Report on TB Eradication Day at KLE College of Pharmacy, Bengaluru

Date: 07/12/2024 Event: TB Eradication Day Pledge Venue: KLE College of Pharmacy, Bengaluru

On 7th December 2024, KLE College of Pharmacy, Bengaluru, commemorated TB Eradication Day with a pledge ceremony aimed at raising awareness about the importance of eradicating tuberculosis (TB) from society. The event was organized by the National Service Scheme (NSS) Units 8, 15, 34 & 35 of the college, with significant participation from the institution's leadership, faculty, and students.

Key Attendees:

- Dr. A.J. Rajamma, Principal of KLE College of Pharmacy, who guided the event.
- **Dr. Mamatha**, NSS Advisor of the college.
- Program Officers from NSS Units 8, 15, 34, and 35.
- 5 Teaching Staff Members and 2 Non-teaching Staff Members.
- 75 NSS Students, actively participating in the pledge and event.

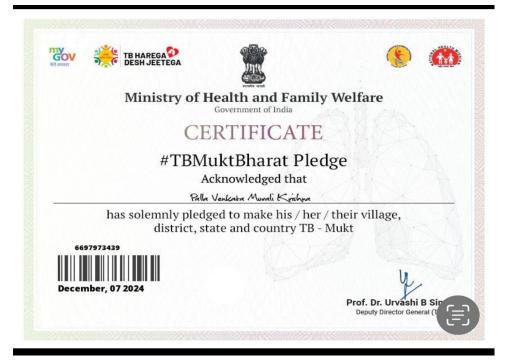

Event Details: The program began with a brief introduction on the significance of TB Eradication Day, highlighting the global efforts to eliminate tuberculosis and the role of community awareness in achieving this goal. The Principal, Dr. A.J. Rajamma, emphasized the importance of spreading knowledge about TB prevention, early diagnosis, and the complete treatment course to prevent its spread.

Following the introduction, all attendees, including the faculty and students, took a pledge to fight against tuberculosis and commit to spreading awareness regarding the prevention, treatment, and eradication of the disease. The pledge was led by Dr. Mamatha, the NSS Advisor, with the participants taking a solemn vow to contribute to this noble cause.

The program concluded with a vote of thanks and a reminder to continue spreading awareness both within the college and in the local community. The event reflected the college's dedication to social responsibility and health advocacy.

Conclusion: The TB Eradication Day event was a success in fostering a collective commitment to eliminate tuberculosis from society. The active involvement of the NSS units, teaching and non-teaching staff, and students reflects the college's dedication to contributing positively to public health initiatives.
