## GUEST LECTURE REPORT ON “PLAGIARISM”

On November 6, 2024, the Department of Pharmaceutical Chemistry successfully organized a guest lecture by Dr. P.A. Patil, Professor and Head, Department of Pharmacology, USM-KLE, on the critical topic of "Plagiarism." The event was well-attended by faculty members, research scholars, and students. Dr. Patil, a renowned expert in the field, provided insightful knowledge and practical guidance on recognizing and avoiding plagiarism. The session included the following points –

- **Definition and Types of Plagiarism:** Dr. Patil began by defining plagiarism as the act of using someone else's work without proper acknowledgment. He discussed various types of plagiarism, including direct copying, paraphrasing without citation, and self-plagiarism.
- **The Importance of Academic Integrity and consequences:** He emphasized the significance of academic integrity and the ethical implications of plagiarism. Dr. Patil highlighted the potential consequences, including academic penalties such as expulsion, failure of courses, or revocation of degrees. He also discussed the damage to reputation, both personal and professional, that can result from plagiarism. Dr. Patil shared several real-world examples of high-profile cases of plagiarism, highlighting the severe consequences faced by individuals and institutions involved.
- **Effective Citation Practices:** The speaker provided detailed instructions on how to properly cite sources using different citation styles. He explained the importance of accurate referencing and the use of quotation marks and paraphrasing techniques.
- **Tools and Techniques for Detecting Plagiarism:** Dr. Patil introduced various tools and techniques available to detect plagiarism, such as plagiarism detection software and manual checking. He emphasized the importance of critical thinking and careful research practices to avoid unintentional plagiarism.

The guest lecture was highly informative and engaging. It served as a valuable learning opportunity for all participants, fostering a deeper understanding of academic integrity and ethical research practices.

About 105 PG students, PhD Research Scholars & faculty members benefitted from the program. The program was successfully organized under the guidance and supervision of Dr. Sunil S. Jalalpure, Principal & Convener, Dr. Meenaxi Maste, HOD, Dept. of Pharmaceutical Chemistry and the Program Co-ordinators Dr. Preeti Salve & Mr. Rohan Singadi.
