It should include your name, Student ID number, programme of study, the name and contact details of the official financial sponsor, confirmation of the value of fees being paid and, if applicable, the monthly allowance you will be paid by your sponsor.

I have made my payment. What are the next steps?

Once your payment has been received in the university bank account, we will issue your CAS Data Check as soon as possible. Further guidance will be provided on how to pay the Immigration Health Surcharge and apply for your visa along with your CAS Data Check.

What is the Immigration Health Surcharge?

You are required to pay a healthcare surcharge as part of your immigration application if you are applying for a visa to study in the UK. Using the information provided in your CAS Data Check, the <u>IHS calculator</u> will work out the amount you will be required to pay upfront for every year of study in the United Kingdom.

I have received my CAS Statement but now wish to make an additional payment.

If you intend to make further payment please do not use your CAS until payment has cleared and you have been advised to do so by GCU Admissions staff. You can make further payments using any of the payment methods noted above.

Do I get a refund if I don't register?

A refund (less a £150 administration fee) can only be considered in the event that you have applied for a visa to study at GCU and this has been refused by UK Visa and Immigration (UKVI). We will not refund the deposit if your visa application was declined on the grounds of the submission of falsified documentation or undeclared criminal convictions. You will not be given a refund if you decide on entry to the UK that you no longer wish to study at this University.

All refund requests must be received within 90 days of the visa refusal notice and should be sent via email to cas@gcu.ac.uk.

We **will refund** in full any tuition fee payments received over and above the £4000 minimum non-refundable deposit. For full information on our deposit and refund policy please see: <u>http://www.gcu.ac.uk/financeoffice/policiesguidelines/</u>
