Brief Report of the Soft Skill Development Capability Enhancement Programme (AETCOM Module)

| Sl.No | | |
|-------|--|--|
| 1. | Title of the Capability Enhancement programme | 1. Discussion of Kalamazoo consensus statement 2. Allotment of Two Scenarios 3. Assessment of communication process with patients in an empathetic manner |
| 2. | Type of Capability Enhancement programme | Soft Skill Development |
| 3. | Date and Time of Programme | 22.6.2024 Time:2pm to 5pm |
| 4. | Venue of Programme | Demo Room No.10-First Floor J N Medical College Belagavi. |
| 5. | Programme organized by Department & staff incharge | Organised by : Department of Community Medicine Staff Incharge: Dr. Yogesh Kumar S Professor, Dr. Deepti M Kadeangadi Professor, Dr. Asha Bellad Associate Professor ,Dr. Rajesh R. Kulkarni Associate Professor. |
| 6. | No of students participated | 50 |
| 7. | Brief report of the programme | <p>The second class on AETCOM module 3.1 was devised based on the 'Kalamazoo Consensus Statement Assessment Tools'.</p> <p>Firstly, as set induction, the students were told about the increasing cases of violence against doctors in recent times and the role of communication or miscommunication as a cause for such untoward incidents, as well as the need for effective communication. Recent statistics and studies regarding workplace violence in hospitals were touched upon. The differences in expectations of patient and doctor, the likelihood of miscommunication, and the role of empathy were discussed in brief. Following the Kalamazoo Essential Elements Communication Checklist, which contains seven evidence-based "essential elements," or tasks, of effective physician-patient communication, providing skill competencies for each element was the core concept of the class.</p> |

| | | |
|---|------------------|--|
| | | <p>The domains under each element were discussed in detail.</p> <p>A few chosen videos were shown about good and bad communication skills of physicians as examples for better understanding of the students.</p> <p>At the end of class, the students were divided into small groups and scenarios were given for each. The scenario contained a situation wherein the students will have to roleplay as a treating physician and counsel a patient, thereby assessing the students' understanding of the concepts of empathy and effective communication skills.</p> |

KLE College of Pharmacy, Belagavi conducted a seminar on Communication Skills and Professional Etiquettes for B. Pharm students on 11th November 2024. The workshop was organised by career counselling and placement cell of KLE College of Pharmacy, Belagavi.

"Communication is the key to knowledge", as educators we act as the medium of transaction of effective knowledge and thoughtfulness into the young explorative minds of students. Therefore, it becomes evident that we enhance and polish our communication and self – presentation skills in order to transact precise, valid and explicit information through our instructions and interactions with our students. This webinar aims at educating the student about the importance meaning and scope of communication and etiquettes thereby providing them a wider perspective about using various advanced methods and technological tools in order to reach out to their students effectively. It also aims at helping student organize their communication skills and focus on their personality development to be an ideal representation of themselves in their future.

Mrs. Nisha S Shirkoli welcomed all the participants on behalf of career counselling and placement cell, and introduced the speaker Dr. Anjana Adhyapak and encouraged participants for active participation. 2nd year B. Pharm students were benefited from this seminar.

Dr. Dr. Anjana Adhyapak explained different domains of clinical research areas and the job roles in various sectors.

Seminar focused on education to enlighten the students pursuing the B. Pharm course the following points.

- The basic understanding and importance's of verbal communication.
- Importance of communication and professional etiquettes.

Highlights:

- ✓ Introduction to the concept of communication, its types and effective use.
- ✓ Do's and Don'ts of verbal communication as well as non-verbal communication was clearly emphasized.
- ✓ Unique methodologies that could be incorporated to achieve a clear and explicit information transfer as well as communication in a classroom set up both through the online and offline platform was emphasised.

The importance and difference between language and communication was highlighted and the student were introduced to basic grammatical concepts and their usage to ensure effective communication process.

| | | <p>language . It is also aimed to improve the communication skill of the students in spoken English also.Students usually coming from rural background or who have undergone schooling in local vernacular language will benefit from these English classes.Students are provided guidance like how to improve English vocabulary, how to find good literature to read and importance of English writing to learn about the language .</p> <p>Students are motivated to increase their command over English speaking and remove stage fear while speaking in English. This has helped the students to have good communication skills and also in the overall development of their personality.</p> |

| | <p>23/02/2024 from 3.00 PM to 5.00 PM at KLE Centenary Convention Centre , Belagavi.</p> <p>The program began with inviting the guest and dignitaries on the dias. Firstly brief introduction of the program and welcoming of the guest , Mr Nayeem M Shaikh was done by the students.</p> <p>Dr Rajesh Pawar , Vice Principal Sir spoke about the importance of making yoga an integral part of our daily life for overall wellbeing.</p> <p>The program began by seeking the blessings of the almighty by chanting the prayer. Session started with asanas for warming up and stretching followed by a series of Padmasanas, Sukhasan , Tadasana , Bhujangasana and ending with Shavasana . Exercises for relieving stress and flexibility were also done for the benefit of students . The program concluded with an interactive session between the instructor and the students in which queries of the students were addressed satisfactorily. The yoga session was very refreshing , reviving and relaxing. The students participated with full interest ,</p> |

| NAME OF PROGRAM | JUDO SELF DEFENCE CLASS |
| ORGANIZED BY | Gender Champions |
| DATE AND TIME | 2 September to 13 September 2024 |
| VENUE | JNMC Campus |
| NO. OF PARTICIPANTS | 600+ including students across all phases |
| BRIEF REPORT | The university successfully organized a series of judo classes exclusively for medical girl students, aimed at promoting self-defense and physical fitness. The sessions were conducted by the experienced instructor, Ms. Rohini, who ensured a practical and engaging learning environment. Over the course of the program, students learned fundamental judo techniques, enhancing their confidence and personal safety skills. The initiative received enthusiastic participation, fostering camaraderie and discipline among students. Feedback highlighted the importance of such sessions in empowering young women in a demanding academic field. The university plans to organize similar workshops to continue supporting students' holistic development. |

attended by an average of 160–180 students on all four sessions. **Dr. A.P.Hogade** , Head of Pharmacology Department, and **Dr. Anupama M. G., (course coordinator)**, led the course. The course included a pre- and post-test, as well as student feedback and certification of participation.

Session 1: The first resource speaker on the subject of "stress busters; adopting good habits for healthcare" was **Dr. Sunita Y Patil**, Professor, Department of Pathology. This was followed by a group discussion with 2 invited alumni of this college. Dr Balasubramanian, and Dr Pranav Adhyapak. The major topics of discussion were how to manage study-related stress in professional environments and how to avoid developing negative habits because of social/peer pressure.

Session 2 Dr. Vinay Bannur, Assistant Professor, Department of Forensic Medicine, spoke about elements of drug abuse. Sir also shared stories of substance abuse victims in order to raise awareness among students. The session included celebrity interview videos, news clips, and various documentary stories based on true events.

Session 3: Professor of Pharmacology **Dr. Shashikant Torgal** gave a talk titled "Say NO to alcohol in student life." Sir provided interactive instructions choosing to say no to alcohol in student life fosters clearer thinking, better health, and enhanced academic performance. There was a student activity on Ted Talk on "Why I Will Say No to Alcohol," which provided a forum for students to express their opinions on the subject in a free and open manner. **Session 4:** This session focused on emotional intelligence and mindfulness. **Dr.**

Yasmin Nadaf, Professor, and Head of the Psychology department led

| | | <p>the session, which included exercises for the students to identify facial expressions and determine their emotional quotient.</p> <p>The last activity for the students was a poster competition with the theme "hidden hazards of substance abuse & alcohol on student life." The competition featured participation from about 14 groups of students. Dr Vanishree. S. Bubanale, Professor in the Department of Biochemistry and Dr. Shantala Shripad Herlekar Assistant Professor in the Department of Physiology, judged the competition. The winners received certificates. The posters were incredibly imaginative, significant, and colorful. This suggests that the students have a thorough understanding of the risks associated with drug abuse and alcohol.</p> |

Summary report of
10th International Day of Yoga – 2024
Celebration & yoga competitions
KAHER's Shri B.M. Kankanawadi Ayurveda Mahavidyalaya

The 10th International Day of Yoga was observed on 21st June 2024. The Program was conducted in the morning, starting at 8:00 am and was organized by KLE Academy of Higher Education and Research, Belagavi. This event was hosted by Department of Swasthavritta & Yoga in association with NSS Unit-3 of KAHER's Shri B.M. Kankanawadi Ayurved Mahavidyalaya, Belagavi.

The Pre-International Day of Yoga 2024 countdown programme was held at KAHER's Shri B. M. Kankanawadi Ayurveda Mahavidyalaya in Shahapur, Belagavi as a part of the National initiative of the Morarji Desai National Institute of Yoga, under the Ministry of Ayush on 31st May, 2024

A series of competitions were held on 8th and 20th June 2024 to encourage the talent of young and enthusiastic children all around the State. Yogasana for Girls and Boys (8 to 12 years of age), Yogasana for Girls and Boys (Yoga for 13 to 17 years of age), Yogasana competition for Girls & Boys (18 to 22 years of age), Yogasana competition for Girls & Boys (23 & above age), Rhythmic Yoga pair competition, Solo Bharatanatyam competition for Male & Female, Artistic Yogasana Pair, Yogasana competition for UG and PG Male & Female, Yogasana competition for Teaching and Non-teaching staff Male & Female, Yogasana competition for KLE Morning Yoga participants Male & Female and Rangoli competitions were also arranged.

Around 95 Participants had participated eagerly in all the competitions. Winners of various yoga competitions held on 8th were awarded prizes the same day. Winners of Yogasana competition for UG and PG Male & Female, Yogasana competition for Teaching and Non-teaching staff Male & Female, Yogasana competition for KLE Morning Yoga participants Male & Female and Rangoli competitions were awarded prizes on the day of International Day of Yoga 21st June, 2024.

EVENT 1: INTERNATIONAL DAY OF YOGA CELEBRATION at KAHER's, Centenary Hall, JNMC.

On 21st June 2024, the 10th International Day of Yoga celebrated at KLE Academy of Higher Education, in Centenary Hall JNMC Campus in collaboration with ACPR (The Academy of Comparative Philosophy & Religion), Shri Gurudev Ranade Mandir Hindwadi, the celebration began at 8.00 am with an invocation song, followed by lighting of lamp by all the dignitaries followed by welcome address by Dr. M S Ganachari (Registrar, KAHER's, Belagavi)

Then the program progressed with a yoga demonstration by the yoga instructor Mrs Rashmi Yoga Instructor, KLE Shri BMK Ayurveda Mahavidyalaya along with Dr Pallavi and Dr Shivaleela (Pg Scholars Dept. Of Swasthavritta & Yoga) followed by briefing of activities conducted on the eve of Yoga Day by Dr. Ashok Patil. Prof & Head, Department of Swasthavritta and Yoga, KLE Shri BMK Ayurveda Mahavidyalaya, Belagavi.

The Felicitation was done to Eminent Mrs. Pratibha Dhamnekar, the Yoga Guru who had been Teaching and Practicing yoga for 30 years, followed by Token of appreciation was given to Advocate Maruti Zirali (ACPR secretary) followed by his speech. Then Token of appreciation was given to Media partner Mr. Mahesh Bijapur (Editor, Vijaywani)

Following the event, the prize was distributed for the winners of the MAYURA – 2024 Yogasana events.

The Presidential speech given by Dr. Nithin Gangane on the event, and also by Dr Suhas Kumar Shetty, Principal & Medical Director (Organizing Chairman).

The Vote of thanks was delivered by Dr. Ashwini Narasannavar (NSS Co-Ordinator, KAHER's) and the program was ended with National Anthem.

Department of Swasthavritta & Yoga

The program was a grand success under the Guidance of Dr. Suhas Kumar Shetty (Principal & Medical Director, Organizing chairman).

| | <p>Obstetrics and Gynecology at KAHER's JNMC for CBME MBBS final year Part II students on 21st and 22nd September 2024. A total of 51 students enrolled in the course, which offered a comprehensive blend of theory and practical sessions, spanning a total of 16 hours.</p> <p>The theory lectures were designed to address contemporary, relevant, and practical topics, with the primary objective of updating students' knowledge and equipping them with essential skills for safe, efficient medical practice. The course aimed to prepare them for the medico-legal challenges they may encounter in the field of obstetrics and gynecology. Topics covered were carefully selected, as outlined in the course brochure, to ensure relevance to real-world clinical scenarios.</p> <p>One of the most distinctive aspects of this course was the renowned persons involved, each with extensive clinical and practical experience in their respective fields. Their expertise added significant depth to the learning experience, making the course not just theoretical but also highly practical. In addition, the hybrid mode of the course allowed for the participation of national faculty, enabling students to benefit from a wide range of perspectives and knowledge from experts across the country.</p> <p>The practical sessions were a highlight of the course, offering students hands-on exposure to real-world clinical environments. These sessions included onsite visits to the Ultrasound Department (USG), the Operation Theatre (OT), and the Labour Room facilities.</p> <p>Following the completion of the course,</p> |

| | <p>the post-course evaluation revealed an overwhelmingly positive response from the participants. Each student was awarded a certificate of participation, and feedback analysis showed that 86% of the respondents agreed that the course significantly contributed to their professional growth. Additionally, 90% of the participants felt that the topics covered were contemporary, practical, and applicable to their future careers. The vast majority of attendees expressed high regard for the resource persons, noting that their vast clinical experience and ability to provide practical insights were instrumental in enhancing the quality of the course.</p> <p>The majority of faculty members received ratings of 4 or 5 in all categories, reflecting the high level of satisfaction among the students. 85 % of the students considered the lecture hall a suitable environment and 90 % were satisfied with catering service</p> <p>To assess the students' comprehension of the course material, a post-course test was conducted, consisting of 40 questions drawn from the topics covered during the two-day course. The results were encouraging, with the majority of participants achieving scores of 60% or higher, indicating a strong understanding of the material presented.</p> |

Residential master's training in Sahaj Naadi Pareeksha
Date- 28th Jan 2024 to 4th Feb2024
Report on: Workshop on "Naadi Pareeksha"

| S.No | Contents | Remarks |
|------|---|--|
| 1) | Name of the Department | Department of Roga Nidan |
| 2) | Name of the event organized | Workshop |
| 3) | Title of the event | Residential master's training in Sahaj Naadi Pareeksha |
| 4) | Date of the event organized | 28 th Jan 2024 to 4 th Feb2024 |
| 5) | Name of the coordinator of the event | Dr.Manjula K Professor & HOD Dept of Roga Nidan KAHER's Shri.B.M.K Ayurveda Mahavidyalaya, Belagavi. |
| 6) | Class of the participant | Internes, PG Scholars, Practitioners & Teaching Faculty |
| 7) | No. of participant (Student + Staff) | 19 PG Students + 01 Staff (in house) 09 Practitioners + 06 Internes |
| 8) | Objective of the event | The objective of the training program was to understand the meaning, physiology, and various levels of Sahaja nadi, Tantu nadi, and Dhoota nadi pariksha and its interpretation toward diagnosis. |
| 9) | Outcome of the event | Students were trained to assess the dosha imbalance, sadhyasadyata, and the possibility of a cure through a structured seven-level methodology. Physicians and students can use this knowledge to determine a person's nature, dosha imbalance, disease progression, and prognosis, thus enabling them to plan effective treatment as quickly as possible. All the participants found this workshop very useful for their practice |

Report

Workshop and Handson

"High Performance Liquid Chromatography"

(Date, time and Venue: 4th April 2024 @ 9.30 am,
Seminar Hall, Fifth Floor, KLECOP, Belagavi)

One day national level workshop and Hands-on **High-Performance Liquid Chromatography** was organized by Department of Pharmaceutical Chemistry, KLE College of Pharmacy Belagavi, on **4 April 2024**. **Dr. M. S. Palled** and **Mr. Shailendra S. Suryawanshi** were the coordinators of workshop. The workshop and hands on training on HPLC was planned for undergraduate, post-graduate students, Research Scholars and Faculty members form field of Pharmaceutical, Health and Allied Health Sciences. The main highlights of workshop were A Brief introduction of HPLC: Principle, Operation and Applications, Software Training on Data Acquisition, Data Processing, Data Reporting, Method Development, Dos and Don'ts while Operating System along with hands on HPLC. Around **44 participants** from different regions of Karnataka and Maharashtra have been actively participated in workshop. Students, research scholars and faculty members are from different professions like Pharmacy, Engineering, Medicines and Allied Sciences of different universities like Rajiv Gandhi University of Health Sciences, Karnataka, KLE University, Belagavi, KLE Technological University, Hubli, Rani Chennemma University, Belagavi, Shivaji University, Kolhapur and Dr. Babasaheb Ambedkar Technological University, Maharashtra have been involved in Workshop.

The resource persons from our own department and also our own alumni working in pharmaceutical industry have delivered there talks on different topics. **Mr. Nikhil Gawas, Mr. Shailendra S. Suryawanshi, Dr. M. S. Palled, Dr. Meenaxi M. Maste, Mr. Rahul Kademany, Mr. Rahul Koli** were the resource person for workshop. The workshop venue was in Seminar Hall, KLE College of Pharmacy, Belagavi and it was started at 9.30 am with inauguration function followed by theoretical sessions and practical training.

Details of Inaugural Programme

The inaugural function of workshop was started at 9.30 am with invocation song by **Mr. Adarsh Patil**, B. Pharm III Year student followed by welcome address by **Dr. Meenaxi M. Maste**. Presentation of bouquets to the guest and members on stage was done by faculty members of Department of Pharmaceutical Chemistry. **Mr. Shailendra S. Suryawanshi** have delivered about HPLC workshop, followed by Lighting of Lamp by dignitaries. Introduction to Principal was done by **Dr. M. S. Palled**, followed by Introduction to Chief guest was done by **Dr. S. G. Alegaon**. The chief guest of function was **Dr. Bannappa Ungar**, Scientist-E, ICMR NITM, Belagavi. He has addressed the gathering on research importance and need for research. Precedential remarks were given by **Dr. Sunil S. Jalalpure**, Principal, KLE College of Pharmacy, Belagavi followed by vote of thanks by **Dr. B. M. Dinnimath**, Assistant Professor, KLE College of Pharmacy, Belagavi.

About Topics and Training Session

There were different sessions based on theory and practical training were delivered by resource person. Mr. Nikhil S. Gawas Assistant Professor, Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi have delivered a lecture on Strategies for HPLC Method Development and Validation.

Mr. Shailendra S. Suryawanshi Assistant Professor, Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi have delivered a session on Optimization of HPLC Method using Analytical Quality by Design Approach.

About the College

KLE College of Pharmacy was established in 1968 in the pleasant environs of J N Medical College, Belgaum, aims to provide quality education in pharmaceutical sciences. The courses started with, Diploma in Pharmacy (1968) followed by B. Pharm (1975), M. Pharm (1988), Ph. D Program (2000), M. Sc. Clinical Pharmacy (2013) & Pharm. D (2014). The institution became a constituent unit of KLE Academy of Higher Education & Research, Belagavi, [Deemed-to-University] in 2009.

Mission of the College

Our mission is to contribute to the National Programs of providing graduates trained in pharmaceutical skills through prescribed training programs like B. Pharm., M. Pharm., Pharm D & Ph. D with professional pharmaceutical education & effective competency to undertake the national task of meeting social & pharmaceutical needs in pharmaceutical education & research.

Highlights

- A Brief introduction of HPLC: Principle, Operation and Applications
- Software Training on Data Acquisition, Data Processing, Data Reporting
- Method Development
- Dos and Don'ts while Operating System

Topics

Strategies for HPLC Method Development and Validation

Mr. Nikhil S. Gawas

Assistant Professor, Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi.

Optimization of HPLC Method using Analytical Quality by Design Approach

Mr. Shailendra S. Suryawanshi

Assistant Professor, Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi.

Trouble Shooting in HPLC

Dr. M. S. Palled

Professor & Head, Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi.

Applications of HPLC in Pharmaceutical Industry

Dr. Meenaxi M. Maste

Professor and Head, Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi.

Hands on HPLC

Mr. Nikhil S. Gawas

Assistant Professor, Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi.

For Registration Contact to:

Dr. Mahesh. S. Palled: +919448634244

Mr. Shailendra. S. Suryawanshi +919620165211

Guest Lecture on

"Relative Response Factor: An Important Analytical Concept in Herbal Industry"

14.09.2024

Guest lecture on **"Relative Response Factor: An Important Analytical Concept in Herbal Industry"** was conducted by Department of Pharmacognosy, KLE College of Pharmacy, KAHER, Belagavi on 14th September 2024.

Dr. Prakash Neswi, Principal Scientist, Research and Development, Himalaya Wellness Company, Bengaluru served as resource person. He spoken on importance and scope of relative response factor in herbal research especially in impurities analysis. He also briefed on career opportunities in pharmaceutical industries for pharmacy professionals.

Dr. M. B. Patil, Vice Principal and Head, welcomed the dignitaries.

Dr. Sunil S Jalalpure, Principal, KLE College of Pharmacy, Belagavi introduced resource person.

Around 70 research scholars, PG students and faculties were actively participated in the program.

Mrs. Sneha B Patil proposed vote of thanks.

Mr. Akshay K Patil coordinated for the smooth conduct of program.

REPORT ON GUEST LECTURE

RECENT ADVANCES OF IN SILICO DRUG DISCOVERY

A guest lecture was conducted by Department of Pharmaceutical Chemistry on 28th October 2024, with guest speaker Dr. Raguvir Pissurlenkar, Professor from Goa College of Pharmacy, Goa. His insightful talk on "Recent Advances of In Silico Drug Discovery" provided valuable insights into the cutting-edge methodologies and techniques being employed in modern drug development.

Dr. Pissurlenkar began his lecture by emphasizing the significance of computational methods in accelerating drug discovery processes. He explained how in silico techniques, such as molecular modeling, virtual screening, and quantum mechanics, have revolutionized the way scientists identify and optimize potential drug candidates. The lecture covered a wide range of topics, including:

- **Molecular dynamics simulations:** Their role in understanding protein-ligand interactions and conformational changes.
- **Machine learning applications:** Their potential in predicting drug properties and toxicity.
- **High-throughput screening:** How computational methods can be used to screen vast libraries of compounds efficiently.
- **Case studies:** Examples of successful drug discovery campaigns that have leveraged in silico approaches.

Dr. Pissurlenkar's presentation was both informative and engaging, captivating the audience with his expertise and passion for the field. The interactive Q&A session that followed allowed participants to clarify their doubts and delve deeper into specific aspects of in silico drug discovery. Overall, the guest lecture was a resounding success. It provided our students and faculty with a valuable opportunity to learn about the latest advancements in drug discovery and explore potential research collaborations.

About 100 UG, PG, PhD Research Scholars & faculty benefitted from the program. The program was successfully organized under the guidance and supervision of Dr. Sunil S.

GUEST LECTURE REPORT ON "PLAGIARISM"

On November 6, 2024, the Department of Pharmaceutical Chemistry successfully organized a guest lecture by Dr. P.A. Patil, Professor and Head, Department of Pharmacology, USM-KLE, on the critical topic of "Plagiarism." The event was well-attended by faculty members, research scholars, and students. Dr. Patil, a renowned expert in the field, provided insightful knowledge and practical guidance on recognizing and avoiding plagiarism. The session included the following points –

- **Definition and Types of Plagiarism:** Dr. Patil began by defining plagiarism as the act of using someone else's work without proper acknowledgment. He discussed various types of plagiarism, including direct copying, paraphrasing without citation, and self-plagiarism.
- **The Importance of Academic Integrity and consequences:** He emphasized the significance of academic integrity and the ethical implications of plagiarism. Dr. Patil highlighted the potential consequences, including academic penalties such as expulsion, failure of courses, or revocation of degrees. He also discussed the damage to reputation, both personal and professional, that can result from plagiarism. Dr. Patil shared several real-world examples of high-profile cases of plagiarism, highlighting the severe consequences faced by individuals and institutions involved.
- **Effective Citation Practices:** The speaker provided detailed instructions on how to properly cite sources using different citation styles. He explained the importance of accurate referencing and the use of quotation marks and paraphrasing techniques.
- **Tools and Techniques for Detecting Plagiarism:** Dr. Patil introduced various tools and techniques available to detect plagiarism, such as plagiarism detection software and manual checking. He emphasized the importance of critical thinking and careful research practices to avoid unintentional plagiarism.

The guest lecture was highly informative and engaging. It served as a valuable learning opportunity for all participants, fostering a deeper understanding of academic integrity and ethical research practices.

About 105 PG students, PhD Research Scholars & faculty members benefitted from the program. The program was successfully organized under the guidance and supervision of Dr. Sunil S. Jalalpure, Principal & Convener, Dr. Meenaxi Maste, HOD, Dept. of Pharmaceutical Chemistry and the Program Co-ordinators Dr. Preeti Salve & Mr. Rohan Singadi.

GUEST LECTURE ON

Plagiarism

A guest lecture has been organized by Department of Pharmaceutical Chemistry on 6th November 2024. All the VI Year Pharm D, M. Pharm students, PhD research scholars and faculty members are hereby invited to attend the guest lecture.

Invited Speaker: Dr. P A Patil,

Professor, USM-KLE, Belagavi.

Date & Time: 06.11.2024, Wednesday at 11:00 AM

Venue: Seminar hall, 5th Floor

Head of Department

HOD, Pharmaceutical Chemistry
KLE College of Pharmacy,
BELAGAVI - 590010.

Guest Lecture Report

"CLINICAL TRIALS AND THE CRO - AT A GLANCE"

Guest Lecture was conducted on 20th May, 2024 at KLE College of Pharmacy, Hubballi. Mr Zainul Abidin M Dharwad, Central Risk Manager, Caidya, Trivandrum as a resource person.

During the lecture he covered the evolution and basics of Clinical Trials, elaborated different phases of clinical trials, discussed importance of ethical considerations and informed consent and briefed about drug development process in research sites. Students were sensitized about future opportunities in this field. The lecture was attended by 40 students of M.Pharm of KLE College of Pharmacy, Hubballi. Constructive feedback was obtained from the participants.

Guest Lecture Report

“Endophytes- A Source of Bioactive Compounds”

Guest lecture was organized by Dept. of Pharmacognosy on 19th March, 2024 in LH-5. Dr. Gaviraj EN, Professor & Head, Dept. of Pharmacognosy, BLDEA's SSM CoP, Vijayapura was the resource person. The topic for the lecture was, **“Endophytes- A source of Bioactive Compounds.”**

During his lecture, he highlighted the potential role of endophytes as source of bioactive compounds in the field of Drug Discovery. The lecture was attended by 121 students of B.Pharm, constructive feedback was obtained from the participants.

Subject: Invitation to Deliver Guest Lecture on "**Endophytes - A Source of Bioactive Compounds**"

Sir,

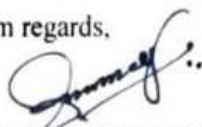

I hope this message finds you well. I am reaching out to you on behalf of Dept. of Pharmacognosy, KLE College of Pharmacy, Hubballi, with a sincere invitation to deliver a guest lecture on the topic entitled, "**Endophytes - A Source of Bioactive Compounds.**"

As an esteemed expert in this field, your insights and expertise in this area would be invaluable to our students and faculty alike. The subject of endophytes and their potential as a source of bioactive compounds is an area of growing interest and significance in the field of Drug Discovery, and we believe that your expertise would greatly enrich our academic community.

As it was discussed over telephonically to schedule the lecture on 19th March, 2024 at 11.00 am, and we would be honored to host you as our distinguished guest speaker. We anticipate that your lecture will provide a comprehensive overview of the latest advancements, research findings, and potential applications related to endophytes and bioactive compounds, offering invaluable insights to our audience.

Thank you for considering our invitation, Prof. Gaviraj. We look forward to the opportunity to host you and to benefit from your expertise.

Warm regards,

Dr. AHM VISWANATHA SWAMY,
PRINCIPAL

To,

Dr. Gaviraj EN
Professor & Head
Department of Pharmacognosy
BLDEA's SSM College of Pharmacy
Vijayapur

Dear Dr. Gaviraj EN,

On behalf of the faculty, staff, and students of KLE College of Pharmacy, Hubballi, I would like to express our sincere gratitude for accepting our invitation and delivering an enlightening guest lecture on "Endophytes - A Source of Bioactive Compounds" on 19th March, 2024.

Your extensive knowledge and expertise in the field of Pharmacognosy were clearly evident throughout your presentation. Your ability to articulate complex concepts in a comprehensible manner greatly benefited our students, providing them with valuable insights into the fascinating world of endophytes and their potential applications in drug discovery.

We are genuinely grateful for your valuable contribution to our academic community and for enriching our educational endeavors with your presence. The knowledge and perspectives shared during your lecture will undoubtedly have a lasting impact on our students' academic and professional journeys.

Once again, thank you for your time, effort, and dedication in making the guest lecture a resounding success. We look forward to the opportunity of welcoming you back to our institute for future academic endeavors.

Warm regards,

PRINCIPAL

Report on: Respect in Human values

IMPARTING AYURVEDA EDUCATION SINCE 1933

| S.No | Contents | Details |
|------|--|---|
| 1. | Name of the Department | V-Criteria Student Support and Progression |
| 2. | Name / Title of the event organized | Respect-In Human Values |
| 3. | Date of the event organized | 19-08-2024 |
| 4. | Resource person | Ms. Radhika Behan Brahmakumari Centre, Shahapur Branch Belagavi-590003 Mobile No:9449071008 |
| 5. | Name of the coordinator/ Member secretary | Dr. Prashant G. Jadar, Vice- Principal KAHER's Shri.B.M.Kankanawadi Ayurveda Mahavidyalaya, Belagavi 590003 Mobile No: 9448301308 |
| 6. | Class of the participant | BAMS First year 2023 batch. |
| 7. | No. of participants / Beneficiaries | 37 students |
| 8. | Objective of the event | A positive feeling towards another person or the person's skills, opinions or other characteristics and the honoring of a person's beliefs, ideas or culture. |
| 9. | Outcome of the event | Participants learnt about the treating someone with respect means: <ul style="list-style-type: none"> • Showing regard for their abilities and worth. • Valuing their feelings and their views, even if you don't necessarily agree with them. • Accepting them on an equal basis and giving them the same consideration you would expect for yourself. Respect begins with oneself. • Rakhi is a reminder of the vow of purity in thoughts, words and actions. It is a promise of |

protection. The spiritual significance of Raksha Bandhan is when one takes a sacred divine vow of purity with the God, to live a life of purity in thoughts, words and actions.

Report on: Human Value Development programme

| S.No | Contents | Details |
|------|--|--|
| 1. | Name of the Department | V-Criteria Student Support and Progression |
| 2. | Name/Title of the event organized | • Right action |
| 3. | Date of the event organized | 20-11-2024 |
| 4. | Resource person | Shri.Mokshatmananda Swamiji Ramakrishna Matt Killa Area-Belagavi Mobile: 9449966706 |
| 5. | Name of the coordinator/ Member secretary | Dr. Prashant G. Jadar, Coordinator for NAAC V- Criteria KAHER's Shri.B.M.Kankanawadi Ayurveda Mahavidyalaya, Belagavi -590003 |
| 6. | Class of the participant | I Professional BAMS (2024) & I Year MD/MS (2024) |
| 7. | No. of participants/Beneficiaries | 140 Students (UG-69 & PG- 71) |
| 8. | Objective of the event | • It's about resisting the temptation to do the wrong things, or to procrastinate on doing the right things. |
| 9. | Outcome of the event | • Students learnt about the -Right Action is doing the right thing when you need to do it . It's about looking out for our own self-interest and doing the "right" thing according to our own standards and morality. • Right action refers to actions in accordance with wisdom and compassion . Wisdom means responding to what the present moment calls for without vexation, and hence not generating suffering for ourselves. When our mind isn't agitated, we're less prone to act in ways that cause harm. |

Following is the List of Medications dispensed in the Health Camp:

LIST OF MEDICATIONS

TABLETS

- Albendazole 400 mg
- Amoxicillin 500 mg
- Azithromycin 250mg
- B Complex
- CPM
- Calcium+VitD3
- Ciprofloxacin 500 mg
- Diclofenac Sodium 50mg
- Deriphylline 150mg
- Doxycycline 100mg
- Fluconazole 150mg
- Folic acid
- Ferrous Sulphate
- Metronidazole 500 mg
- Paracetamol 500mg
- Prednisolone 100mg
- Pantoprazole 40mg
- Cyclopam

OINTMENTS AND SOLUTIONS

- ORS Sachets
- Calamine Lotion
- Liquid Paraffin
- Diclofenac Gel

SYRUP

- Albendazole
- Cough Syrup
- Paracetamol Syrup
- Antacid Syrup
- Calcium Syrup
- B Complex Syrup
- Amox Dry Syrup

EYE AND EAR DROPS AND OINTMENTS

- E/D Ofloxacin
- E/D Ocupal
- E/O Otibiotic
- E/D Soli Wax
- E/D Refresh

Guest talk report

| Sl. No. | Particulars | |
|---------|--|---|
| 1 | Name of the program | Guest Talk on “Awareness on Cervical cancer: The Fourth most common cancer in women globally”. |
| 2 | Program organized by | Women Empowerment Cell |
| 3 | Department/Association involved | Pharmacy Students |
| 4 | Date | 24 th February2024 |
| 5 | Duration | 01 Day |
| 6 | Location | Sharada Sabhangana, KLE College of Pharmacy, Bengaluru |
| 7 | Name and Designation of the Speaker | Dr. Abhilasha Narayan (Surgical Oncologist HCG Cancer Center, Bengaluru) |
| 8 | Objective of the program | The objective of your guest talk could be to raise awareness about cervical cancer, its prevalence as the fourth most common cancer in women globally, and the importance of early detection and prevention methods such as regular screenings and vaccination against HPV. |
| 9 | Activities/Highlights of the program | The event took place on Saturday, and was attended by a diverse audience including the postgraduate students, Ph.D. scholars, Bachelor of Pharmacy final year students, and teaching staff. The guest talk began with an overview of cervical cancer, highlighting its prevalence as the fourth most common cancer in women worldwide. The speaker discussed the various risk factors for cervical cancer, including HPV infection, smoking, and lack of regular screenings. They emphasized the importance of prevention through vaccination, regular screenings (Pap smears), and safe sexual practices. A question-and-answer session was held at the end of the talk, allowing attendees to ask specific questions about cervical cancer, its prevention, and treatment. Dr. Anusuya Patil extended a warm welcome to the attendees and provided a brief introduction to the guest speaker. Ms. Geethika Harikumar expressed gratitude in the vote of thanks. |
| 10 | No. of students participated | 120 students |
| 11 | No. of Teachers participated | Female faculty members |
| 12 | Beneficiaries Benefited from the program | Guest talks was really effective in raising awareness about important health issues like cervical cancer. |

| | | <p>equity researcher , public health educator and a Professor at the College of Public Health, Thomas Jefferson University. Madam in her most candid ways delivered a talk about health care and its dimensions, and how various determinants of health impact learning and understanding of community as healthcare professionals. Dr Frasso's insightful discourse shed light on the profound impact of social determinants such as socioeconomic status, education level, and access to healthcare on individual's wellbeing. She emphasized the crucial role of healthcare professionals not only in treating illnesses but also in empowering communities to lead healthier lives. Through education and advocacy, she stressed, healthcare providers can address systemic inequalities and promote preventive measures, ultimately reducing the reliance on medical interventions. Her lecture left an indelible mark on the minds of the attendees, inspiring a renewed commitment to holistic approaches to healthcare delivery and education.</p> |

| 1 | Name of the program | Cons Endo Week 2024 |
| 2 | Program organized by (Dept) | Department of Conservative Dentistry and Endodontics |
| 3 | Department /Association involved | Department of Conservative Dentistry and Endodontics |
| 4 | Conducted on | 16 th & 17 th March 2024 |
| 5 | Duration | 02 days |
| 6 | Location | KLE VK Institute of Dental SciencesBelgaum |
| 7 | Objective of the /program | "Magnification and Retreatment: Clinical Protocols" |
| 8 | Guest Speaker | Speaker : Dr Narasimhan Bharadwaji the Founder - Director of Access® Dental Institute - Root Canal Center (Estd 2001), a specialty driven Dental Clinic with Microscope Enhanced Root Canal Treatment & Training at Kilpauk – Chennai. |
| 9 | Activities carried out during the program | In collaboration with DENTSPLY, Labored, and Bombay Dental Surgical, the Department of Conservative Dentistry and Endodontics orchestrated a dynamic two-day workshop on March 16th and 17th, 2024. Titled "Magnification and Retreatment - Clinical Protocol," the workshop was meticulously crafted and spearheaded by Dr. Narsimhahn Bharadwaj, tailored specifically for our esteemed postgraduate students and faculty members. Coordinated by Dr. Suresh Shenvi, the event garnered considerable enthusiasm and participation. The inauguration ceremony was graced by the esteemed presence of Dr. Alka Kale, Principal of KLE VKIDS, setting the tone for an enlightening and immersive experience. This workshop served as a platform for delving into the intricate applications of magnification techniques and the adept utilization of ultrasonic tools in dental procedures, providing invaluable insights and practical skills to enhance professional proficiency |

"Career Prospects in Pharmacy"

15th March 2024

Organized by

KLE College of Pharmacy, Belagavi

A constituent unit of

KLE Academy of Higher Education & Research

In association with

Clini Launch Research Institute, Bangalore

SPEAKER

Mr. Hrishikesh Mutalik,

Director,

Clini Launch Research Institute, Bangalore

PROGRAMME CO-ORDINATOR

Mrs. Nisha S. Shirkoli

Assistant Professor and Placement Officer

KLE College of Pharmacy, Belagavi

CONVENER

Prof (Dr) S. S. JALALPURA

Principal,

KLE College of Pharmacy, Belagavi

KLE College of Pharmacy, Belagavi conducted a seminar on career prospects in pharmacy for D. Pharm and B. Pharm students on 15th March 2024. The workshop was organised by career counselling and placement cell of KLE College of Pharmacy, Belagavi.

The seminar focused on the opportunities for pharmacy students in Bio Informatics, Bio Statistics, Clinical Research, Clinical Sas, Medical Coding, Medical Scribe, Medical Transcription, Hospital / Clinical / Community Pharmacy and Other Career Paths for Pharmacy.

Mrs. Nisha S Shirkoli welcomed all the participants on behalf of career counselling and placement cell, and introduced the speaker **Mr. Hrishikesh Mutalik** and encouraged participants for active participation. A total number of 152 students from D. Pharm and B. Pharm students were benefited from this seminar.

Mr. Hrishikesh Mutalik explained the most booming careers in pharmacy viz. Pharmacovigilance, Regulatory Affairs and Pharma Consultant and different domains of Regulatory science and the job roles in various sectors.

Webinar also focused on what are industries expectations from fresher, secretes for achieving higher package, and how exactly placements happen.

Ms. Nisha Shirkoli
Placement Officer

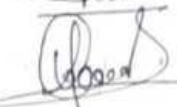

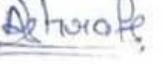

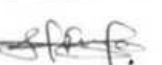

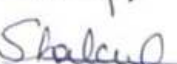

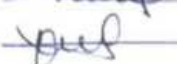

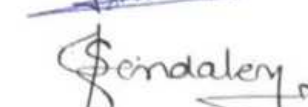

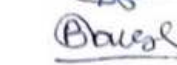

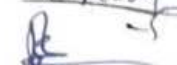

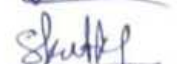

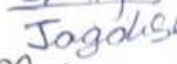

Prof. (Dr.) Sunil S. Jalalpure
Principal **PRINCIPAL**

KLE College of Pharmacy

Assistant Professor and Placement Officer

KLE College of Pharmacy, Belagavi

CONVENER

Prof (Dr) S. S. JALALPURE

Principal,

KLE College of Pharmacy, Belagavi

KLE College of Pharmacy, Belagavi organized a Seminar on Competitive exams for on 27th February 2024. The seminar was organised by Career Counselling and Placement Cell of KLE College of Pharmacy, Belagavi. Speaker for the seminar was **Dr. Parixit Bhandurge**, Associate Professor, KLE College of Pharmacy, Belagavi. 3rd B. Pharm benefited from the programme.

He shared with our students what are the different competitive Exams for Pharma Graduates and Post Graduates. He added to the presentation how to prepare for Competitive exams?

Some important tips given by him are:

1. Memorize the syllabus
2. Make a time table
3. Indulge in Physical Activities (Yoga/Exercise)
4. Read newspapers
5. Watch headlines
6. Short list the books
7. Refer some specific topics
8. Indulge in mock tests
9. Practice writing and
10. Last sleep well.

Important Pharmacy Competitive exams are:

- GPAT (Graduate Pharmacy Aptitude test)
- NIPER-JEE (National Institute of Pharmaceutical Education and Research Joint Entrance exam)
- Birla Institute of Technology and Science Admission Test
- Banaras Hindu University Entrance Test
- DISPAR (Delhi Institute of Pharmaceutical sciences and Research)
- PG CET (Post Graduate Common Entrance Test)

Competitive Exams- Non-Pharmacy Careers:

- CAT (Common Admission Test)
- CMAT (Common Management Aptitude Test)
- XAT (Xavier Aptitude Test)
- NET (Joint CSIR_UGC National Eligibility Test)
- CLAT (Common Law Admission Test)

Competitive Exams for Careers Abroad

- GRE (Graduate Record Examinations)
- GMAT (Graduate Management Aptitude Test)
- TOFEL (Test of English as Foreign Language)
- IELTS (International English Language Testing System)

Positions in Drug Control Department- In Central government

- Drug Inspector
- Junior Scientific Officer
- Forensic Science Laboratory (CBI)
- Patent Officer
- Academics
- Scientist (ICMR and DRDO)

Report of workshop on

"CREATIVE THINKING"

19.02.2024

Organized by KLE College of Pharmacy, Belagavi

A constituent unit of

KLE Academy of Higher Education and Research

VENUE: Seminar Hall, KLE College of Pharmacy, Belagavi

Programme Co-Ordinators and Resource Person

Mrs. Nisha S. Shirkoli,

Assistant Professor and Placement Officer,

Department of Pharmaceutical Quality Assurance

KLE College of Pharmacy, Belagavi

Convenor

Prof (Dr.) S. S. Jalalpure

Principal,

KLE College of Pharmacy, Belagavi

KLE College of Pharmacy, Belagavi, conducted workshop on "Creative Thinking" on 19th February 2024. This workshop was organized by the Career Guidance and Placement Cell of KLE College of Pharmacy, Belagavi focusing on illuminating students about how best to utilize creative thinking in their academic activities.

Prof (Dr.) S. S. Jalalpure, Principal and Convenor of programme welcomed all the participants on behalf of entire fraternity of KLE College of Pharmacy, Belagavi and introduced resource person for the programme Mrs. Nisha S. Shirkoli to fellow participants.

Workshop covered the aspects of how to enhance ability of thinking into more creative and logical way. A total of 55 students of Masters in Pharmacy were benefited from the workshop.

By practicing creative thinking, we are allowing ourselves not only to solve problems, but also come up with new and creative ideas to do so. Creative thinking allows us to analyse these ideas and apply them accordingly. Two approaches for creative thinking were explained and encouraged to use in academic activities.

➤ **Thinking Hats: Approach Creative Thinking by de Bono**

1. **White Hat**— stating facts and information, things you already know.
2. **Yellow Hat**— looking at the bright side, being optimistic and positive, adding value and benefits.
3. **Red Hat**— expressing feelings and emotions, your reactions and opinions.
4. **Blue Hat**— managing and controlling, looking at the bigger picture.
5. **Green Hat**— exploring other alternatives, generating new ideas and solutions.
6. **Black Hat**— being realistic and practical, being cautious, finding where things might go wrong, discovering dangers and difficulties. Black Hat is usually called the 'devil's voice'.

➤ **Lateral Thinking: Creative Thinking Approach**

1. **Risk Taking:** Being adventurous and ready for life's challenges pushes you a step forward to creativity.
2. **Playing:** Trying to play and be funny at times gives you the chance to manipulate the given problem accordingly to what you need.
3. **Regularly asking Why:** Being curious and nosy, wanting to ask questions all the time opens endless doors and possibilities.
4. **Generating large quantity of ideas:** By producing a big number of possible solutions, a smart, unique, unexpected answer might be discovered.
5. **Day Dreaming:** Wondering about things related to your project frees your mind to expand its horizons and explore new ways out there.
6. **Reading:** Going to the library and spending hours reading can nurture your imagination and grow a strong creative thinker

Workshop covered the areas of how and when to apply creative thinking in research and academic activities. For this, different activities were included in workshop viz,

1. **Mind Squeezing Activity:** Where in students were showed some clip arts for 30 seconds and told them to recall and list out the items. This activity tests students' observation and memory skills. After the class completes listing out the items discuss various strategies that students used to recall the items on the page. For example, they might have memorized them in rows or columns; they might have classified them into groups.
2. **Question and Answer Activity:** Where students were asked some logical and moral questions to answer.
E.g.: i. Which superpowers would you choose and why?
ii. What would happen if we humans could start living in space? Would you want to live in outer space? How come?
iii. How do you handle working with someone you don't really like?
3. **Future Headlines Activity:** 10 yrs. from now in pharmaceutical industry what may be the headlines
4. **Fill the Circles Activity:** Each participant was given one 6 Circles sheet of paper and something to draw with. The goal is to push people to test their creativity by turning circles into recognizable objects in a very short period of time.
5. **Theme advertisement Activity: Topics:**
 1. Advertisement on promoting your college
 2. Advertisement on promoting your profession
 3. Advertisement on promoting a health drink/ a Pen/ Lipstick
6. **Story Teller:** A storytelling game is a game where multiple players collaborate on telling a spontaneous story. Each player takes care of one or more characters in developing the story.
7. **Human Knot Activity:** Participants connect hands with two other people in the group to form the human knot. As a team they must then try to unravel the "human knot" by untangling themselves without breaking the chain of hands
8. **Perfect Shapes with Rope:** A short exercise that forces small teams to communicate when they can't see one another or their progress. The challenge is to take a length of rope and lay it out on the ground to make a perfect shape. Throughout the task all team members must wear blindfolds.

“RESUME BUILDING”

28th March 2024

Organized by

KLE College of Pharmacy, Belagavi

A constituent unit of

KLE Academy of Higher Education & Research

SPEAKER

Dr. Parikshit Bhandurge

Associate Professor

KLE College of Pharmacy, Belagavi

PROGRAMME CO-ORDINATOR

Mrs. Nisha S. Shirkoli

Assistant Professor and Placement Officer

Department of Pharmaceutical Quality Assurance

KLE College of Pharmacy, Belagavi

CONVENER

Prof (Dr) S. S. JALALPURE

Principal,

KLE College of Pharmacy, Belagavi

A Seminar on 'Resume Building' was conducted on the 28th March 2027 at the KLE College of Pharmacy, Belagavi by the Training & Placement Cell of KLE College of Pharmacy, Belagavi. Dr. Parixit Bhandurge was the resource person for the Seminar Mrs. Nisha S. Shirkoli Training and placement coordinator welcomed all the participants on behalf of career counseling and placement cell, and introduced the speaker.

The purpose of the seminar was to give an idea about the Curriculum Vitae, Resume and formats. Dr. Parixit discussed the importance of Resume, the right format to be chosen, how to prepare an objective, present the skills, achievements, project details and etc.; also provided information how to answer questions related to areas of weaknesses & strengths and how to answer the questions about the things students are good at.

Dr. Parixit Started the session with simple question of the difference between a resume and curriculum vitae. The answer helped to clarifying the doubts of students that whether as a fresher one has to write a resume or a CV. He gave a general guideline on writing a resume which is as follows:

- Name
- address
- mobile no
- email
- Objective
- Education
- Work experience with responsibilities
- Skills- Educational and Managerial
- Achievements
- Referrals

Dr. Parixit explained the three formats of career summary statement viz. chronological, functional or a combination of both. Lastly feedbacks were taken from the students for the session of Communication and self-introduction. B. Pharm, III year were benefited from this seminar.

Highlights:

- ✓ Resume vs. Academic CV
- ✓ What are employers looking for when they review resumes?
- ✓ What are employers looking for when they review resumes?
- ✓ Formatting
- ✓ Dynamic Bullet Points
- ✓ Developing Content
- ✓ Measurable Achievements
- ✓ Tailor to Specific Jobs

WORKSHOP ON RESEARCH DESIGNS AND MANUSCRIPT WRITING

FINAL REPORT

Organized by

**Department of Pharmacy Practice
K.L.E. College of Pharmacy,
Belagavi – 590010**

Date & Venue

**12th -13th August 2024
Seminar Hall, 5th floor
K.L.E. College of Pharmacy,
Belagavi -590010**

Chief Coordinator

Prof. (Dr.) Sunil S Jalalpure

Programme Coordinator

Prof. (Dr.) M. S. Ganachari

WORKSHOP ON RESEARCH DESIGNS AND MANUSCRIPT WRITING

Objectives:

- This workshop is designed to equip participants with key concepts on basics of research methodology focusing on theoretical and practical inputs.
- Specifically, the formulation of research problem, formulation of research hypothesis and testing hypothesis, conducting literature review, data collection methods, selection of appropriate parametric or non-parametric statistical method for analyzing data and report writing.

The main objective of this training programme is to impart quality education and practical oriented learning of medical procedures to candidates.

Date & Venue:

The workshop program took place on **12th and 13th August 2024** at Seminar Hall, 5th floor, KLE College of Pharmacy, Belgaum, Karnataka.

Training Team:

The members of the training team were:

1. Prof. (Dr.) M S Ganachari, Professor and Head of Pharmacy Practice department, KLE CoP, Belagavi
2. Dr. Geetanjali Salimath, Dept of Pharmacy Practice, KLE CoP, Belagavi
3. Dr. Roopali Sankeshwari, Dept of Public Health, KLEVK institute of Dental Sciences, KAHER, Belagavi.
4. Dr. Sulakshana, Dept of Community Medicine, JNMC, KAHER, Belagavi
5. Dr. Shankar Alegaon, Dept of Pharmaceutical Chemistry, KLE CoP, Belagavi
6. Mrs. Shashikala Wali, Dept of Pharmacy Practice, KLE CoP, Belagavi
7. Dr. Anushree Deshpande, Dept of Pharmacy Practice, KLE CoP, Belagavi
8. Dr. S. S. Javali, Department of Community medicine USM KLE IMP Belagavi.

Agenda:

The training team agreed a draft agenda prior to the training workshop

(Attached as Annexure 1)

Participants:

The training workshop was attended by Pharm. D 5th year & M. Pharm. 1st year (Pharmacy Practice)

Total Participants – 38

➤ **Valuable comments/suggestions:**

1. It was very helpful
2. Overall an educative workshop
3. Reduce technical issues

CIRCULAR

All the faculty members are cordially invited for the inaugural function of guest lecture titled "Applications of Biostatistics using SPSS Software" organized by Department of Pharmacology, KLE College of Pharmacy, Belagavi. The Inaugural function is scheduled on 17th January at 10:20 am, Seminar Hall, 5th floor, KLE College of Pharmacy, Belagavi.

Details of Guest Lecture

Title - Applications of Biostatistics using SPSS Software

Speaker - Dr. Shivalingappa B. Javali, Senior Associate Professor, Statistics Department of Community Medicine, USM KLE, Belagavi

Principal,

KLE College of Pharmacy,

Belagavi – 590010

Schedule of Workshop:

| Sl No | Resource Person | Topic | Time |
|--------------|----------------------------|----------------------------------|----------------|
| 1 | Dr. Shivalingappa B Javali | Demonstration on SPSS soft wear | 11:00 to 12:30 |
| 2 | Mr. Kiran Bhandary | Demonstration on Sigma Plot 14.5 | 02:00 to 03:30 |

Department of Pharmacology organised guest lecture with the title of “Soft skill development in Biostatistics for Pre-clinical study” on 17th January 2024 at KLE college of Pharmacy, Belagavi. The guest lecture was included two sessions.

Dr. Shivalingappa B Javali, Sr. Associate professor in statistics, Department of community medicine, USM KLE IMP, Belagavi demonstrated SPSS soft wear for statistical studies. He also explain how to enter data and how to analyse data. Session was ended with question and answers.

Mr. Kiran Bhandary, Technical Associate, Inpixon, delivered guest lecture online mode, he demonstrated Sigma Plot 14.5 soft wear for statistical studies. He also explain how to enter data and how to analyse data. Mr. Abhinandan Munnolli welcomed the resource persons and Mr. Prakash Biradar delivered vote of thanks. Total 30 post graduate students were present.

Report on the Workshop

“In-silico Methods & Tools for Drug Discovery”

Hand-on Training on Molecular Docking & ADMET Studies

Organized by

Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi.

in collaboration with Schrodinger, Bangalore

on

23rd Febuary 2024 at 09.30 am

Convenor

Dr. Sunil S. Jalalpure

Principal,

KLE College of Pharmacy, Belagavi

Co-Ordinator

Dr. Shankar G. Alegaon

Professor,

KLE College of Pharmacy, Belagavi

Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi, organized a one-day workshop entitled “***In-silico* Methods & Tools for Drug Discovery**” in collaboration with Schrodinger Bangalore, on 23rd February 2024 at 09.30 am. The program began with the invocation song and welcome address by (Prof) Dr. Shankar G. Alegaon. The inaugural program began with the lamp lightning ceremony by (Prof) Dr. Sunil S. Jalalpure, Principal, KLE College of Pharmacy, Belagavi, (Prof) Dr. M. B. Patil, Vice Principapl, KLE College of Pharmacy, Belagavi, (Prof) Dr. Meenaxi M. Maste, HOD, Department of Pharmaceutical Chemistry, (Prof) Dr. Shankar G. Alegaon, Professor & Program co-ordinator, and (Prof) Dr.M. S. Palled, Professor, Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi, and other faculties of Dept. of Pharmaceutical Chemistry and delegates.

The workshop began with introduction to *In-silico* drug design and discovery. (Prof) Dr. Shankar G. Alegaon, The Ligand/Protein Preparation session focused on optimizing molecular structures for docking studies. Participants discussed techniques for ligand and protein refinement, ensuring accurate representation for docking simulations. Grid generation methods were explored to define interaction spaces. Key topics included structure cleaning, protonation, and grid parameterization for efficient virtual screening. The session on Building/Selection of Molecules focused on R group enumeration and database utilization by Mr. Shriram Ranade, research scholar, Dept. of Pharmaceutical Chemistry, KLE COP BGM made Attendees to explore methods for diversifying molecular structures through R group substitution. Database strategies for efficient compound selection were discussed, emphasizing the importance of data-driven approaches in drug discovery and chemical synthesis.

Post lunch sessions were full of applications of *In-silico* drug design and discovery. Participants were exposed to analysis of their molecular docking using site map analysis and ADMET prediction by Ms. Rohini Kavalapure, Asst. Professor, KLE COP BGM. "Training focused on Ligand, Structure-based, and Pharmacophore Modelling offers comprehensive

understanding of drug-receptor interactions. Participants learn molecular docking, protein-ligand interactions, and pharmacophore identification. This integrated approach equipped researchers with tools to design novel therapeutics. Practical exercises enhancing proficiency in computer-aided drug design, by Mr. Shriram Ranade, followed by "Network Pharmacology Target Identification Training" by Mr. Shankar Gharge, Research Scholar, Dept. of Pharmaceutical Chemistry, KLE COP BGM, Offered the insights into drug-target interactions using computational methods. Participants learn network analysis, data integration, and predictive modelling for drug discovery. The course equips learners with skills vital for identifying potential drug targets, optimizing therapeutic interventions, and advancing pharmaceutical research.

Inauguration

ಬೆಳಗಾವಿ ನಗರದಲ್ಲಿನ ಕೆಎಲ್‌ಇ ಕಾಲೇಜ್ ಆಫ್ ಫಾರ್ಮಸಿಯಲ್ಲಿ ಶುಕ್ರವಾರ ಆಯೋಜಿಸಿದ್ದ 'ಇನ್ - ಸಿರಿಕೋಮೆಥಡ್ಸ್ ಆ್ಯಂಡ್ ಟೂಲ್ಸ್ ಆಫ್ ಡ್ರಗ್ ಡಿಸ್ಕವರಿ' ಕಾರ್ಯಾಗಾರವನ್ನು ಪ್ರಾಚಾರ್ಯ ಡಾ. ಸುನೀಲ ಜಲಾಲಪುರೆ ಉದ್ಘಾಟಿಸಿದರು. ಡಾ. ಮೀನಾಕ್ಷಿ ಮಾಸ್ಕೆ, ಡಾ. ಶಂಕರ ಅಳೆಗಾಂವ, ರೋಹಿಣಿ ಕವಲಾಪುರೆ, ಶ್ರೀರಾಮ ರಾನಡೆ, ಡಾ. ಮಹೇಶ ಪಲ್ಲೇದ ಇದ್ದರು.

**TRAINING ON IN-SILICO METHODS AND
TOOLS FOR DRUG DISCOVERY**

On 23rd February 2024, at 9:30 AM

Organized by Department of Pharmaceutical Chemistry,

In association with Schrodinger, Bengaluru.

PROGRAM SCHEDULE

| DATE | TIME | TOPIC | SPEAKER |
|--------------------------|---------------------|---|---|
| 23/02/2024 Friday | 9:30 to 10:00 am | Registration | - |
| | 10:00 to 10:30 am | Inauguration Program | Prof. (Dr.) Sunil S. Jalalpure, Principal, KLE College of Pharmacy, Belagavi |
| | 10:30 to 10:45 am | Technical setup / Tea break | |
| | 10:45 to 11:30 am | Ligand / Protein Preparation, Grid Generation | Prof. (Dr.) Shankar G. Alegaon Professor |
| | 11:30 am to 1:00 pm | Building/selection of Molecules: R group Enumeration/ Data base | Mr. Shriram Ranade Research Scholar(Ph.D.) |
| | | Molecular Docking Analysis | KLE COP, Belagavi |
| | 1:00 to 2:00 pm | Lunch Break | |
| | 2:30 to 3:00 | Sitemap analysis & ADMET Prediction | Ms. Rohini Kavalapure, Asst. Prof., KLE COP, Belagavi |
| | 3:00 to 4:00 pm | Ligand / structure based/ Pharmacophore Modelling | Mr. Shriram Ranade Research scholar (Ph.D.) |
| | 4:00 to 4:30 pm | Target Identification by Network Pharmacology | Mr. Shankar Charge Research scholar (Ph.D.) |
| | 4:30 to 4:45 pm | Tea break | |
| | 4:45 to 5:00 pm | Valedictory function | |

Overview of Advanced excel

KLE College of Pharmacy, Belagavi arranged hands on training program on "Overview of Advanced excel"; as a part of value added course, on 6th May 2024 at V D Patil hall JNMC Campus. Mr. Suhas Rajput, Director Proficient minds Belagavi was the Resource person. Principal Dr. Sunil S Jalalpure was the convener. Around 170 students attended this program. Dr. Bhuvaneshwari Sharannavar and Mr. Rohan Singadico-ordinated this program.

Report

Guest Lectures on

**"Pharmacodia Global Database: AI Competitive Intelligence
platform for R&D and Innovation"**

&

**"Cyber-AIDD: AI tool for Innovative drug target selection and molecular
design"**

*(Date, time and Venue: 13th July 2024 @ 10.00 am,
Seminar Hall, Fifth Floor, KLECOP, Belagavi)*

The guest lectures on topics **Pharmacodia Global Database: AI Competitive Intelligence platform for R&D and Innovation** and **Cyber-AIDD: AI tool for Innovative drug target selection and molecular design** were organized by Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi on **13/07/2024** at 10.00 AM. **Dr. Meenaxi M. Maste, Dr. Shailendra S. Suryawanshi** and **Mr. Ravikiran Kanabargi** were the coordinators for the conduct of guest lectures. **Dr. Sunil S. Jalalpure**, Principal and **Dr. M. B. Patil**, Vice Principal were the Convener for guest lectures. **Mr. Sachin Marihal** and **Mr. Anilkumar** from **SaSPinjara Life Sciences Pvt. Ltd** were the guest speakers. **Dr. Subhash Marihal** also attended the lectures.

Faculty members, Ph. D research scholars, and post-graduate students have attended. More than **70 participants** were the beneficiaries in the guest lectures. The guest lectures were conducted in **Seminar Hall, KLE College of Pharmacy, Belagavi** and they were started at 10.00 AM with introduction to guest lectures and welcome address by **Dr. Shailendra S. Suryawanshi, Dr. M. B. Patil** have handed over the token of appreciation to Dr. Subhash Marihal, **Dr. Kalpana S. Patil** have handed over the token of appreciation to Mr. Sachin Marihal, **Dr. Meenaxi M. Maste** have handed over the token of appreciation to Mr. Anilkumar. **Dr. M. B. Patil** have given the introduction to Dr. Subhash Marihal. **Dr. Shailendra S. Suryawanshi** have introduced Mr. Sachin Marihal and **Mr. Nikhil Gawas** have introduced to Mr. Anilkumar.

The first guest lectures on topic: Pharmacodia Global Database: AI Competitive Intelligence platform for R&D and Innovation was delivered by Mr. Sachin Marihal, (VP-BD), SaSPinjara Life Sciences Pvt. Ltd. The second guest lecture on topic was delivered by Cyber-AIDD: AI tool for Innovative drug target selection and molecular design delivered by Anilkumar, (CSO), SaSPinjara Life Sciences, Pvt. Ltd. Both lectures were interactive, followed by question-answer session and discussion. Feedback on guest lectures were collected by Mr. Ravikiran Kanabargi. At the end of two guest lectures vote of thanks was given by Dr. Shankar G. Alegaon and program was ended with group photo.

Highlights of Topics Covered

TOPIC 1: Pharmacodia Global Database: AI Competitive Intelligence platform for R&D and Innovation.

Seminar scope/insights:

- Global Pharmaceutical Intelligence Platform for Research Professionals
- With Pharmacodia Global Database get reliable and real time updated data on drug.
- Drug includes Small molecules, Biologics, Cell therapy, Vaccine, Generic.
- Comprehensive drug information will make Researchers to strategize and execute projects more efficiently.
- Achieve "Decision making based on data" more quickly and accurately with help of AI assistance, which helps to stay ahead of the ever-changing market.
- Pharmaceutical database covers **62,865+ Drug data, 478,538+ Clinical Trials, 14,293,360+ Patents, 75,887+ Regulatory Policies** and **899,135+ Registration & Approval of global molecules** and **Pharmacopoeias** (USP, BP, EP, ChP, JP), Formulation prescription, Excipient information, Registration details of many countries including DMF details.
- **Sources of literature:**
Different kind of generating literature like conventional by books, articles. But in present scenario data intelligence platform make significant application for research publication.
- **Source of information for article:**
 - By referring literature from published articles, reference books etc makes researcher time consuming, partial access to the target study.

- Using database from worldwide information can able to prepare review article from different perspective from like
- Clinical trial – access to global clinical trials study, review article for more advancement for particular diseases – like CAR-T therapy.
- Synthetic chemistry – Synthetic route of approved, investigational molecules. Intermediates, impurities details. All these information makes chemist making new/alternative route of synthesis application with commercial applicability where database provides insights on scalability information.
- Pharmaceuticals by referring to recent drug approvals, their technology involved, most recent drug approvals, NDA/BLA, 505(b)2 approvals - rationale for approvals.
- Intellectual Property Rights (IPR) - global patent, millions of patents can be screened for specific search with application of AI, make more concise Patent assessment report for particular kind of study, same data can be downloaded in easy editable format.
- Regulatory information: global regulatory policies in single window, makes research scholar to understand global perspective for regulation implication for the study to be conducted.
- Different Pharmacopeias monograph can be accessed with easily comparable option.

Topic 2: Cyber-AIDD: AI tool for Innovative drug target selection and molecular design

The AI tool that helps to boost the efficiency in screening the innovative drug targets and designing molecular structures for early phase drug discovery.

Insights

- Global biomedical artificial intelligence market development trend
- AI Technology application-examples
- Case of Molecular design of new drug in CyberCPT
- Cyber SAR case studies

Introduction to Cyber-AIDD Platform

1)Cyber SAR: Knowledge Tool Database

1.1) Target Overview: Facilitates the proactive exploration of potential drug targets for effectiveness and potential development possibilities of targets

1.2) Helps Identifying the hit compounds and providing the insights to design first in class drugs

1.3) Third function of CyberSAR is in facilitating the rapid assay design thus providing potential implementation option

1.4) Fourth function is to efficiently acquire relevant information for Online SAR studies which provides preliminary solutions for molecular design

2)Introduction to CyberX discovery model

2.1CyberX-Hit 2.2) CyberX-Lead 2.3) CyberX candidate

3)customized services

ADVANCED SIMULATION LAB REPORT

As per the syllabus, the students of B Pharm 1st year were exposed with anatomaze in skill development lab. The students were able to understand the epithelial and connective tissue Dr Priyanka patil was the subject expert for this session.

Class: Bpharm1st sem

Subject : Human antomy and physiology

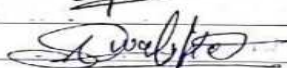

Topic: **study of epithelial and connective tissue**

BPharm 1st year
DATE → 22/5/24

Subject :- Human Anatomy and Physiology
Subject incharge :- Dr. Priyanka Patil
Topic → Study of Epithelial & connective Tissue
Time :- 12:00 pm - 1:30 pm

Workshop Details:

AI tools have the potential to greatly enhance the learning experience along with this AI algorithm can be put to good use for quickly and easily generate flawless grammatically correct, well written and accurate research manuscripts. Use of this AI knowledge can help researchers to review relevant papers, collect, comprehend and analyze data decrease plagiarism and bring about seamless team collaborations.

Objectives:

To appraise the participants with:

- Introduction to potential of AI in scientific writing and communication.
- With essential skills in manuscript writing, editing and publishing.
- Foster an understanding of ethics while using AI tools and use the same responsibly.

Expected outcomes

- To use the knowledge gained on various AI tools available for manuscript writing.
- To aid researchers in generating high quality accurate manuscripts in less span of time.
- To facilitate researchers with knowledge of using AI tools for spawning errorless, grammatically correct research papers.

Guest Talk on

"Prescience In silico Solution suite PRIN53 AI/HPC Driven Solutions Suite for Drug Design And Discovery"

29-02-2024, 10:30 AM

Venue : Sharada Sabhagana

Speaker

Ms. Mahima Kori,

Application Scientist, Prescience Insilico Pvt Ltd.
Bengaluru.

Patrons

Dr. Prabhakar B. Kore
Hon. Chancellor, KAHER

Dr. Nitin Gangane
Hon. Vice Chancellor, KAHER

Dr. Ganachari MS
Registrar, KAHER

Dr. Rajamma A J
Chief-Coordinator & Principal
KLE College of Pharmacy, Bengaluru

Dr. Priyanka Kamaria
Convenor

Organized and Coordinated by Dept. of Pharmaceutical Chemistry

Guest talk report

| Sl. No | Particulars | |
|--------|--|--|
| 1 | Name of the program | Guest Talk on “Prescience in silico Solution suite PRinS3 AI/HPC Driven Solutions Suite for Drug Design And Discovery” |
| 2 | Program organized by (Dept.) | Pharmaceutical Chemistry |
| 3 | Department/ Association involved | UG Department |
| 4 | Date | 29 th Feb 2024 |
| 5 | Duration | 01 Day |
| 6 | Location | SharadaSabhangana, KLE College of Pharmacy, Bengaluru |
| 7 | Name and Designation of the Speaker | Ms. MahimaKori, Application Scientist, Prescience Insilico Pvt ltd, Bengaluru. |
| 8 | Objective of the program | The objective of the talk is to introduce and elucidate the capabilities of the Prescience In-Silico Solution Suite (PRinS3), an innovative AI/HPC-driven solution suite tailored for drug design and discovery. |
| 9 | Activities/Highlights of the program | The guest speaker Ms. Mahimakori, has given the demo of PRinS ³ Platform which integrates five applications- ChemIn, BioIn, X-HTVS, X-ESS, SyMoG/AI which are used for Cheminformatics, Bioinformatics, Multi-Target Multi-Ligand High Throughput Virtual Screening, Multi-Target Multi-Ligand Enhance Sampling Screening, Artificial Intelligence - Synthetic Molecule Generation respectively. All modules based on physics-based methods, machine learning and cloud computing to provide best in class, highly precise solutions for in silico drug development. Finally we had discussions. Memento and Certificate of Appreciation were presented to guest speaker by Dr. Subhas S Karki. |
| 10 | No. of students participated | 54 students |
| 11 | No. of Teachers participated | 4 faculty members |
| 12 | Beneficiaries Benefited from the programme | Faculties and students of KLE College of Pharmacy, Bengaluru |
| 13 | Photographs |  |
| 14 | Outcome of the program | Through this presentation, attendees will gain a comprehensive understanding of PRinS3's significance in revolutionizing drug discovery, highlighting its potential to enhance efficiency, accuracy, and cost-effectiveness in the pursuit of novel therapeutics. |

Feedback Analysis:

| Sl. No. | Feedback | Yes, extensively/strongly agreed | Yes, to some extent/agreed | No, not really | Total Responses |
|---------|--|----------------------------------|----------------------------|----------------|-----------------|
| 1 | Did the speaker effectively demonstrate the capabilities of PRinS3 in drug design and discovery? | 14 | 37 | 3 | 54 |
| 2 | To what extent did the guest talk deepen your understanding of the integration of AI and HPC in drug discovery through PRinS3? | 11 | 35 | 8 | 54 |
| 3 | How would you rate the relevance of the case studies presented in showcasing the effectiveness of PRinS3? | 13 | 40 | 1 | 54 |

Among 54 participants, more than 14 and 40 of the participants are strongly agreed and agreed respectively that the speaker provided sufficient time for answering queries and had a good understanding of the topic.

Report on- Two days intensive workshop on one and two Dimensional NMR Spectroscopy

| Sl. No | Particulars | Information |
|--------|----------------------------------|--|
| 1 | Name of the program | workshop on one and two Dimensional NMR Spectroscopy |
| 2 | Program organized by | Dr. Prabhakar B Kore, Basic Science Research Centre (BSRC) off campus, KLE College of Pharmacy, Bengaluru |
| 3 | Department/ Association involved | Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Bangalore |
| 4 | Date | 20/03/2024 and 21/03/2024 |
| 5 | Duration | 2 days |
| 6 | Location | Sharada Sabhangana, KLE College of Pharmacy, Bangalore |
| 7 | Objective/s of the program | Objective of workshop is to equip participants with the theoretical knowledge and practical skills necessary for interpreting complex spectra, elucidating molecular structures, and exploring the diverse applications of NMR spectroscopy across various scientific disciplines. |

KLE College of Pharmacy

(Re-Accredited by NAAC, NBA, Approved by -AICTE, PCI New Delhi)

[Declared as Deemed-to-be-University under section 3 of the UGC Act, 1956 vide Government of India Notification No. F.9-19/2000-U.3(A)]

| | | |
|----|--|--|
| 8 | Activities/Highlights of the program | <ul style="list-style-type: none"> • Understanding NMR Basics: Introducing participants to the fundamental principles of NMR spectroscopy, including how nuclear spins interact with magnetic fields and the principles of resonance. • Interpretation of Spectra: Teaching participants how to interpret 1D and 2D NMR spectra, including understanding peak positions, intensities, and coupling patterns. • 1D NMR Spectroscopy: Providing in-depth knowledge of 1D NMR techniques, such as proton (¹H) and carbon (¹³C) NMR spectroscopy. This includes understanding chemical shifts, integration, and coupling constants. • 2D NMR Spectroscopy: Explaining the principles and applications of 2D NMR techniques, such as COSY (Correlation Spectroscopy) and NOESY (Nuclear Overhauser Effect Spectroscopy). • Structural Elucidation: Teaching participants how to use NMR spectroscopy to elucidate the structure of organic molecules, including determining connectivity and stereochemistry. • Applications: Discussing the wide range of applications of NMR spectroscopy in fields such as chemistry, biochemistry, pharmaceuticals, and materials science. • Advanced Topics: Optionally covering advanced topics in NMR spectroscopy, such as dynamic NMR, solid-state NMR, and advanced spectral analysis techniques. |

Guest talk report

| Sl. No | Particulars | |
|--------|--|---|
| 1 | Name of the program | Guest Talk on <i>“Advancing Drug Discovery Through Computers and Biological Information- Focus on Gene set enrichment and construction of biological network”</i> |
| 2 | Program organized by (Dept.) | Pharmacology |
| 3 | Department/ Association involved | PG Departments / Research scholars |
| 4 | Date | 3 rd September 2024 |
| 5 | Duration | 01 Hour |
| 6 | Location | Asha Kiran Hall, KLE College of Pharmacy, Bengaluru |
| 7 | Name and Designation of the Speaker | Dr. Vishal S. Patil, Project Research Scientist I at RCPIPER, Shirpur, Maharashtra, India, |
| 8 | Objective of the program | To enhance knowledge about Bioinformatics in drug discovery for PG research scholars and PhD scholars. We had good scientific discussion about network pharmacology, Molecular docking and molecular dynamics |
| 9 | Activities/Highlights of the program | The Guest talk begun with welcome note, Mr. Rajashekar S Chavan introduced the speaker to the audience and speaker was welcomed by Dr. Rajamma AJ. Speaker enlightened the audience about Cytoscapecoftware in the field of drug discovery. He also demonstrated construction of biological network for targets, pathways for phytocompounds through Cytoscape software. Finally, we had discussions. Memento and Certificate of Appreciation were presented to guest speaker by Dr. Hariprasad MG. |
| 10 | No. of students participated | 36 students |
| 11 | No. of Teachers participated | 06 faculty members |
| 12 | Beneficiaries Benefited from the programme | Faculty and students of KLE College of Pharmacy, Bengaluru |
| 13 | Photographs |   |
| 14 | Outcome of the program | Attendees gained a thorough understanding Cytoscapecoftware in the field of drug discovery. |

BRIEF REPORT OF SAW BONE WORKSHOP & HANDS ON TRAINING

CONDUCTED IN SAW BONE SKILL LAB DEPT. OF ORTHOPAEDICS, J. N. MEDICAL COLLEGE, BELAGAVI

| | | |
|----|--|---|
| 1 | Name of the Program | 15 th Workshop on Saw Bone Skills and Hands on training for Post-Graduates |
| 2 | Program organized by (Dept.) | Dept. of Orthopaedics |
| 3 | Department/Association involved | KLE constituent college faculties |
| 4 | Date | 13 th March 2024 |
| 5 | Duration | 02.30pm to 05.00pm (2 ½ hours) |
| 6 | Location | Saw Bone Skill Lab, Department of Orthopaedics, J. N. Medical College, Belagavi |
| 7 | Objective of the /Program | Hands on Training for Post-Graduates |
| 8 | Presentation | Dr. Sameer Haveri Topic: “ Principles of Interlocking Nailing Femur ” |
| 9 | No. of Beneficiaries | 12 Postgraduate Students |
| 10 | Photographs | Enclosed |
| 12 | Brief Report The Department of Orthopaedics organized a Workshop and Hands on Training for Orthopaedics Postgraduate students on “ Principles of Interlocking Nailing Femur ” Dr. Sameer Haveri gave talk on “ Principles of Interlocking Nailing Femur ” to the Postgraduate Students. Dr. Nikhil Manvi, Dr. Gangadhar Bhuti Demonstrated on “ Principles of Interlocking Nailing Femur ” on Saw Bone to the Postgraduate students and the following Faculty were present during the workshop: Dr. Ravi S. Jatti, Professor & Head Dr. S. V. Udupudi, Professor Dr. S. T. Sanikop, Professor Dr. Sameer Haveri, Associate Professor Dr. Nikhil Manvi, Assistant Professor Dr. Gangadhar Bhuti, Assistant Professor | |

Event Photographs (Geotagged)

Gave a Talk on "Principles of Interlocking Nailing Femur" by Dr. Sameer Haveri,

Demonstration on "Principles of Interlocking Nailing Femur" by Dr. Gangadhar Bhuti, Dr. Nikhil Manvi

Hands on Training of "Principles of Interlocking Nailing Femur"

FEEDBACK ANALYSIS :

| Sl. No. | Particulars | 5 Excellent | 4 Very Good | 3 Good | 2 Average | 1 Poor |
|---------|--|-------------|-------------|--------|-----------|--------|
| 1 | Standard of Questions in Pre-test | --- | 70% | 30% | -- | -- |
| 2 | Lecture regarding the Basics of External Fixators | --- | 90% | 20% | -- | -- |
| 3 | Hands on experience helped to learn the subject better | 30% | 70% | 20% | -- | -- |
| 4 | Improvement in knowledge about the subject Post-test | --- | 90% | 20% | -- | -- |
| 5 | Will the workshop help you in day today practice | --- | 40% | 20% | -- | -- |
| | Overall | 30% | 72% | 22% | | |

Impact of Workshop:

- Pre-Test and Post-Test: MCQs were evaluated and significant improvement in Skills from 63% to 80% was noted.
- Over all Feedback Analysis of workshop was 30% Excellent, 72% Very Good & 22% Good.

Report of the Awareness Program on

“Entrepreneurship Skill, Attitude & Behavior Development”

Organized by KLE College of Pharmacy, Belagavi. Under auspices of Institutional Innovation Cell (IIC), K.L.E. Academy of Higher Education & Research (KAHER)

Date: **17.02.2024** Venue: @Seminar Hall, KLE College of Pharmacy, Belagavi

Introduction

Entrepreneurship can be defined as the activity of setting up a business, taking on financial risks in the hope of profit. Entrepreneurs need to explore various business opportunities from unmet needs of society, think of innovative products and solutions. Entrepreneurs need to have knowledge and skills relevant to leadership, innovations, market research, start-up establishment, intellectual property and idea management, business plan development and control, team-building, networking management and market strategies. The workshop is organized to help students, participants understand, how to select ideas, turn ideas into profit, idea management and development of business plan. Workshop aims to foster a positive attitude towards innovation, resilience, and risk-taking, encouraging participants to embrace challenges and opportunities with confidence. Ultimately, the workshop was intended to inspire participants to take actionable steps towards realizing their entrepreneurial goals.

K.L.E. Academy Of Higher Education and Research (KAHER Deemed to be University) and its constituent units always aims to empower the upcoming students, the future professionals and budding entrepreneurs by imparting skills necessary to start a new enterprise and come out with innovations, new and improved products. To translate this vision KAHER has various effective mechanisms which include institutional Innovation Cell (IIC). University invites local entrepreneurs and various seminars, workshops are conducted to foster innovation. KLE College of Pharmacy runs value added courses on “Basic Entrepreneurship Skills” and “Bio-innovations & Basics of Intellectual property” to hone their entrepreneurship and practical business skills. This workshop on “Entrepreneurship Skill, Attitude & Behavior Development” touched upon the basics of entrepreneurship, skills, attitude & behavior an entrepreneur need to develop. Additionally, emphasis was on placed on developing entrepreneurial behaviors, effective tools, communication, collaboration skills and mindset crucial for entrepreneurial for entrepreneurial success.

The objectives of the program

- Provide participants an overview of entrepreneurial need, skills and empower them to take initiative to pursue their entrepreneurial aspirations.
- Foster entrepreneurial attitude and nucleate a mindset of innovation and risk-taking among participants.
- Furnish awareness on entrepreneurial behaviors, effective communication, leadership, and team-building skills vital for entrepreneurial ventures.

Details of the IIC workshop

Dr. M. B Patil, Vice- Principal KLE College of Pharmacy, KAHER Belagavi cordially invited the dignitaries and delegates to the seminar. In his welcome address emphasized the importance and role of faculty in developing entrepreneurial mind set and culture. **Dr. Mahesh Palled**, Program coordinator setting the context of program, gave a detailed account of skill development programs, value added courses, workshops seminars and other activities offered to empower professionals. **Dr. Parixit Bhandurge**, Internship coordinator, briefed the activities, events and support systems of Institutional Innovation Council (IIC) and KLE Academy of Higher Education & Research (KAHER) for promoting innovation and entrepreneurship.

Shri Girish Kulkarni, entrepreneurship trainer for Microenterprises, Regional Coordinator of districts of North Karnataka, Karnataka Skill Development Authority was the chief guest and guest speaker of the work shop. He gave an overview of entrepreneurship, its significance, entrepreneurial ventures, pros and cons of choosing entrepreneurship as a career path. He touched on essential entrepreneurial skills such as creativity, problem-solving, critical thinking, communication, decision-making, leadership skills, and positive attitude towards risk-taking, failure, resilience. He inspired students to have enhanced skill set, look into unmet needs, real-life entrepreneurial case studies and have the insights of market trends and customer behavior. He touched upon the government, non-government schemes and sources of finance, stories of few successful entrepreneurs, challenges faced, and their experiential entrepreneurial journey.

Dr. Mahesh Palled, Professor, Department of Pharmaceutical Chemistry gave a detailed account of facts and figures that emphasize the need for entrepreneurship in our global economy depicts the evolving landscape of entrepreneurship worldwide. He presented a data analysis of Global Entrepreneurship Index (GEI) that shows the positive correlation of entrepreneurial activity positively with GDP growth rates across countries, how entrepreneurship serves as a catalyst for economic growth, fostering, innovation, stimulating competition, how SMEs contribute substantially to net new job creation worldwide.

Dr. Nithyananda Sastry Darbha, Associate Professor, Department of Pharmacognosy spoke on "Entrepreneurship: Challenges and opportunities for Pharma, Biotech and Life sciences". He detailed the importance of innovation, how distinct competitive advantage of a business enterprise lies in introduction of new innovative products. He gave a detailed account of identification, commercialization of novel biological technologies, concepts, models and products in biological sciences. He emphasized that biotechnology with broad range of applications is one of the key technologies areas offers full or partial solutions to major societal problems, healthcare, environmental degradation, food security and safety, and energy supply. Biotechnology has the potential both to allow truly sustainable development and contribute to value creation in all sectors of society. New knowledge, developments, tools, technologies, approaches of biotechnology, life sciences can be explored for commercialization and to strengthen our knowledge-based economy.

Around 80 UG, PG student, staff participated and were benefited from the workshop. Program was conducted under the supervision of **Dr. Sunil Jalalpure**, Principal KLE College of Pharmacy. Overall the said IIC workshop "Entrepreneurship Skill, Attitude & Behavior Development" proved to be successful based on the feedback, content delivered and the knowledge gained and learning of the participants. Many participants inspired by the workshop enrolled for the value added course on Basic entrepreneurship skills. Through interactive sessions, guest lectures, participants gained invaluable insights on culture of innovation, creativity, and resilience needed in the entrepreneurial ecosystem, understood essential skills, tools and mindset required to face the challenges and opportunities inherent in the entrepreneurial journey. **Dr. Nithyananda Sastry Darbha**, proposed the Vote of thanks.

KLE Society (Karnataka Lingayat Education Society) was started in 1916 by a group of young dedicated teachers and patrons. This Society aims to empower people through education and is well recognized for its quality education and health care services. Today, KLE Society manages around 306 institutions with 1.38+ lakh student strength, and 18000+ employees offering world-class education in Healthcare, Pharmacy and paramedical sciences, Engineering, Management, Law and Agriculture. The educational services include School, Pre-University, Graduate and Post Graduate education.

KLE Academy of Higher Education and Research is sponsored by KLE Society was established in Belagavi in 2006 to highlight the Society's commitment to healthcare and Science education. KAHER is recognized by University Grants Commission (UGC), reaccredited "A+" grade by NAAC and placed in category "A" by MHRD, Govt. of India. KAHER provides internationally accepted education and healthcare practices, with impetus on research. University takes immense pride in its top class faculty, curriculum and well equipped infrastructure. The institutions of Medicine, Dentistry, Pharmacy, Physiotherapy, Nursing, Homeopathy and Ayurveda are under the ambit of this university.

KLE College of Pharmacy, Belagavi is a well-reputed and ranked institution offering all professional courses of pharmacy education. All the courses run by the institution are recognized by Pharmacy Council of India, All India Council for Technical Education and University Grants Commission. The college introduced D.Pharm in 1968, B.Pharm degree course in 1975, Post-Graduation in 1988, Doctoral Degree from 2000 and Pharm.D. from 2014 B.Pharm program has been accredited by NBA, New Delhi (4th Cycle) for a period of 6 years (Up to June 2025). Institute has received many prestigious research grants from funding agencies such as AICTE, DST, ICMR, VGST Govt. of Karnataka etc.

About the Workshop

Entrepreneurship can be defined as the activity of setting up a business, taking on financial risks in the hope of profit. Entrepreneurs need to explore various business opportunities from unmet needs of society, think of innovative products and solutions. Entrepreneurs need to have knowledge and skills relevant to leadership, innovations, market research, start-up establishment, intellectual property and idea management, business plan development and control, team-building, networking management and market strategies. Entrepreneurship Skill, Attitude & Behavior Development workshop is designed to equip participants with the essential tools and mindset for entrepreneurial success. The workshop aims to foster a positive attitude towards innovation, resilience, and risk-taking, encouraging participants to embrace challenges and opportunities with confidence. Additionally, emphasis will be placed on developing entrepreneurial behaviors, effective communication, and collaboration skills crucial for entrepreneurial ventures. Ultimately, the workshop seeks to inspire participants to take actionable steps towards realizing their entrepreneurial goals. This workshop will help you understand basics of entrepreneurship, how to turn ideas into profit, develop a business plan.

Registration Link

<https://forms.gle/DzrCpfMc6D3N9UDS7>

G. Student Experience & suggestions: (minimum 2)

Student Experience:

Through VAC get to know back end work related to formulation and development.I can apply knowledge gained through VAC in my professional career.

Got opportunity to explore about USFDA website,what is drug approval process, what is patent and procedure to grant a patent, how to use DoE software and its application.

..

It was full knowledgeable and helped in developing skills.

Had a good experience and gained additional knowledge

The course helped to build confidence, Valuable experiences and learning

Overall I had a good experience. Got much knowledge about DOE and USFDA.

We had a great time gaining knowledge about what really goes on in industries, researches and current affairs.

It's very helpful for future aspects of job.

It's valuable

It was such a rewarding experience.In this course I learned about various Regulations, Intellectual properties and mainly about Optimization Techniques & QbD process.
Overall,

Coarse was valuable

The course sessions were knowledgeable and we learned many new things

Suggestions about the Value added course:

Should involve more designs learning and practical presentation

Nothing....Thanks for such an informative and concept-clearing session

No Suggestions.

About the approval processes, real time drugs under testing, industrial research and development

More classes to be taken better

Report of KAHER's IIC Workshop on

"Entrepreneurship, Business Idea and Business Model Canvas (BMC)"

Organized by KLE College of Pharmacy, Belagavi & Institute Innovation Cell (IIC),
The KLS Institute of Management Education and Research (IMER), Belagavi.

Under the aegis of KAHER's Institute Innovation Cell (IIC).

Date: 17&18 May 2024 Venue: Seminar Hall, KLE College of Pharmacy, Belagavi, Karnataka.

Introduction

K.L.E. Academy Of Higher Education and Research (KAHER Deemed to be University) and its constituent units always aims to empower the upcoming students, the future professionals and budding entrepreneurs by imparting skills necessary to start a new enterprise and come out with innovations, new and improved products. To translate this vision KAHER has various effective mechanisms which include institutional Innovation Cell (IIC). University invites local entrepreneurs and various seminars, workshops are conducted to foster innovation. This is one such workshop intended to help participants understand basics of entrepreneurship, equips participants with the knowledge of how to turn ideas into profit, develop a business plan, tools, and confidence to navigate the complexities of entrepreneurship and turn their visions into reality.

Entrepreneurs need to have a business idea and skill to transform into a successful venture. To do so they need to explore various business opportunities from unmet needs of society, think of innovative products and solutions. They need to gain relevant knowledge of market research, idea generation, innovation management, business plan development & control, team-building, leadership, networking management, market strategies and start-up establishment. Transforming a business idea into a successful venture requires more than just inspiration—it demands strategic planning, meticulous execution, and continuous adaptation. The Business Model Canvas is a powerful tool that helps entrepreneurs visualize and refine their business concepts, paving the way for sustainable growth and profitability. This workshop dealt with the essentials of generating business ideas and effectively utilizing the Business Model Canvas. Participants were exposed to the knowledge, tools, and confidence to navigate the complexities of entrepreneurship and turn their entrepreneurship vision into reality. They were given insights into common pitfalls and challenges faced by entrepreneurs and how to overcome them.

The objectives of the program

- Provide participants an overview of entrepreneurial need, skills and empower them to take initiative to pursue their entrepreneurial aspirations.
- Apprise them the techniques, sources for generating innovative business ideas.
- Make them understand the components of the Business Model Canvas (BMC) and teach how to use BMC to evaluate and refine business concepts.
- Enlighten them with strategies for aligning business ideas with market needs and opportunities.
- Help them gain insights into common pitfalls and challenges faced by entrepreneurs and how to overcome them.

Details of the IIC BMC workshop

Formal Inauguration of the IIC workshop started with the invocation song followed by welcome address, lamp lighting ceremony, chief guest address, presidential remarks and vote of thanks. Program coordinator **Dr. Nithyananda Sastry Darbha** setting the context of program, briefed the participants the details of workshop, activities, support systems and events of IIC and KLE Academy of Higher Education & Research (KAHER). **Dr. M B Patil**, Vice-Principal KLE College of Pharmacy, KAHER Belagavi cordially invited the dignitaries and delegates to the seminar. In his welcome address emphasized the importance; need to conduct awareness programs for developing entrepreneurial mind set and culture. **Dr Mahesh Palled** gave a detailed account of skill development programs, value added courses offered to empower professionals, student entrepreneurs. KLE Society (Karnataka Lingayat Education Society) was started in 1916 by a group of young dedicated teachers and patrons. This Society aims

to empower people through education and is well recognized for its quality education and health care services. Today, KLE Society manages around 293+ institutions with 1.38+ lakh student strength, and 18000+ employees offering world-class education in Healthcare, Pharmacy and paramedical sciences, Engineering, Management, Law and Agriculture. The educational services include School, Pre-University, Graduate and Post Graduate education

KLE Academy of Higher Education and Research is sponsored by KLE Society and was established in Belagavi in 2006 to highlight the Society's commitment to healthcare and Science education. KAHER is recognized by University Grants Commission (UGC), reaccredited "A+" grade by NAAC and placed in category "A" by MHRD, Govt. of India. KAHER provides internationally accepted education and healthcare practices, with impetus on research. University takes immense pride in its top class faculty, curriculum and well equipped infrastructure. The institutions of Medicine, Dentistry, Physiotherapy, Nursing, Pharmacy and Ayurveda are under the ambit of this university.

KLE College of Pharmacy, Belagavi is a well-reputed and ranked institution offering all professional courses of pharmacy education. All the courses run by the institution are recognized by Pharmacy Council of India, All India Council for Technical Education and University Grants Commission. The college introduced D.Pharm in 1968, B.Pharm degree course in 1975, Post-Graduation in 1988, Doctoral Degree from 2000 and Pharm.D. from 2014. B.Pharm program has been accredited by NBA (4th Cycle) for a period of 6 years (Upto June 2025). It has been accredited by NBA, New Delhi and has received many prestigious research grants from funding agencies such as AICTE, DST, ICMR, VGST Govt. of Karnataka etc.

About the course:

Economic competitiveness of a country depends on its ability to innovate, develop and translate excellent and ground-breaking scientific knowledge into the world market. Innovation is defined as translating any new idea, process, or product, or a change to an existing product or process that adds value to that existing product or service. Innovation is the growth engine for knowledge-driven economy and is crucial for value creation, growth and employment.

Bio innovation involves identification, commercialization, and dissemination of novel biological technologies, concepts, models and products in biological sciences. New knowledge, developments, tools, technologies, approaches of biotechnology, life sciences can be explored for commercialization and to strengthen our knowledge-based economy.

Course objectives:

- Make participants aware of key concepts of innovation, patenting and entrepreneurship
- Apprise the participants with cutting edge bioscience developments and their translational to bio innovations
- Teach participants the skills of patent search, market research analysis, identifying unmet needs, challenges and opportunities for developing various innovative bio based products.
- Nurture and hone the innovation and entrepreneurship skills of participants
- Develop team work and effective communication skills of participants.

Resource persons:

- Faculty of reputed management and academic institutes,
Successful entrepreneurs and business people

Topics:

- ✓ Bio-Innovations and Entrepreneurship Understanding innovation
- ✓ Basics of Intellectual property rights
- ✓ Biotechnology, food, nutraceutical, agricultural technology innovations
- ✓ Innovations, IPR opportunities in herbal products
- ✓ Innovations and IPR in Natural dyes and applications
- ✓ Innovations and IPR opportunities drug discovery & bioinstrumentation

Eligibility:

Students of health, life science institutes who have genuine interest in entrepreneurship, bio innovations.

Ideal for techno entrepreneurs those who are interested in developing innovative pharma, biotech, herbal and other life science products and who wish start their own business.

Course is designed with 6 modules,

Total time proposed: 30 Hrs.

Final grading and evaluation

On the basis of formative, summative and continuous mode assessment which includes submission, assignment, report and presentation.

Schedule: February-May 2023

Classes: 2-3 Hrs. per week as per the need.

INAUGURATION OF 5th NPC 2024

Prof (Dr) Mukund Udachankar, Principal, KLE Homeopathy Medical College and Hospital, Belagavi inaugurated the program. The main objective of this Programme was to provide knowledge and experience to the students in implementing various clinical pharmacy services like patient counseling, Drug information services to achieve the patient outcome. He also said that active participation in such workshops would help students to develop communication and presentation skills relating to pharmacy education and research. Prof. (Dr) Shivkumar H, Head, Department of Pharmacology, BLDE's SSMCP, Vijayapura was the guest of Honor. Dr. M. S. Ganachari, Head, Dept. Pharmacy Practice explained the objective of the workshop. Dr Geetanjali Salimath introduced the chief guest and welcomed him. Dr. Sunil Jalalpure delivered presidential remarks and Mr. Vishwa Byakod delivered vote of thanks. As many as 231 delegates from various institutions across the country participated in the conference.

1. SHORT STORY TELLING

Theme: Success stories during patient care

Participants shared the experience of their real-time scenarios encountered during ward rounds and interactions with the patients within the time limit of a maximum of 3 minutes each. Around 10 delegates from various pharmacy colleges pursuing Pharm. D, M. Pharm pharmacy practice narrated their real-time scenarios as stories with a specific take-home message.

2. SHORT MOVIE MAKING THEME:

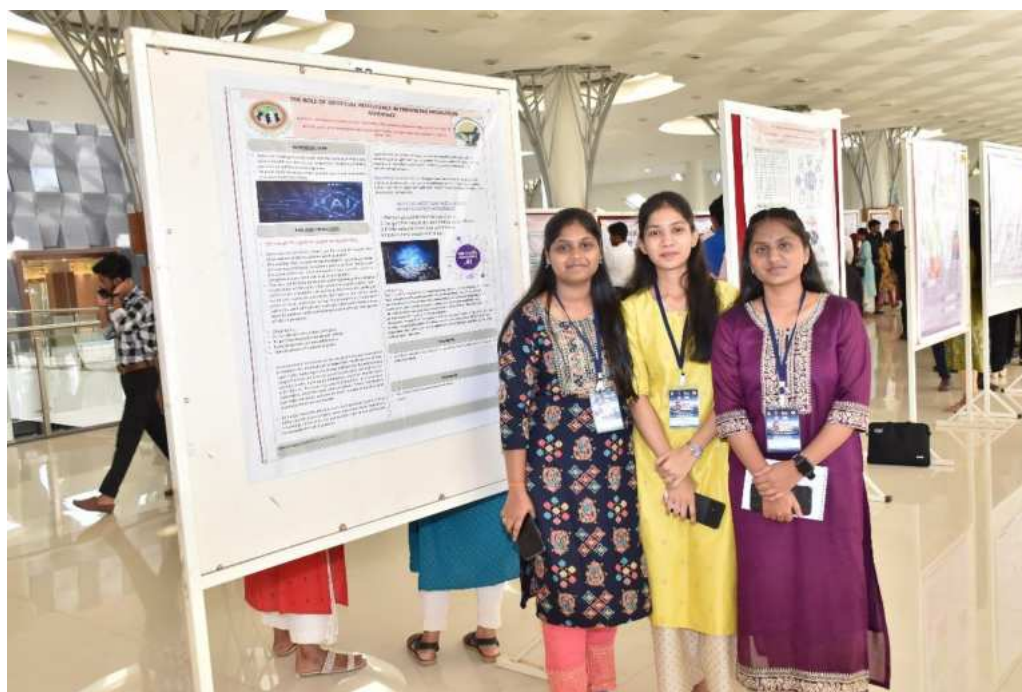

Theme: “Engaging patients for patient safety”

3. POSTER PRESENTATION

Concept Paper – Artificial Intelligence in Patient Safety

Highlighted the paradigm shift in the pharmacy profession to change from traditional methods and inculcated new ideas for developing leaders of Pharm. D in a community setup.

Research Paper: The delegates presented original research work/projects in the healthcare sector which is not previously been publish

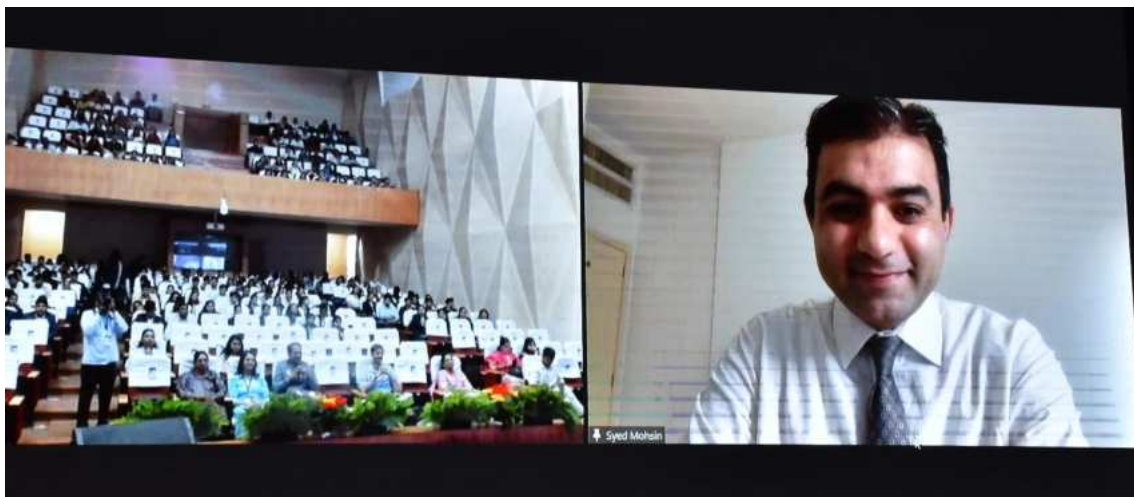

4. Street Play

Engaging patients for patient safety

5. MANN KI BAAT- NEED FOR HOUR

6. INTERACTIVE PANEL DISCUSSION: GROWING NEEDS OF PROFESSION

Partnership in Healthcare- Onco-Pharmacy Practice

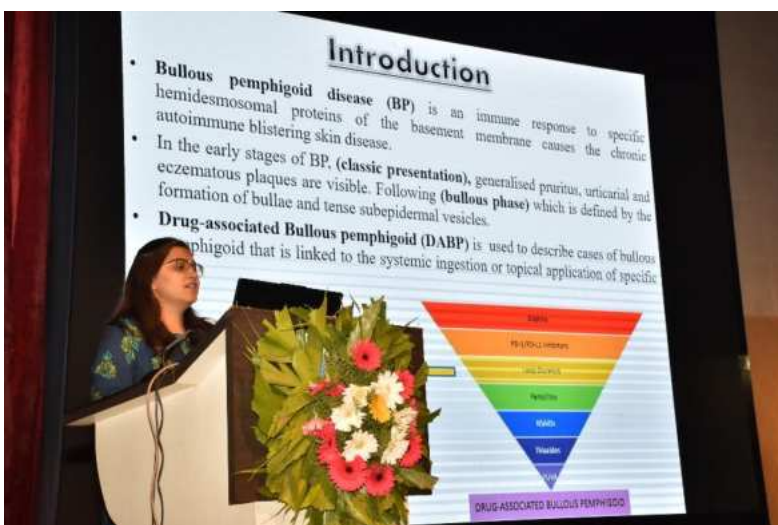

Chaired By: Prof. (Dr.) M.S Ganachari

The panel discussion had been designed for a more interactive discussion with the experts about all unanswered questions about the future of young pharmacists. Dr Madhav Prabhu, Dr Abhilasha Sampagar, Dr Bejoy Panda, Dr Pravalika V, Dr Manjula G and Dr Ashwini Dodannavar were the panelist for an interactive panel discussion. This session was chaired By Prof. (Dr) M.S Ganachari, Head, Department of Pharmacy Practice, KLECOP, Belagavi

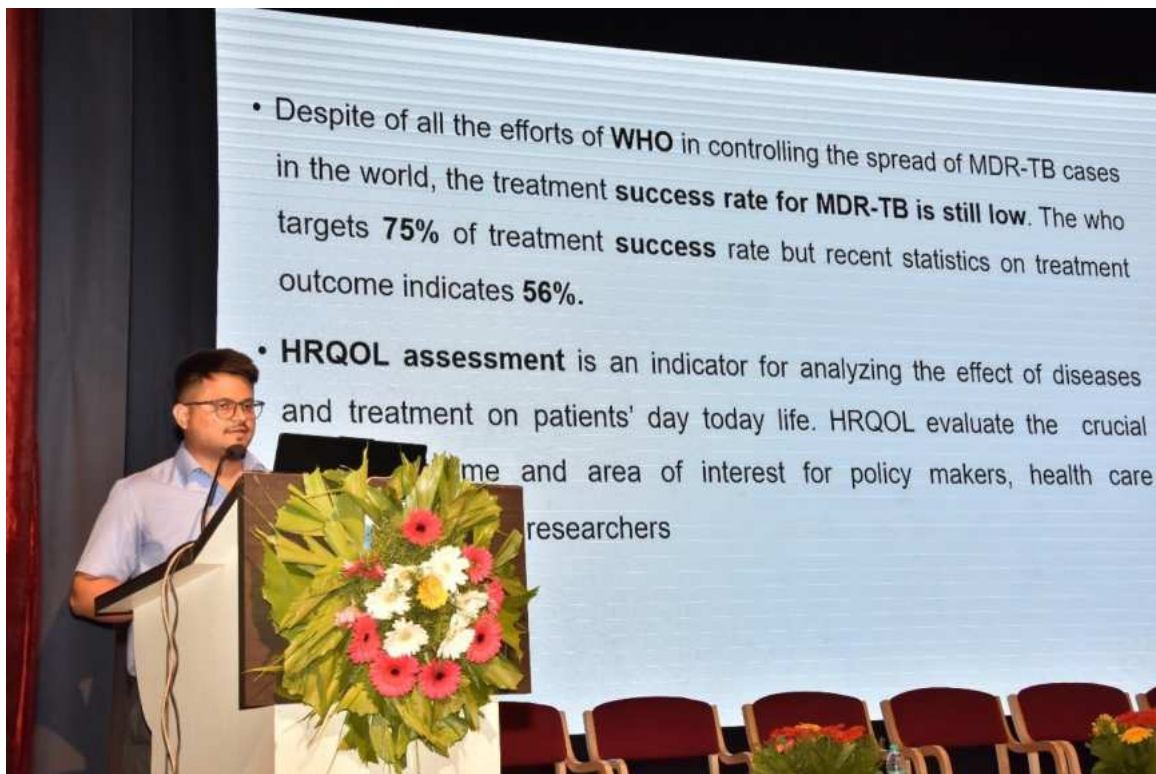

7. ORAL PRESENTATION

Faculty and research scholars of the Department of Pharmacy Practice presented their original concept of research, interests, and experiences, which is not previously published. Presentations delivered in 4 mins (20 seconds per slide) within 15 slides. 3 Faculty of various institutes including our Institute participated in the Pecha Kucha session.

PECHA KUCHA SESSION

8. Networking and Deliberation

VALEDICTORY FUNCTION

The valedictory function began with a summary of the 5th National PharmD Colloquium by Dr Anushree Deshpande. Prof (Dr) M. S. Ganachari took a review of participants about all the activities conducted during the 2-day program addressed the gathering about the importance of attending such conferences and gave the vote of thanks. Faculty Participants from different institutions shared their experiences and feedback. Certificates were distributed to the winners and participants event-wise.

IN NEWS PAPER

Pharm D Colloquium concludes

BELAGAVI, DHNS

KAHER's KLE College of Pharmacy Department of Pharmacy Practice conducted a two-day National Pharm D Colloquium recently.

KLE Homeopathy College Principal Mukund Udchankar, in his inaugural remarks, spoke on the need to hold such colloquiums to train healthcare professionals to cater to the needs of the community. He also emphasised the need for skilled resources for the rational use of medicines.

BLDEA College of Pharmacy, Vijaypur Professor Shivkumar Hugar who was the guest of honour emphasised the importance and scope of Pharm D and Clinical Pharmacy education in India. He elaborated on the importance of pharmacovigilance system for better therapeutic management of medicines.

KAHER Registrar M S Ganachari gave a brief overview of the colloquium.

KLE College of Pharmacy Principal Sunil Jalalpure stressed the importance of conducting such conferences in transforming young professionals into experts, patient care and research areas in pharmacy.

KLE College of Pharmacy Vice-principal M B Patil and KLE College of Pharmacy, Hubballi Principal Vishwanath Swami were present.

Assistant professor Anushree Deshpande welcomed while Assistant professor Vishwa Byakod proposed the vote of thanks.

The event saw sessions on short movie-making, street play, poster presentation, storytelling and interactive panel discussion. More than 250 delegates from different parts of India actively participated in the programme.

ಡಾ.ಮುಕುಂದ ಉಡ್ಡಂಕರ ಅಭಿಪ್ರಾಯ | ಉದ್ಘಾಟನೆ ಸಮಾರಂಭ ಸಮ್ಮೇಳನದಿಂದ ಆರೋಗ್ಯ ಸಿಬ್ಬಂದಿಗೆ ಅರಿವು

■ ವಿಜಯವಾಡೆ ಸುದ್ದಿಪಾಲ ಬೆಳಗಾವಿ

To Whom It May Concern,

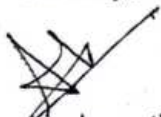

This is to certify that 20 students from the B.Sc. Nursing 4th year and P.B. B.Sc. Nursing 2nd year have attended the OET (Occupational English Test) classes conducted at KAHER Institute of Nursing Sciences, Nehru Nagar, Belagavi. These classes were held from March 4th, 2024, to May 18th, 2024.

The students have actively participated in the sessions and have shown significant improvement in their language skills, which are crucial for their professional development.

Should you require any further information, please feel free to contact us.

Thank you.

Sincerely,

Ajo Augustine

Director – Marketing

Having its registered office at Opp. St. George Forane Church,
Edappally, Kochi-682 024

(Hereinafter referred to as AJINORAH)

KAHER is a deemed to be University established U/s 3 of the UGC Act 1956. It has 11 constituent units under its ambit providing quality health education in the field of Medicine, pharmacy, nursing, homeopathy, Ayurveda, physiotherapy and allied course. KAHER's College of Nursing Sciences is a constituent unit of KAHER providing Diploma, UG and PG in Nursing Sciences.

AJINORAH is a Limited Liability Partnership firm having 3 partners. AJINORAH institutions is the flagship educational arm of AJINORAH GLOBAL VENTURES founded for providing superior quality education and offers various entry courses required for foreign education and employment like, OET, IELTS, MOH, DHA etc., It has 8 full fledged training centers and 51 other centres across India.

AJINORAH is desirous of providing OET (Occupational English Test) to address the specific English language requirements of the healthcare sector. OET assesses the language proficiency of health care professionals who aim to practice in an English speaking environment. training to the staff nurse or nursing students of KAHER college Nursing. KAHER is also willing to provide the necessary platform. Hence this MOU.

NOW THIS MOU WITNESSTH AS UNDER:

1. AJINORAH shall be providing 2 months Onsite OET (Occupational English Test) training for the staff nurses and nursing students.
2. AJINORAH shall depute experienced and expert trainees at the premises of KAHER to provide training.
3. Classes will be schedules as two batches according to duty shift or class timing. AJINORAH shall provide the course material. KAHER shall not use or provide the study materials of AJINORAH to third party without the prior written permission of AJINORAH.
4. AJINORAH shall advertise the programme and KAHER shall assist in the same.
5. There shall be a minimum of 30 candidates in each Batch.
6. The Course Fee Structure shall be as below

| Sl. No. | Course | Fee Structure | Duration |
|---------|---------------------|----------------------------|----------|
| 1. | OET Onsite Training | Rs. 15,000/- per candidate | 2 months |

Note: candidates can extend the duration with an extra payment of Rs. 5,000/- per month If Required Entire fee shall be collected by Ajinorah upfront.

7. AJINORAH shall pay 10% of the course fee paid by the students as referral charges at the end of the course, to KAHER Institute of Nursing as referral charges.
8. KAHER shall provide the necessary infrastructure like classrooms, computer, infrastructure etc.,
9. KAHER shall provide accommodation and food to the trainers at the cost of AJINORAH.
10. AJINORAH shall also assist in exam registration. Separate fee shall be charged for assisting the students for registering them for the examination. In case of successful candidates AJINORAH shall assist for documentation and recruitment process for overseas placements.
11. The candidates are required to write CBT exam, for which the training will be provided by AJINORAH. The Fee for CBT Exam training per candidate shall be Rs.5000.

Duration and Termination of the MoU

1. *Validity of MoU:* The MOU shall be effective w.e.f. 10.01.2024 and shall remain valid till for a period of 2 years i.e till 09.01.2026 and thereafter can be renewed by written mutual consent.
2. This MoU may be amended at any time by written mutual consent.
3. This MoU may be terminated by either party by the provision of written notice of termination not less than 1 month prior to the desired termination date. However, both parties agree that all continuing obligations to students, staff, funding bodies or other entities are met in full, subsequent to the notice of termination.
4. There will be no financial obligations on both the parties under this MoU.

Publication

KAHER reserves the right to publish the outcome of this MOU, in its periodical journals.
