14<sup>th</sup> July 2023

**C I R C U L A R**

**Sub: Conduct of Training Programme on Impartus (Learning Management System) for Faculty Members.**

As a part of introducing the advanced teaching-learning system for the benefit of the faculty and students, the KLE Academy of Higher Education and Research, Belagavi has provided Impartus, a video-based learning platform by M/s. Upgrade Education Private Limited (UEPL), Bengaluru which enables the teachers to capture, edit and distribute the contents / topics so as to learn more effectively in less time.

In order to orient the faculty members, a training session is organized on Learning Management System (LMS) in the following constituent colleges of KAHER:

Sl. No	College Name	Date	Time
1	KLE Shri B.M.K. Ayurveda Mahavidyalaya	19-07-2023	10.00 AM to 11.00 AM
2	KLE VK Institute of Dental Sciences	19-07-2023	03.00 PM to 04.00 PM
3	KLE College of Pharmacy Belagavi	20-07-2023	10.00 AM to 11.00 AM
4	KLE Institute of Physiotherapy	20-07-2023	11.30 AM to 12.30 PM
5	KLE Institute of Nursing Sciences	20-07-2023	02.00 PM to 03.00 PM

**The objective of this training session is to:**

1. Familiarize the LMS training so as to provide an overview of its features and functionalities and ensuring that all faculty members to understand utilization of various components effectively.
2. Demonstrate benefits of LMS: LMS can enhance student learning experience, monitor progress, access relevant training materials and collaborate with peers and trainers.
3. Promote effective use of LMS: The training will focus on best practices for downloading, managing and organizing content within LMS, allowing faculty members to optimize their use of the platform.

A team of officials from UEPL will visit the individual colleges and provide necessary training in this regard.

The Principals of the constituent units are hereby informed to inform all the faculty members to participate in the training program along-with IT Personnel for technical support.

**Sub: Conduct of Training Programme on Impartus (Learning Management System) for Faculty Members.**

As a part of introducing the advanced teaching-learning system for the benefit of the faculty and students, the KLE Academy of Higher Education and Research, Belagavi has provided Impartus, a video-based learning platform by M/s. Upgrade Education Private Limited (UEPL), Bengaluru which enables the teachers to capture, edit and distribute the contents / topics so as to learn more effectively in less time.

In order to orient the faculty members, a training session is organized on Learning Management System (LMS) in the following constituent colleges of KAHER:

Sl. No	College Name	Date	Time
1	KLE College of Pharmacy Belagavi	10-08-2023	11.00 AM to 12.00 Noon
2	KLE Institute of Physiotherapy, Belagavi	10-08-2023	03.00 PM to 04.00 PM
3	KLE Institute of Nursing Sciences, Belagavi	11-08-2023	11.00 AM to 12.00 Noon

**The objective of this training session is to:**

1. Familiarize the LMS training so as to provide an overview of its features and functionalities and ensuring that all faculty members to understand utilization of various components effectively.
2. Demonstrate benefits of LMS: LMS can enhance student learning experience, monitor progress, access relevant training materials and collaborate with peers and trainers.
3. Promote effective use of LMS: The training will focus on best practices for downloading, managing and organizing content within LMS, allowing faculty members to optimize their use of the platform.

A team of officials from UEPL will visit the individual colleges and provide necessary training in this regard.

The Principals of the constituent units are hereby informed to inform all the faculty members to participate in the training program along-with IT Personnel for technical support.

### **Report of Workshop on “Enhancing skills for E-content Integration in Contineo”**

KLE College of Physiotherapy organised a workshop on **“Enhancing skills for E-content Integration in Contineo”** on 23<sup>rd</sup> August 2023 at Lecture Hall No 2 at JGMM Medical College.

The session was led by Mr. Raviraj, Senior Product Specialist, Contineo who was the resource person for this session. It was an informative session and was conducted with the aim to improve participants' proficiency in integrating e-content into Contineo software. The resource person not only delved into the core objective but also showcased various other functionalities of the software.

A major focus of the session was on e-content integration into Contineo. Mr. Raviraj provided a step-by-step walkthrough on uploading presentations (PPTs) and videos onto the platform. This practical demonstration equipped participants with the skills needed to enhance the visibility of their teaching materials through the software.

Furthermore, the session shed light on the student's perspective, emphasizing how easily they can access the uploaded content. This user-friendly interface ensures that students can seamlessly navigate and engage with the educational materials, contributing to an enriched learning experience.

Mr. Raviraj also demonstrated the software's capacity to efficiently manage daily attendance, a crucial aspect of academic administration. Participants gained insights into how Contineo simplifies the attendance tracking process for educators, streamlining this essential aspect of their responsibilities.

Moving forward, the session highlighted the software's capabilities in assigning tasks to students. This feature proved to be instrumental in the seamless distribution of assignments and projects. Mr. Raviraj's demonstration emphasized how Contineo contributes to effective task management within an educational setting.

Another significant aspect covered during the session was the uploading of marks for assignments and internal assessment exams. Participants learned how Contineo streamlines the grading process, making it more accessible and user-friendly for educators handling diverse academic assessments.

In conclusion, the session not only achieved its primary objective of enhancing skills for e-content integration but also provided a comprehensive overview of Contineo's capabilities. Mr. Raviraj's insightful demonstration showcased the software's versatility, making the session invaluable for educators seeking to maximize the potential of Contineo in their teaching practices.
