work on all the subjects simultaneously. you are doing good work just needs a little more dedication. Attendance in obg clinical posting is less, next posting of obg you cannot miss any class keep that in mind.	11-09-2024	1. Theory Internal assessment marks of pharmacology have gone down from 62 in first internal to 31 in second internal, focus to improve this score to minimum of 50% and above in prelims. 2. Theory Internal assessment marks of microbiology have improved to the extent I expected first internal he scored 28 and second internal he scored 40, in order to get eligibility, he must score minimum of 46 marks in each paper, anything above 50% is satisfactory but I urge him to go beyond 60% marks. 3. Practical internal assessment marks of pharmacology and forensic medicine needs improvement. 4. Study plan and time management discussed. 5. Take care of your health too eat well and sleep well use only the waking hours to study, do not study

BHANDARE DRISHTI DHANANJAY	AA0122041	Year 2	29-02-2024	No change in contact information. The concerns with regard to the subject was addressed. Keep in mind all subjects are equally important, though i suggest you read more for the subjects for upcoming annual examination more than the subjects which are for next year. however its important to score 40% marks in all internals	04-05-2024	IA marks in forensic medicine are not great, You are a 60 marks plus student, believe it and keep working hard. Attendance in surgery clinical posting is less, next surgery posting you cannot afford to miss any day. You have come a long way in handling the stress of this course. keep up the good work and reach out to me any time you feel its overwhelming you.	11-09-2024	1. Pharmacology theory internal assessment in first internal was 52, but in second internal its 34, though you will be eligible with these marks, I want you to give your best in prelims and score above 60 marks in each paper. Practical marks too need attention first internal you scored 50 and second you scored 49, these marks need to be above 60 marks. 2. Pathology theory attendance is at borderline, do not miss any more of the subject classes. 3. Microbiology theory and practical internal assessment marks need to be worked hard on, you scored 41 and 66 in first internal and 29 and 58 in second internal. In the prelims you need to score minimum of 50 in each paper to be eligible for university exams

ARYAN BAGEJA	AA0122036	Year 2	29-02-2024	As he was not present physically in the meeting, Over phone i confirmed any changes in his contact information, there were none He needs to remove self doubt, He is focused and goal oriented. Keep the goals in sight always and never ever doubt your abililites.	04-05-2024	Dont not miss any of the clinics it is important to maintain attendance above 80%, sometimes it feels boring but keep your spirit up by being curious about the subjects and adding new knowledge. All subjects are important and good knowledge of these subjects will make you an efficient doctor in the end.	11-09-2024	1. Pharmacology theory marks have to be improved, first IA score was 53, he will qualify even with 40% marks but always better to keep it above 60%. 2. Community medicine SDL attendance is on border, do not miss any more of SDL classes. 3. Time management and study plan discussed. 4. Need to balance out attending clinical posting with studies, do not miss on clinical postings.

ARYAN MOHAN KUMAR	AA0122037	Year 2	29-02-2024	As he was not physically present during the meeting, over phone I confirmed that there is no change in his contact information. Keep up the small victories everyday in studies.	04-05-2024	Need to understand that all subjects are equally important please pay good attention to microbiology forensic medicine. Your attendance in clinical posting is also less in OBG see to it next posting you dont miss and make it up to 80%	11-09-2024	<p>1. Attendance seems to be the major issue in general medicine and obstetrics and gynecology. Pay special attention and do not miss anymore of final year subject classes in coming academic year.</p> <p>2. Practical marks need to be paid attention too, keep them above 60, as the 40% is minimum in theory and practical, but aggregate 50% will be needed to pass the university exams.</p> <p>3. Time management and study plan discussed.</p> <p>4. Do not miss the clinical postings for studies, use time available judiciously.</p> <p>5. Apart from giving your sports event permission to department, I want you to give the same to the teacher concerned who is taking the class of that subject.</p>

BEDRE DIVYAM	AA0122040	Year 2	29-02-2024	No change in contact information. The concerns with regard to the subject was addressed. Keep in mind all subjects are equally important, though i suggest you read more for the subjects for upcoming annual examination more than the subjects which are for next year. however its important to score 40% marks in all internals	04-05-2024	Focus on forensic medicine and microbiology and bring up the marks there for eligibility Attendance in obg clinical posting is less next posting of obg you cannot afford to miss any clinical posting. You are balancing well your sports activity and studies keep doing it but see to it studies are not neglected for sports.	11-09-2024	1. Theory internal assessment needs lot of hard work in forensic medicine although you are going to give exams for this only in next academic year, but in order to be eligible you need minimum 50% aggregate. 2. Pharmacology Practical IA marks are below 60 marks, work hard and keep it above 60. 3. General medicine theory attendance is low too, attend all the theory classes next year. 4. Obstetrics and gynecology theory attendance is low, attend all the next classes by this department and catch up before final year starts. 5. Study plan and time management discussed. 6. Do not do night outs, sleep by 11 pm and get up by 6 am. Use the waking hours to study.

BHARATI ATUL KUMAR SINGH	AA0122042	Year 2	29-02-2024	No change in contact information. The concerns with regard to the subject was addressed. Keep in mind all subjects are equally important, though i suggest you read more for the subjects for upcoming annual examination more than the subjects which are for next year. however its important to score 40% marks in all internals	04-05-2024	You need to attend all the community medicine classes hence forth. IA marks in community medicine are not up to the mark. You have done well over all. I know sometimes its ok to be relaxed in some subjects, I know you will catch it up really well in coming days. Keep up the good work.	11-09-2024	1. Well done, proud of you, the consistency you maintained is very commendable. 2. Understand you had to sacrifice the clinical posting attendance to catch up on studies, Next rotation of all the posting I am expecting you to be at 100% attendance. 3. Keep up the good work, please concentrate on health too eat healthy and sleep well too. 4. Eat well, keep fruits at your side, have one each of a dry fruit everyday. Sleep by 10:30 11 pm and get up by 5 5:30 am. 5. You have become eligible to write the university exams, now you concentrate in studying for the finals.

	ARYAN RANA	AA0122038	Year 2	29-02-2024	As he was not present physically during the meeting, I confirmed over phone that there are no changes in his contact information. Please interact more with me. I know you can do everything on your own, just that love to be a part of your journey here. Reach out no matter what.	04-05-2024	You have not been attending forensic medicine classes and your internal assessment results are not at par. Please meet me in the department of biochemistry soon after you finish your practical's	11-09-2024	<p>1. During the meeting he brought up the issues he was facing and has positive outlook now towards studies.</p> <p>2. It is good that you have understood your shortcomings and have started working on it.</p> <p>3. Would be a proud mentor if you score marks which you have set as goals for microbiology and pathology.</p> <p>4. It's never too late to work on ourself, keep going without prejudice and self-doubt.</p>

Dr.Sunil S Vernekar	ADITYA RAJ	AA0123018	First Phase	04-11-2023	<p>This was the first meeting with the batch of the seven students on 4-11-2023 in the Women's and Children's Health Research Unit, JNMC. All the mentees were present in the meeting. There was brief introduction from all the students and the mentor.</p> <p>The students were explained about the mentorship program, the support they will get from the mentors during their stay in the college. They were encouraged to always speak out to the mentors if they were facing any issues in the college or hostel.</p> <p>There were no specific issues from the students. They mentioned that they were well settled in the hostel and had no problems. There was some discussion on the textbooks to be referred in Physiology and also on various methods of learning. We also decided to have regular meetings. A whatsapp group was created with all the mentees and the mentor for better communication. The students also verified the details (name and contact) of</p>	14-02-2024	<p>Classes attended theory and practicals, but needs to put more efforts in all the subjects.</p> <p>Discussion of internal assessments and steps for improvement.</p> <p>Motivated for taking up small research projects.</p> <p>Discussion on adjustments/difficulties related to academics, hostel stay, food, etc.</p>	13-05-2024	<p>A mentorship meeting with the batch of the seven students was conducted on 13-05-2024 in the staff room of Physiology Dept, JNMC. All the mentees were present in the meeting.</p> <p>The meeting was called for the discussion on any issues related to the recent internal exam, especially because the students wrote their exams in the tabs.</p> <p>There was a mixed response from the students, some said that they felt it was difficult or rather they were concerned when the tab stopped responding in the middle of the exams, but they also said that they did not lose any matter which was written. It started again with the help of the technical team in the exam hall. But otherwise, drawing diagrams was better in the tabs by making use of the tools provided</p>	26-07-2024	<p>-An online/zoom mentorship meeting was conducted on 26-07-2024.</p> <p>-Discussed on the results of preliminary exam and scope of improvement.</p> <p>-Discussion on how to get good marks in the exams.</p> <p>-Students expressed that they were putting efforts to score well in the finals.</p> <p>-Students did not have any health or other issues.</p>

Dr. Manjunath.S.Somanavar	APOORVA SHRIVASTAVA	AA0123033	First Phase	06-11-2023	Introductory meeting was conducted on November 6, 2023 in the department of Biochemistry. All the details of the student were collected and exchanged the contact details of the mentor. Student's queries related to text book/reference book/library resources/research projects were discussed.	07-02-2024	Performed well in First I A practical examinations. However, needs improvement in theory assessments of all subjects. Attendance is good. Advised to keep up the learning momentum	13-05-2024	Performed better in Second I A examinations (compared to first I A) and Attendance is good. However, still needs improvement in theory assessments of Biochemistry and Anatomy. Advised to keep up the learning momentum	23-07-2024	4th meeting was conducted on 23rd July 2024 (Online Via GoogleMeet). He was congratulated for being eligible to appear for Phase I university examinations. Noted of the issue with login to contineo: informed about the temporarily blocking of all the students login to contineo during uploading of Final marks and attendance. Now the issue has been resolved. Minimum marks for each paper in a subject: Total theory marks (aggregate) in each subject should be 40% (No minimum limit for each paper in a subject). Aggregate in Theory and Practical should be 50% for passing in the examination. He is comfortable with ePad examination.

Advised to keep up the learning momentum	13-05-2024	Performed well in Second I A examinations and Attendance is good. Advised to keep up the learning momentum	23-07-2024	4th meeting was conducted on 23rd July 2024 (Online Via GoogleMeet). She was congratulated for being eligible to appear for Phase I university examinations. Noted of the issue with login to contineo: informed about the temporarily blocking of all the students login to contineo during uploading of Final marks and attendance. Now the issue has been resolved. Minimum marks for each paper in a subject: Total theory marks (aggregate) in each subject should be 40% (No minimum limit for each paper in a subject). Aggregate in Theory and Practical should be 50% for passing in the examination. She is comfortable with ePad examination.
