To,

The Registrar, KLE Academy of Higher Education & Research, Belagavi

subject: Report on Disciplinary Committee Proceedings about the Intercollegiate Kabaddi Tournament and Request for Resolution of the issue.

Dear Sir,

I am writing to brief you on an incident involving students from KLE College of Pharmacy, Belagavi, and KLE Institute of Physiotherapy, Belagavi, that occurred on 29th September 2024 during the KAHER Intercollegiate Kabaddi Matches at the JNMC Indoor Stadium. A disciplinary committee meeting was convened on 30th September 2024 to investigate the matter and decide on appropriate actions.

Upon conducting a thorough enquiry, the committee reviewed statements from witnesses, student council members, and the accused individuals.

The following disciplinary actions were taken:

1. Mr. Pavan Shambhushete (NR0122077, Final Year D. Pharm)

- Found guilty of physical assault during the altercation.
- Action: 2 weeks suspension from college.

2. Mr. Yash Manepure (NA012028, Final Year B. Pharm)

- o Not directly involved in the physical altercation but failed to de-escalate the situation.
- Action: Issued a warning and restricted from participating in any KAHER sports activities for the academic year.

3. Mr. Rakesh Herwade (NA0121108, Final Year B. Pharm)

- No direct involvement in the altercation and was trying to de-escalate the situation however, was alleged otherwise.
- Action: Issued a warning.

The accused students were sensitized about the seriousness of their actions and were required to submit written apologies. They were also informed that any further violations would result in stringent

actions, including possible rustication. The college authorities have made every effort to de-escalate the situation and resolve the issue amicably between the two colleges.

Additionally, there were allegations against Mr. Kiran Gaikwad (Assistant Professor, Dept. of Pharmaceutical Chemistry), claiming that he had inappropriately touched a female student during the altercation. The committee thoroughly investigated these claims by speaking to students and student council members who were present there and also reviewed the video footage from the JNMC Indoor Stadium. The inquiry confirmed that Mr. Gaikwad did not touch the student. Instead, he intervened to instruct the student to behave properly with other faculty members and schooled her for her behavior and asked her to leave the sports arena. The allegations against Mr. Gaikwad were found to be false. However, Mr. Kiran was advised to control his aggression and handle any such incidents calmly.

In light of the findings, we kindly request your esteemed office to bring this matter to its logical conclusion as soon as possible so that relations between the two colleges can be harmonized and regular college and university activities can proceed as scheduled.

Thank you for your support in resolving this matter.
